BEGA-NORTH AMERICA, INC. SALARY SAVINGS PLAN

**FINANCIAL STATEMENTS
AND SUPPLEMENTAL SCHEDULE**

December 31, 2021 and 2020

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
BEGA-North America, Inc. Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of BEGA-North America, Inc. Salary Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of BEGA-North America, Inc. Salary Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of BEGA-North America, Inc. Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BEGA-North America, Inc. Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

expressing an opinion on the effectiveness of BEGA-North America, Inc. Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BEGA-North America, Inc. Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the BEGA-North America, Inc. Salary Savings Plan were audited by predecessor auditors, Damitz, Brooks, Nightingale Turner & Morrisset. Effective January 1, 2022, Damitz, Brooks, Nightingale, Turner & Morrisset merged with Hutchinson and Bloodgood LLP.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated August 24, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BEGA-NORTH AMERICA, INC. SALARY SAVINGS PLAN
Notes to Financial Statements
December 31, 2021 and 2020

1. PLAN DESCRIPTION

The following description of the BEGA-North America, Inc. Salary Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all non-leased United States resident employees of BEGA-North America, Inc. (the “Company”) who are over the age of 18 and have completed two months of service with the exception of union employees whose benefits are provided by the union. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration of the Plan

Pursuant to a services agreement Prudential Retirement Insurance and Annuity Company, the trustee of the Plan, executes most of the day-to-day administrative activities of the Plan.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, subject to the annual limitations imposed by the Internal Revenue Code (IRC), which was \$19,500 for 2021. Participants who have obtained age 50 before the end of the plan year are eligible to make up to an additional \$6,500 in catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan allows both pre-tax and after tax (Roth) contributions.

Participants direct contributions into any registered investment companies, common/collective trust funds or the guaranteed income fund offered under the agreement with the trustee. Participants may change their investment options daily. Participants may change their deferral percentage at the beginning of each payroll period.

The Company can make discretionary and/or matching contributions to the Plan. The Company’s matching policy is determined annually, prior to the beginning of each plan year. Company safe harbor contributions for 2021 were equal to 3% of a participant’s eligible compensation. Company matching contributions for 2021 were equal to 100% of the first 3% of participating employees’ contributions. The Company made discretionary contributions of \$72,127 for 2021.

1. PLAN DESCRIPTION (Cont.)

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary and matching contributions plus actual earnings thereon is based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
2 years	25%
3 years	50%
4 years	75%
5 years	100%

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution and the Company's contribution and is charged with certain investment and administrative expenses. Contributions are allocated in accordance with participant allocation elections.

Net appreciation or depreciation from investments in registered investment companies and common/collective trust funds are credited or charged to participant accounts based upon the increase or decrease in the market value per unit of investments held. Dividend and interest income are credited to participant accounts based on investment units held. The benefits to which a participant is entitled are the benefits that can be provided from a participant's account.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan terms range from one to five years or up to 20 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prevailing prime rate plus 1.75%. Interest rate for all loans range between 5.00% and 7.25%, and loan maturities extend through 2041. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant is entitled to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount payment. At December 31, 2021, all participants who elected to withdraw from the Plan and who requested a distribution of their account balance had received a distribution from the Plan.

1. PLAN DESCRIPTION (Cont.)

Forfeitures

Forfeitures are available to reduce plan administrative expenses and during the year ended December 31, 2021 the Company used \$91,648 of forfeitures for administrative expenses of the Plan. Total forfeitures for the year ended December 31, 2021 were \$36,363. Unallocated forfeitures at December 31, 2021 and 2020 were \$89,337 and \$142,290, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates and Basis of Accounting

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrators to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are traded on a national securities exchange are stated at fair value on the basis of the closing quoted price on the last trading day of the year. The Plan's investments in common/collective trusts are stated at the net asset value based on the fair value of the assets held in the trust on the last trading day of the year. Purchases and sales of securities are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Income from other investments is recorded as earned on an accrual basis. The net appreciation or depreciation in the fair value of investments is reflected in the statement of changes in net assets available for plan benefits.

