INDEPENDENT AUDITORS' REPORT

**To the Administrative Committee of
Foothill Packing, Inc., 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Foothill Packing, Inc., 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- **the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.**

- **the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's

Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Foothill Packing, Inc., 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Foothill Packing, Inc., 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Foothill Packing, Inc., 401(k) Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**
- **Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Foothill Packing, Inc., 401(k) Plan's ability to continue as a going concern for a reasonable period of time.**

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2021 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Foothill Packing, Inc., 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FOOTHILL PACKING, INC., 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Foothill Packing, Inc., ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Summary Plan Description or Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 2009, the plan was amended to allow 401(k) safe harbor provisions.

CONTRIBUTIONS

Each year, participants may make contributions that cannot exceed the lesser of the annual specified maximum allowed by income tax regulations or 100% of pretax annual compensation, as defined in the Plan. Participants direct the investment of their contributions into various investments offered by the Plan. Effective January 1, 2009, the Company instituted a safe harbor contribution equal to 3% of each participant's eligible compensation, and 50% of the next 2% of employee contributions, if any, are matched by the employer.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and Plan earnings, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in their contributions as well as the company's matching contributions in the Plan plus actual earnings thereon.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000. A participant must secure each loan with an irrevocable pledge and assignment of no more than 50% of the non-forfeitable amount of the borrowing participant's accrued benefits under the Plan, other security the trustee accepts and finds to be adequate, or both 50% of the participant's accrued benefits and other security.

The interest rate on the note receivable will be determined from time to time by the trustee and will be fixed throughout the life of the loan. The note principal and any accrued interest must generally be paid within five years from date of disbursement. However, a term greater than five years may be granted by the Administrator under certain circumstances.

PAYMENT OF BENEFITS

On termination of service, participant accounts with vested benefits less than $5,000 will be distributed in a lump sum. For accounts with vested benefits greater than $5,000, a participant may elect to receive a single sum distribution or annuity payments of all vested amounts.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

FORFEITURES

The Plan normally has no forfeitures as all accounts are 100% vested at all times.

ADMINISTRATIVE EXPENSES

Administrative expenses recorded in the Plan represent custodial fees and other third-party administration fees paid directly from the Plan to the respective service provider. The Company pays the administrative costs of the Plan associated with any professional services provided to the Plan, and the cost of communications to the participants. Administrative expenses recorded in the Plan represent fees and other recordkeeping fees paid directly from the Plan to the Plan's custodian and administrator. The Plan paid $88,496 in administrative expenses in 2021.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting.

NOTES RECEIVABLE FROM PARTICIPANTS

Loans to participants are reported at their unpaid principal balances plus accrued but unpaid interest.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value except for its guaranteed interest accounts which are valued at contract value with an insurance company. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at the year end.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 3 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were accounts managed by Transamerica. Transamerica was the custodian of the Plan, and, therefore, these transactions qualified as party-in-interest transactions. In addition, in as much as auditing and plan administration services are paid directly by the Plan, these services are also deemed to be party-in-interest transactions.

Also, certain administrative functions have been performed by the Plan sponsor, Foothill Packing, Inc. There has not been a value calculated for these costs, and therefore the Plan has not been charged for these costs.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants would receive benefits under the Plan based on their vested account balance accumulated to the date of the termination of the Plan. Termination of the Plan could occur before attaining normal retirement age.

NOTE 5 – RISKS AND UNCERTAINTIES

Investments include pooled separate accounts comprised mostly of underlying mutual funds of debt and equity securities (bonds and common stocks). Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Effective January 1, 2009, the Plan was amended to allow 401(k) safe harbor provisions. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 7 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than the quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurement: The fair value is based on quoted prices for identical assets in active markets that are held by the Plan at year end.

Level 2 Fair Value Measurements: The fair value is based on quoted prices of similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and inputs other than quoted prices that are observable for the asset.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

December 31, 2021	Fair Value	Level 1	Level 2	Level 3
Pooled separate accounts	$ 1,518,867	$ 0	$ 1,518,867	$ 0
Mutual funds	9,477,806	9,477,806	0	0
Total assets at fair value	$ 10,996,673	$ 9,477,806	$ 1,518,867	$ 0

December 31, 2020	Fair Value	Level 1	Level 2	Level 3
Pooled separate accounts	$ 1,297,403	$ 0	$ 1,297,403	$ 0

Total assets at fair value	$ 9,251,891	$ 7,954,488	$ 1,297,403	$ 0

Gains and losses, realized and unrealized, included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

NOTE 8 – INVESTMENTS

During the year 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) increased in value by $1,198,470 as follows:

Pooled separate accounts	$ 15,477
Mutual funds	1,182,993
	$ 1,198,470

NOTE 9– INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE
