Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Lang Masonry Contractors, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2021 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 14, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Description

The following description of the Lang Masonry Contractors, Inc. (Plan Sponsor) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time, non-union employees of Lang Masonry Contractors, Inc., EZ Grout Corporation, Wolf Creek Contracting Company, LLC, Malta Dynamics, Watertown Enterprise, LLC, and Buckeye Construction and Restoration Ltd (the Company) who have completed three months of service and are age 18 or older. Effective October 1, 2021, the Plan Sponsor acquired 3 Promise Labor Services LTD and amended the Plan to include the employees of 3 Promise Labor Services LTD. As part of this amendment, all employees that were employed with 3 Promise Labor Services LTD prior to the acquisition were allowed to use aggregate length of service for eligibility and matching purposes. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 90% of pretax annual compensation as defined in the Plan agreement and as allowable by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Company makes safe harbor matching contributions equal to 100% of the first 3% of employee deferrals plus 50% of deferrals between 3% and 5% during 2021 and 2020. The safe harbor matching contributions during 2021 and 2020 of \$617,828 and \$534,852, respectively. Additionally, the Company may contribute a discretionary profit sharing contribution to each eligible participant. There was no discretionary profit sharing contribution in 2021 or 2020. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) forfeitures and (c) the participant's share of Plan earnings and charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Description (continued)

Vesting

Participants are immediately vested in their own contributions and the Company's safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution portion of their accounts, plus actual earnings, is based on continuous years of service according to the following vesting schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their individual accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime rates plus 1%. Principal and interest are paid ratably through weekly payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant's vested account balance shall be distributed pursuant to elections determined by the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also provides for in-service distributions of a participant's vested interest in his or her account for employees who reach age 59 ½ while still employed with the Company. Hardship distributions are permitted by the plan document.

Administrative Expenses

Expenses incurred in connection with the administration of the Plan are paid by the Plan to the extent not paid by the Company.

Forfeited Accounts

Forfeitures are allocated to all participants eligible to share in the allocations of profit sharing contributions in the same proportion that each participant's compensation for the plan year bears to compensation of all participants for such year.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional disclosure regarding fair value of investments, see the *Fair Value Measurements* footnote herein.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recognized on the ex-dividend date and interest is recognized on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

CARES Act

In March 2020, Congress signed into law the "Coronavirus Aid, Relief, and Economic Security (CARES) Act." The CARES Act, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to plan participants under CARES Act and implemented the following provisions for 2020:

- Emergency coronavirus distributions up to \$100,000
- Loan repayments suspension and extension of loan term up to one year
- Loan limit was increased to \$100,000 for loans made from March 27, 2020 through September 22, 2020
- Suspension of Required Minimum Distributions for 2020

Information Prepared and Certified by Investment Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Great-West Life & Annuity Insurance Company (Great-West) the trustee of the Plan in 2021 and 2020.

	2021	2020
Mutual funds	\$ 16,247,538	\$ 12,815,072
Fixed annuity	226,587	204,551
Notes receivable from participants	216,712	171,444
Total	<u>\$ 16,690,837</u>	<u>\$ 13,191,067</u>

The trustee also certified to the completeness and accuracy of \$1,223,272 and \$1,215,136 of net appreciation in fair value of investments, interest and dividend income of \$823,566 and \$410,982 related to the aforementioned assets and interest income of \$7,925 and \$6,436 related to notes receivable from participants for the years ended December 31, 2021 and 2020, respectively.

Fair Value Measurements

GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 Inputs are significant unobservable inputs for the asset or liability.

LANG MASONRY CONTRACTORS, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the net asset value of shares held by the Plan at year-end.

Fixed Annuity: Valued at reported value for the fixed annuity options provided by the annuity provider.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds in the fair value hierarchy	\$ 16,247,538	\$ -	\$ -	\$ 16,247,538
Fixed annuity	-	226,587	-	226,587
Total assets at fair value	\$ 16,247,538	\$ 226,587	\$ -	\$ 16,474,125

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds in the fair value hierarchy	\$ 12,815,072	\$ -	\$ -	\$ 12,815,072
Fixed annuity	-	204,551	-	204,551

Notes to Financial Statements

December 31, 2021 and 2020

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Tax Status

The Company has adopted a Prototype Non-standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement, which has received a favorable opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020. The opinion letter stated the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan was qualified and the related trust was tax exempt as of December 31, 2021 and 2020, and no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Party-in-Interest Transactions

Certain plan investments are managed by Great-West in 2021 and 2020; therefore, these transactions qualify as party-in-interest. Additional fees were paid to Northwestern Mutual Investment Services for investment advisory services, Great-West for recordkeeping services and Metro Benefits, Inc. for third-party administration of the Plan and therefore, these transactions qualify as party-in-interest. Fees paid by the plan amounted to \$100,700 and \$73,577 during 2021 and 2020, respectively.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such change could materially affect participants' account balances and the amounts reported in the accompanying 2021 statement of net assets available for benefits.

Subsequent Events – Date of Management's Evaluation

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date the financial statements were available to be issued.