The Plan holds investments in a guaranteed income fund (the "Fund"). Generally accepted accounting principles of the United States of America require such investments to be valued at contract value if the contracts are determined to be fully benefit-responsive. The Fund is a traditional guaranteed investment contract and deemed to be fully benefit-responsive. Since the Fund is fully benefit-responsive, contract value is the relevant measurement. Contract value, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative fees. If a participant elects to transfer or withdraw funds from the Fund the maximum value they will receive is contract value even if fair value exceeds contract value. As of December 31, 2021 the fair value of the Fund approximated contract value. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid with 90 days' notice or contract value paid over time. There are not any events that allow the Fund's issuer settle at an amount different than contract value paid either with 90 days' notice or over time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Fair Value Measurements

Financial Accounting Standards Board's Accounting Standards Codification, *Fair Value Measurements and Disclosures* (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 – Quoted prices in markets that are not considered to be active or financial instruments or which all significant inputs are observable, either directly or indirectly;
- Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Investment Risk

The Plan offers participants various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The Plan's provisions as well as those of ERISA and the participants' investment preference dictate the Plan's concentration of credit risk and market risk.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on an accrual basis. Delinquent participant loans are recorded as distributions to participants.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through October 13, 2022, the date that the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The following table sets forth, by level within the fair value hierarchy, the plan investment assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

The following table sets forth, by level within the fair value hierarchy, the plan investment assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies:				
Large cap equity funds	\$ 2,368,728	\$ -	\$ -	\$ 2,368,728

	<u>\$ 17,628,011</u>	<u>\$1,236,400</u>	<u>\$ -</u>	<u>\$ 18,864,411</u>

4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan's investments were held by Prudential Retirement Insurance and Annuity Company for the year ended December 31, 2021. The Plan's administrator has instructed the independent public accountants not to examine the information certified as complete and accurate by the trustee, except for comparing such information to the related information in the financial statements and supplemental schedule. The trustee certification applies to all plan assets. Total investment income and interest income on notes receivable from participants as certified by the trustee for the year ended December 31, 2021 was \$2,852,107 and \$20,840, respectively.

5. PLAN TERMINATION

Although the intention of the Company is to continue the Plan indefinitely, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

6. INCOME TAX STATUS

The Plan obtained a determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statement.

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for tax years prior to 2018.

7. PARTY-IN-INTEREST

Prudential Retirement Insurance and Annuity Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain plan administrative functions are performed by employees of the Company at no charge to the Plan. In addition, plan administrative expenses paid by the Company for 2021 plan year were approximately \$13,000.

8. CONCENTRATIONS

As of December 31, 2021, the Plan held three investments that accounted for approximately 36% of net assets available for benefits.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Russia's invasion of Ukraine and the international response has caused international markets volatility. The direct and indirect impact of the invasion on the investments carried by the Plan cannot be predicted at this time.

BEGA-NORTH AMERICA, INC. SALARY SAVINGS PLAN

**FINANCIAL STATEMENTS
AND SUPPLEMENTAL SCHEDULE**

December 31, 2021 and 2020

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
BEGA-North America, Inc. Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of BEGA-North America, Inc. Salary Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of BEGA-North America, Inc. Salary Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of BEGA-North America, Inc. Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BEGA-North America, Inc. Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

expressing an opinion on the effectiveness of BEGA-North America, Inc. Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BEGA-North America, Inc. Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the BEGA-North America, Inc. Salary Savings Plan were audited by predecessor auditors, Damitz, Brooks, Nightingale Turner & Morrisset. Effective January 1, 2022, Damitz, Brooks, Nightingale, Turner & Morrisset merged with Hutchinson and Bloodgood LLP.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated August 24, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BEGA-NORTH AMERICA, INC. SALARY SAVINGS PLAN
Notes to Financial Statements
December 31, 2021 and 2020

1. PLAN DESCRIPTION

The following description of the BEGA-North America, Inc. Salary Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all non-leased United States resident employees of BEGA-North America, Inc. (the “Company”) who are over the age of 18 and have completed two months of service with the exception of union employees whose benefits are provided by the union. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration of the Plan

Pursuant to a services agreement Prudential Retirement Insurance and Annuity Company, the trustee of the Plan, executes most of the day-to-day administrative activities of the Plan.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, subject to the annual limitations imposed by the Internal Revenue Code (IRC), which was \$19,500 for 2021. Participants who have obtained age 50 before the end of the plan year are eligible to make up to an additional \$6,500 in catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan allows both pre-tax and after tax (Roth) contributions.

