LOGRHYTHM, INC. 401(K) PLAN
FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020
AND YEAR ENDED DECEMBER 31, 2021

Independent Auditor's Report

To the Administrative Committee of
LogRhythm, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of LogRhythm, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of LogRhythm, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LogRhythm, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LogRhythm, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LogRhythm, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of LogRhythm, Inc. 401(k) Plan, Schedule H, Line 4I – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LOGRHYTHM, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS

(1) Description of Plan

The following description of the LogRhythm, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of LogRhythm, Inc. (the “Company” and the “Plan Sponsor”), who are age twenty-one or older, excluding union, non-resident alien, leased, part-time, seasonal, or temporary employees. Part-time, seasonal, or temporary employees who complete 1,000 hours of service within the 12-month period beginning on the Employees’ Employment Commencement Date are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

CARES Act provisions

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law. The CARES Act expanded the ability of certain 401(k) plan participants to withdraw, penalty free, funds from their vested retirement plan accounts up to \$100,000, increased the participant loan limit to \$100,000, and delayed loan repayments for up to one year, subject to certain participant eligibility criteria. The Plan adopted these provisions of the CARES Act.

Contributions

Each year, participants may contribute up to the maximum amount allowed under the law based on pre-tax annual compensation, as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers a fixed interest investment option, a common collective trust, and various mutual funds as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Unless changed by the participant, the automatic deferral percentage will increase at the rate of 1% per year as of the first day of the second Plan year up to a maximum deferral of 10%.

The Company may make discretionary matching and profit-sharing contributions to the Plan. Matching contributions for the year ended December 31, 2021 were \$1,268,181. Matching contributions are invested as directed by the participant. There were no discretionary profit-sharing contributions during 2021. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

Participant accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

LOGRHYTHM, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS

(1) Description of Plan (continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing and matching contributions is based on years of continuous service. A participant is 33% vested after one year, 66% vested after two years, 100% vested after three years of credited service.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account. In 2021 and 2020, the annual loan interest rates were between 4.25% - 6.50%. Principal and interest is paid ratably through semi-monthly payroll deductions.

The Plan adopted the temporary increase on maximum plan loan limits from the lesser of \$50,000 or 50% of their vested account balance to the lesser of \$100,000 or 100% of their vested account balance. These limits applied to loans made from March 27, 2020 through September 23, 2020. Relief from plan loan repayments for any individual with an outstanding plan loan having a repayment due date between March 27, 2020 and December 31, 2020. These suspended loan repayments can be delayed for up to one year longer than the original term of the loan.

Payment of benefits

On termination of service due to death, disability, retirement, or severance of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a direct rollover to another qualified retirement plan. In addition, hardship and in-service distributions are permitted if certain criteria are met. Corrective distributions are paid in the event a participant makes excess contributions during the year.

Forfeited accounts

As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$0. Forfeitures from non-vested accounts may be used to pay Plan administrative expenses. In 2021 and 2020, \$182,223 and \$144,379 administrative expenses were paid from forfeited nonvested accounts, respectively. As of December 31, 2020 the Plan had \$32,439 in excess contributions payable relating to employer match contributions made during the year ended December 31, 2020. This payable was contributed to the forfeiture account and utilized against Plan administrative expenses during the 2021 Plan year.

(2) Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan were prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Significant estimates include the fair value of Plan investments.

LOGRHYTHM, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS

(2) Summary of Significant Accounting Policies (continued)

Investments

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because the contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Payment of benefits

Benefits are recorded when paid. As of December 31, 2021, distributions requested but not paid to withdrawing participants were \$0. The Plan adopted the CARES Act provision relating to distributions. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The distributions are not subject to the 10% early withdrawal penalty tax and the individuals are permitted to either report the full distribution as income for 2020 or as income ratably over a three-year period.

Investment valuation and income recognition

The Plan's mutual fund investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Plan administrative fees and investment advisor fees are also included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

LOGRHYTHM, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS

(3) Summary of Information Certified by the Custodian

The following information, which is included in the financial statements, has been certified by Empower Retirement, LLC (“Empower”) for the year ended December 31, 2021 and Massachusetts Mutual Life Insurance Company (“MassMutual”) for the year ended December 31, 2020:

- Investments at fair value
- Investment at contract value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Dividend income
- Interest income on notes receivable from participants
- Interest income on guaranteed investment contract
- Schedule of assets (held at end of year)

(4) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value, there have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

LOGRHYTHM, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS

(4) Fair Value Measurements (continued)

Collective Investment Trust Funds

The Putnam Large Cap Value Common Investment Trust (the “CIT Fund”) is a collective investment trust fund that is valued at the net asset value of the CIT Fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount difference from the reported NAV. NAV is determined by the issuer based on the fair value of the underlying investments. Participants can ordinarily direct the withdrawal or transfer of all or a portion of their investment without penalty. The CIT Fund invests in U.S. and international stocks and bonds and is designed for investors seeking long-term growth with moderate risk. This fund is a direct filing entity.

The CIT Fund is not a mutual fund and is not registered with the Securities and Exchange Commission. An investment in this CIT Fund may lose value and is not guaranteed by any governmental agency, or other financial institution. Units of beneficial interest in this Fund are not registered under the Securities Exchange Act of 1933 in reliance on an exemption under that Act for interests in a collective trust fund maintained by a bank for certain types of employee benefit trusts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 39,995,036	\$ -	\$ -	\$ 39,995,036
Common collective trust at net asset value	-	210,658	-	210,658
Investments at fair value	\$ 39,995,036	\$ 210,658	\$ -	\$ 40,205,694
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 36,100,086	\$ -	\$ -	\$ 36,100,086
Investments at fair value	\$ 36,100,086	\$ -	\$ -	\$ 36,100,086

(5) Fully Benefit Responsive Investment Contract

The Capital Preservation Account is a traditional investment contract and meets the fully benefit responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents the contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

LOGRHYTHM, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS

(5) Fully Benefit Responsive Investment Contract (continued)

The investment contract is recorded on the Statement of Net Assets Available for Benefits as investment at contract value. This investment option allows the Plan Sponsor to withdraw the contract value after a deferral period of up to 12 months.

(6) Tax Status

The Internal Revenue Service (IRS) has issued an opinion letter on the non-standard pre-approved plan dated June 30, 2020, which states that the plan document is in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes that the Plan, as amended, is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and that the related trust is tax exempt.

(7) Related Party Transactions and Party in Interest Transactions

Certain Plan investments are shares of funds managed by Empower. Empower is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation or depreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the Third Party Administrator totaling \$235,332 which was not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations.

(8) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(9) Commitments, Contingencies, Risks and Uncertainties

Risk

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

COVID-19 Uncertainty

In March 2020, the World Health Organization declared a global pandemic as it relates to COVID-19. The spread of COVID-19 appears to be altering the behavior of businesses and people in a manner that is having negative effects on global and local economies. The Plan Sponsor is closely monitoring the impact of COVID-19 on operations. The financial statements do not include adjustments relating to this pandemic.

LOGRHYTHM, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS

(10) Subsequent Events

In May 2022, the Plan amended and restated provisions of the Summary Plan Description. The primary changes relate to the Plan's hardship distribution policy, effective May 1, 2022.

The plan has evaluated subsequent events through the date of the auditor's report, the date the financial statements were available to be issued.
