INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Plan Administrator of
The Mayflower Retirement Community, Inc.
403(b) Plan
Winter Park, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Mayflower Retirement Community, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Board of Directors and Plan Administrator of
The Mayflower Retirement Community, Inc.
403(b) Plan

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Board of Directors and Plan Administrator of
The Mayflower Retirement Community, Inc.
403(b) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Board of Directors and Plan Administrator of
The Mayflower Retirement Community, Inc.
403(b) Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 14, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of The Mayflower Retirement Community, Inc. 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan, which was established on January 1, 1998, and subsequently amended, is classified as a defined-contribution plan, covering all employees of Mayflower Retirement Center, Inc. (the “Company”). The purpose of the Plan is to reward eligible employees of the Company for long and loyal service by providing them with retirement benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may elect to contribute a percentage of their compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”) rules and limitations. The Company makes matching contributions of 50% of the participant’s elective deferrals that do not exceed 6% of a participant’s compensation. A participant must complete one year of service (at least 1,000 hours), satisfy an entry date on January 1 or July 1, and be at least 18 years of age to be eligible to receive Company contributions. The Company may also make discretionary contributions to the Plan each year. There were no discretionary contributions made during 2021.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s contribution, and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct their account balance among any of the Plan’s investment options held by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (“Principal”). Participants may change their investment options at any time, with certain exceptions. The Plan has approximately \$8,300 and \$7,900 in investments held by MetLife Insurance Company (“MetLife”) at December 31, 2021 and 2020, respectively. Plan investments with MetLife are frozen with the only activity being investment earnings, fees, and distributions.

NOTE 1 - DESCRIPTION OF PLAN (Continued)**Vesting**

Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the remainder of their account is based on years of service, as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts are used to reduce Company contributions. The forfeiture accumulation account, which consists of the unused balance of terminated participants' non-vested employer contributions, approximated \$-0- at both December 31, 2021 and 2020. During the year ended December 31, 2021, approximately \$5,000 of forfeited account balances were used to reduce Company matching contributions remitted to the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. These participant loans are classified as notes receivable from participants. The loan balance is collateralized by the balance of the participant's interest in the Plan. Loans bear a fixed rate of interest equal to the prime rate plus 1% and have terms that range from one to five years, or up to 15 years for the purchase of a primary residence. Principal and interest is paid ratably through biweekly payroll deductions. Participants can only have one outstanding loan at a time.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive either a lump-sum payment equal to the value of the participant's vested interest in their account, or installments or annuity payments over a fixed period of time, not to exceed the life expectancy of the participant/designated beneficiary. Upon termination of service, for reasons other than death, disability, or retirement, a participant may receive a lump-sum payment equal to the vested value of their account. As of December 31, 2021 and 2020, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value and are valued using a market valuation basis at the reported closing net asset value ("NAV") of the funds on the last business day of the Plan year. NAV is based on the fair market value of the funds' underlying investments, less any fund liabilities.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation/depreciation in the fair value of the Plan's investments include the Plan's gains and losses on investments bought and sold, as well as the unrealized gains and losses on those investments that are held at the end of the year.

Investment contracts held by the Plan are required to be reported at fair value, except for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts. Contract value is deemed to be the relevant measurement attribute for those contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested income, less any withdrawals, plus accrued interest. The Plan's investments in insurance company general accounts are stated at contract value (see Note 4).

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Risk

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements, based on information provided by Principal and MetLife (the "Plan Custodians"). The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance, plus accrued but unpaid interest. If collection of a notes receivable is deemed doubtful, the amount is recognized as a distribution in the period the determination is made.

Payment of Benefits

Benefits to participants are recorded when paid.

Administrative and Investment Expenses

Certain administrative costs are paid by the Plan and are allocated to the individual participant accounts in accordance with the Plan document. Investments fees, commissions, and other related fees are netted against net appreciation/depreciation in fair value of investments. The Company has elected to pay certain administrative expenses on behalf of the Plan.

Plan Certification

The Plan Custodians hold the Plan's investments and execute all investment transactions. All investment and participant note information disclosed in the financial statements and supplemental schedule, including investments and participant notes held at December 31, 2021 and 2020, net appreciation in fair value of investments, and interest and dividends (including interest on notes receivable from participants) for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodians.

Subsequent Events

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through October 13, 2022, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2021 and 2020:

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investments:				
Mutual Funds	\$ 7,802,710	\$ -	\$ -	\$ 7,802,710
Investments at fair value	\$ 7,802,710	\$ -	\$ -	\$ 7,802,710
December 31, 2020				
	Level 1	Level 2	Level 3	Total
Investments:				
Mutual Funds	\$ 7,773,279	\$ -	\$ -	\$ 7,773,279
Investments at fair value	\$ 7,773,279	\$ -	\$ -	\$ 7,773,279

There were no transfers of investment classification among fair value levels during the year ended December 31, 2021.

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

Investments in the insurance company general accounts are held in the MetLife Fixed Account Option (“MetLife FAO”) and the Principal Life Fixed Income Guaranteed Option (“Principal Life FIGO”), and both are fully benefit-responsive annuity contracts issued by the respective Plan Custodians. The annuity contracts meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents the face value of the contracts, plus interest at the contract rates, less administrative fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, withdrawals influenced by Company-initiated events, such as reallocation of investments, may result in a distribution at other than contract value and are subject to certain restrictions. The Plan’s ability to receive amounts due in accordance with fully benefit-responsive contracts is dependent on the contract issuer’s ability to meet its financial obligations. There are no reserves against recorded value for credit risk of the contract issuer or otherwise.

Under the terms of the MetLife FAO, the crediting interest rate for the annuity contract is reset annually on January 1. The contract interest rate is determined by MetLife and is based on interest rates and current yields of similar types of debt instruments, regulatory and tax requirements, economic trends, and other competitive factors, but cannot be less than 3%. The crediting interest rate of the contract for each of the years ended December 31, 2021 and 2020 was 3.5%.

The crediting interest rate for the Principal Life FIGO is based on a formula agreed upon with the issuer, which is reset on a semiannual basis. The crediting interest rate of this contract was 1.55% and 1.60% for the years ended December 31, 2021 and 2020, respectively.

NOTE 5 - INCOME TAX STATUS

The Plan administrator believes that the Plan is qualified under Section 403(b) of the IRC and is, therefore, exempt from federal income taxes. The Plan administrator also believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 6 - PARTY-IN-INTEREST

During 2021, certain Plan investments were managed by the Plan Custodians and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