Participants direct contributions into any registered investment companies, common/collective trust funds or the guaranteed income fund offered under the agreement with the trustee. Participants may change their investment options daily. Participants may change their deferral percentage at the beginning of each payroll period.

The Company can make discretionary and/or matching contributions to the Plan. The Company’s matching policy is determined annually, prior to the beginning of each plan year. Company safe harbor contributions for 2021 were equal to 3% of a participant’s eligible compensation. Company matching contributions for 2021 were equal to 100% of the first 3% of participating employees’ contributions. The Company made discretionary contributions of \$72,127 for 2021.

1. PLAN DESCRIPTION (Cont.)

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary and matching contributions plus actual earnings thereon is based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
2 years	25%
3 years	50%
4 years	75%
5 years	100%

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution and the Company's contribution and is charged with certain investment and administrative expenses. Contributions are allocated in accordance with participant allocation elections.

Net appreciation or depreciation from investments in registered investment companies and common/collective trust funds are credited or charged to participant accounts based upon the increase or decrease in the market value per unit of investments held. Dividend and interest income are credited to participant accounts based on investment units held. The benefits to which a participant is entitled are the benefits that can be provided from a participant's account.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan terms range from one to five years or up to 20 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prevailing prime rate plus 1.75%. Interest rate for all loans range between 5.00% and 7.25%, and loan maturities extend through 2041. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant is entitled to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount payment. At December 31, 2021, all participants who elected to withdraw from the Plan and who requested a distribution of their account balance had received a distribution from the Plan.

1. PLAN DESCRIPTION (Cont.)

Forfeitures

Forfeitures are available to reduce plan administrative expenses and during the year ended December 31, 2021 the Company used \$91,648 of forfeitures for administrative expenses of the Plan. Total forfeitures for the year ended December 31, 2021 were \$36,363. Unallocated forfeitures at December 31, 2021 and 2020 were \$89,337 and \$142,290, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates and Basis of Accounting

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrators to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are traded on a national securities exchange are stated at fair value on the basis of the closing quoted price on the last trading day of the year. The Plan's investments in common/collective trusts are stated at the net asset value based on the fair value of the assets held in the trust on the last trading day of the year. Purchases and sales of securities are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Income from other investments is recorded as earned on an accrual basis. The net appreciation or depreciation in the fair value of investments is reflected in the statement of changes in net assets available for plan benefits.

The Plan holds investments in a guaranteed income fund (the "Fund"). Generally accepted accounting principles of the United States of America require such investments to be valued at contract value if the contracts are determined to be fully benefit-responsive. The Fund is a traditional guaranteed investment contract and deemed to be fully benefit-responsive. Since the Fund is fully benefit-responsive, contract value is the relevant measurement. Contract value, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative fees. If a participant elects to transfer or withdraw funds from the Fund the maximum value they will receive is contract value even if fair value exceeds contract value. As of December 31, 2021 the fair value of the Fund approximated contract value. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid with 90 days' notice or contract value paid over time. There are not any events that allow the Fund's issuer settle at an amount different than contract value paid either with 90 days' notice or over time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Fair Value Measurements

Financial Accounting Standards Board's Accounting Standards Codification, *Fair Value Measurements and Disclosures* (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 – Quoted prices in markets that are not considered to be active or financial instruments or which all significant inputs are observable, either directly or indirectly;
- Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Investment Risk

