Independent Auditor's Report

Plan Administrator
People's Health Centers Salary & Savings Plan
St. Louis, Missouri

Opinion

We have audited the financial statements of Peoples Health Centers Salary & Savings Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Plan Administrator
People's Health Centers Salary & Savings Plan
Page 3

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

People's Health Centers Salary & Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: Description of the Plan

General

The following description of People's Health Centers Salary & Savings Plan ("Plan") provides only general information. Participants should refer to the Plan Document, *Summary Plan Description* and Adoption Agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by Betty Jean Kerr - People's Health Centers, Inc. (the "Sponsor") for the benefit of its employees. Amanda Luckett Murphy Hopewell Center, Inc. and People's Community Action Corporation are related employers who also participate in the Plan. Employees are eligible to make salary deferral elections and are eligible for employer matching contributions once they have provided at least one year of service, have provided at least 1,000 hours of service and are age 21 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* ("ERISA"). Capital Group Retirement Plan Services (formerly American Fund Distributors, Inc.) serves as the Plan's third-party administrator and Capital Bank and Trust Company serves as the Trustee and Custodian of the Plan.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Sponsor make annual contributions of up to 100% of eligible compensation. Employee rollover contributions are also permitted. The Sponsor makes a safe harbor contribution matching 100% of employees' salary deferral amounts up to 3% of employees' compensation, plus 50% of deferrals that exceed 3% of employees' compensation not to exceed 5% of employees' compensation. Contributions are subject to certain limitations.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing their contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Sponsor's contribution, and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

People's Health Centers Salary & Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Vesting

Participants are immediately vested in their voluntary contributions and employer safe harbor contributions plus earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions.

In 2020, the Plan Sponsor ("Company") adopted the *Coronavirus Aid, Relief, and Economic Security Act* ("CARES Act") provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100% of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans, plus the suspension period.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or ad-hoc distributions subject to any reasonable limits the Plan Administrator may impose. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

In 2020, the Company implemented CARES Act provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants are permitted to take a CRD of up to \$100,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$12,273 and \$10,364, respectively. These accounts will be used to reduce future employer contributions/reallocated to participants in the same manner as employer contributions. Also, in December 31, 2021 and 2020, employer contributions were reduced by \$3,067 and \$1,638, respectively, from forfeited nonvested accounts.

Notes to Financial Statements

December 31, 2021 and 2020

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Quoted market prices, if available, are used to value investments. Mutual funds and the money market fund are valued at the net asset value (NAV) of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid balance. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Sponsor or the Plan, at the Sponsor's discretion.

Note 3: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets

Notes to Financial Statements

December 31, 2021 and 2020

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets

Level 3 Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020.

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Money Market Fund	1,229,202	1,229,202	-	-
	<u>\$ 10,319,523</u>	<u>\$ 10,319,523</u>	<u>\$ -</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy. Level 1 investments include mutual funds and the money market fund. There are no Level 2 or Level 3 investments.

Note 4: Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, a person who owns 50% or more of such an employer or relatives of such persons.

Certain Plan investments are managed by Capital Group Retirement Plan Services (formerly American Fund Distributors, Inc.). Capital Group Retirement Plan Services is the third-party administrator and, therefore, these transactions qualify as party-in-interest transactions.

The Plan incurs expenses related to general administrative and record keeping. The Sponsor provides certain administrative services at no cost to the Plan and pays accounting and audit fees.

Note 5: Plan Amendments

Effective May 18, 2021, the Plan was amended to exclude bonus payments from eligible compensation.

Note 6: Plan Terminations

Although it has not expressed an intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

Note 7: Plan Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a defined contribution pre-approved plan sponsored by Capital Group Retirement Plan Services (formerly American Fund Distributors, Inc). This pre-approved plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and therefore not subject to tax.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.