The Plan offers participants various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The Plan's provisions as well as those of ERISA and the participants' investment preference dictate the Plan's concentration of credit risk and market risk.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on an accrual basis. Delinquent participant loans are recorded as distributions to participants.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through October 13, 2022, the date that the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The following table sets forth, by level within the fair value hierarchy, the plan investment assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan's investments were held by Prudential Retirement Insurance and Annuity Company for the year ended December 31, 2021. The Plan's administrator has instructed the independent public accountants not to examine the information certified as complete and accurate by the trustee, except for comparing such information to the related information in the financial statements and supplemental schedule. The trustee certification applies to all plan assets. Total investment income and interest income on notes receivable from participants as certified by the trustee for the year ended December 31, 2021 was \$2,852,107 and \$20,840, respectively.

5. PLAN TERMINATION

Although the intention of the Company is to continue the Plan indefinitely, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

6. INCOME TAX STATUS

The Plan obtained a determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statement.

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for tax years prior to 2018.

7. PARTY-IN-INTEREST

Prudential Retirement Insurance and Annuity Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain plan administrative functions are performed by employees of the Company at no charge to the Plan. In addition, plan administrative expenses paid by the Company for 2021 plan year were approximately \$13,000.

8. CONCENTRATIONS

As of December 31, 2021, the Plan held three investments that accounted for approximately 36% of net assets available for benefits.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Russia's invasion of Ukraine and the international response has caused international markets volatility. The direct and indirect impact of the invasion on the investments carried by the Plan cannot be predicted at this time.

BEGA-NORTH AMERICA, INC. SALARY SAVINGS PLAN

**FINANCIAL STATEMENTS
AND SUPPLEMENTAL SCHEDULE**

December 31, 2021 and 2020

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
BEGA-North America, Inc. Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of BEGA-North America, Inc. Salary Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of BEGA-North America, Inc. Salary Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of BEGA-North America, Inc. Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BEGA-North America, Inc. Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

expressing an opinion on the effectiveness of BEGA-North America, Inc. Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BEGA-North America, Inc. Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the BEGA-North America, Inc. Salary Savings Plan were audited by predecessor auditors, Damitz, Brooks, Nightingale Turner & Morrisset. Effective January 1, 2022, Damitz, Brooks, Nightingale, Turner & Morrisset merged with Hutchinson and Bloodgood LLP.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated August 24, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BEGA-NORTH AMERICA, INC. SALARY SAVINGS PLAN
Notes to Financial Statements
December 31, 2021 and 2020

1. PLAN DESCRIPTION

The following description of the BEGA-North America, Inc. Salary Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all non-leased United States resident employees of BEGA-North America, Inc. (the “Company”) who are over the age of 18 and have completed two months of service with the exception of union employees whose benefits are provided by the union. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration of the Plan

Pursuant to a services agreement Prudential Retirement Insurance and Annuity Company, the trustee of the Plan, executes most of the day-to-day administrative activities of the Plan.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, subject to the annual limitations imposed by the Internal Revenue Code (IRC), which was \$19,500 for 2021. Participants who have obtained age 50 before the end of the plan year are eligible to make up to an additional \$6,500 in catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan allows both pre-tax and after tax (Roth) contributions.

Participants direct contributions into any registered investment companies, common/collective trust funds or the guaranteed income fund offered under the agreement with the trustee. Participants may change their investment options daily. Participants may change their deferral percentage at the beginning of each payroll period.

The Company can make discretionary and/or matching contributions to the Plan. The Company’s matching policy is determined annually, prior to the beginning of each plan year. Company safe harbor contributions for 2021 were equal to 3% of a participant’s eligible compensation. Company matching contributions for 2021 were equal to 100% of the first 3% of participating employees’ contributions. The Company made discretionary contributions of \$72,127 for 2021.

1. PLAN DESCRIPTION (Cont.)

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary and matching contributions plus actual earnings thereon is based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
2 years	25%
3 years	50%
4 years	75%
5 years	100%

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution and the Company's contribution and is charged with certain investment and administrative expenses. Contributions are allocated in accordance with participant allocation elections.

Net appreciation or depreciation from investments in registered investment companies and common/collective trust funds are credited or charged to participant accounts based upon the increase or decrease in the market value per unit of investments held. Dividend and interest income are credited to participant accounts based on investment units held. The benefits to which a participant is entitled are the benefits that can be provided from a participant's account.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan terms range from one to five years or up to 20 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prevailing prime rate plus 1.75%. Interest rate for all loans range between 5.00% and 7.25%, and loan maturities extend through 2041. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant is entitled to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount payment. At December 31, 2021, all participants who elected to withdraw from the Plan and who requested a distribution of their account balance had received a distribution from the Plan.

1. PLAN DESCRIPTION (Cont.)

Forfeitures

Forfeitures are available to reduce plan administrative expenses and during the year ended December 31, 2021 the Company used \$91,648 of forfeitures for administrative expenses of the Plan. Total forfeitures for the year ended December 31, 2021 were \$36,363. Unallocated forfeitures at December 31, 2021 and 2020 were \$89,337 and \$142,290, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates and Basis of Accounting

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrators to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are traded on a national securities exchange are stated at fair value on the basis of the closing quoted price on the last trading day of the year. The Plan's investments in common/collective trusts are stated at the net asset value based on the fair value of the assets held in the trust on the last trading day of the year. Purchases and sales of securities are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Income from other investments is recorded as earned on an accrual basis. The net appreciation or depreciation in the fair value of investments is reflected in the statement of changes in net assets available for plan benefits.

The Plan holds investments in a guaranteed income fund (the "Fund"). Generally accepted accounting principles of the United States of America require such investments to be valued at contract value if the contracts are determined to be fully benefit-responsive. The Fund is a traditional guaranteed investment contract and deemed to be fully benefit-responsive. Since the Fund is fully benefit-responsive, contract value is the relevant measurement. Contract value, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative fees. If a participant elects to transfer or withdraw funds from the Fund the maximum value they will receive is contract value even if fair value exceeds contract value. As of December 31, 2021 the fair value of the Fund approximated contract value. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid with 90 days' notice or contract value paid over time. There are not any events that allow the Fund's issuer settle at an amount different than contract value paid either with 90 days' notice or over time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Fair Value Measurements

Financial Accounting Standards Board's Accounting Standards Codification, *Fair Value Measurements and Disclosures* (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 – Quoted prices in markets that are not considered to be active or financial instruments or which all significant inputs are observable, either directly or indirectly;
- Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Investment Risk

The Plan offers participants various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The Plan's provisions as well as those of ERISA and the participants' investment preference dictate the Plan's concentration of credit risk and market risk.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on an accrual basis. Delinquent participant loans are recorded as distributions to participants.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through October 13, 2022, the date that the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The following table sets forth, by level within the fair value hierarchy, the plan investment assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan's investments were held by Prudential Retirement Insurance and Annuity Company for the year ended December 31, 2021. The Plan's administrator has instructed the independent public accountants not to examine the information certified as complete and accurate by the trustee, except for comparing such information to the related information in the financial statements and supplemental schedule. The trustee certification applies to all plan assets. Total investment income and interest income on notes receivable from participants as certified by the trustee for the year ended December 31, 2021 was \$2,852,107 and \$20,840, respectively.

5. PLAN TERMINATION

Although the intention of the Company is to continue the Plan indefinitely, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

6. INCOME TAX STATUS

The Plan obtained a determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statement.

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for tax years prior to 2018.

7. PARTY-IN-INTEREST

Prudential Retirement Insurance and Annuity Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain plan administrative functions are performed by employees of the Company at no charge to the Plan. In addition, plan administrative expenses paid by the Company for 2021 plan year were approximately \$13,000.

8. CONCENTRATIONS

As of December 31, 2021, the Plan held three investments that accounted for approximately 36% of net assets available for benefits.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Russia's invasion of Ukraine and the international response has caused international markets volatility. The direct and indirect impact of the invasion on the investments carried by the Plan cannot be predicted at this time.
