Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Qantas Airways Limited Capital Accumulation Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section.

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Qantas Airways Limited Capital Accumulation Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Qantas Airways Limited Capital Accumulation Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Qantas Airways Limited Capital Accumulation Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Qantas Airways Limited Capital Accumulation Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, schedule H, line 4(a) – schedule of delinquent participant contributions for the year ended December 31, 2021 and schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2021, are presented for purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from

the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Qantas Airways Limited Capital Accumulation Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Qantas Airways Limited Capital Accumulation Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 Description of Plan

The following brief description of the Qantas Airways Limited Capital Accumulation Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

General

The Plan is a defined contribution plan covering all full-time participants of the Company based in the United States who have completed 90 days of service. Participants of the Company's subsidiaries are not eligible to participate in the Plan. Qantas Airways Limited (the Company) is the Plan Sponsor. The Company is an Australian corporation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan's investments are in the custody of Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company. Principal Life Insurance Company performs recordkeeping for the Plan.

Contributions

Each year, participants may contribute up to 100% of pretax base compensation, as defined in the Plan. In addition, employees may elect to contribute up to 100% of their post-tax salary. Participants may also roll over amounts representing distributions from other qualified plans. Contributions are subject to certain limitations determined by the Internal Revenue Service (IRS).

The Company matches participant contributions equal to 100% of a participant's salary deferral that does not exceed 4% of eligible compensation. These safe harbor matching contributions are fully vested and are referred to as an enhanced matching contribution.

Effective January 1, 2018, the Plan was amended to include a discretionary profit sharing contribution. The profit sharing contribution is effective for participants who have at least three months of service and are employed on the last calendar day of the year. The discretionary profit sharing contributions are fully vested. In 2018, the Plan Sponsor made a profit sharing contribution amounting to \$1,800,000, of which \$462,570 and \$212,790 was allocated to eligible plan participants in 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contributions allocated to the participant, and allocations of Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 Description of Plan (continued)

Vesting

Participants are immediately vested in both their contributions plus actual earnings thereon and the employer matching contribution.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the excess, if any, of their highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date of the new loan over their current outstanding balance of loans as of the date of the new loan or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 6.50%, which are commensurate with local prevailing rates at the time the loans are initiated, as determined periodically by the Plan Administrator. In addition, loan terms range from one to five years or up to thirty years for the purchase of a primary residence. Principal and interest are paid ratably through biweekly payroll deductions. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance could be deemed a distribution from the Plan and a benefit payment recorded. Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. The Plan allowed participants to borrow up to \$100,000 for loans made from March 27, 2020 through September 22, 2020 under the CARES Act.

Investment Options

A participant may direct contributions to any of the investment options offered by the Plan through Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company.

Participants may change their investment options at any time.

Payment of Benefits

Upon termination of service for any reason, a participant (or the participant's beneficiary) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or one of several annuity options.

CARES Act

During March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), which included several relief provisions available to tax qualified retirement plans and their participants. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan Document. During April 2020, the Plan adopted and implemented all the provisions of the CARES Act.

Note 2 Summary of Significant Plan Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Trustee to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosures of contingent assets and liabilities. The Plan Administrator believes the estimates used in preparing the financial statements are reasonable and prudent. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as reported to the Plan by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The costs of administering the Plan, other than individual account transaction charges, are paid by the Plan Sponsor and are not included in the financial statements.

Note 3 Party-in-Interest Transactions

Plan investments are shares of a mutual fund and common collective trusts managed by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan, and therefore, these transactions qualify as party-in-interest. Participant loans are also party-in-interest transactions.

Note 4 Information Prepared and Certified by the Plan's Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends and interest income on notes receivable from participants for the year ended December 31, 2021 was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the Trustee of the Plan.

	<u>2021</u>	<u>2020</u>
Common collective trusts	<u>\$ 21,830,605</u>	<u>\$ 19,214,722</u>
Mutual fund	<u>\$ 1,668,390</u>	<u>\$ 2,680,222</u>
Notes receivable from participants	<u>\$ 334,689</u>	<u>\$ 302,795</u>
Net appreciation in fair value of investments	<u>\$ 2,901,417</u>	
Dividends	<u>\$ 199</u>	
Interest income on notes receivable from participants	<u>\$ 13,607</u>	

Note 5 Common Collective Trusts

The Plan invests in fully benefit-responsive common collective trusts. The fair value of common collective trusts is based on the net asset value per share. The following table summarizes those investments for the years ended December 31, 2021 and 2020:

<u>Year</u>	<u>Fair Value</u>	<u>Uncommitted Funds</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
December 31, 2021	\$21,830,605	N/A	Daily	N/A
December 31, 2020	\$19,214,722	N/A	Daily	N/A

Note 6 Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive market;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual fund – Valued at the daily closing price as reported by the fund. The mutual fund held by the Plan is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily net asset value (NAV) and to transact at that price. The mutual fund held by the Plan is deemed to be actively traded.
- Common collective trusts – Valued at the NAV of units of the collective investment trust held by the Plan at year end. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Note 6 Fair Value Measurement (continued)

There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	Assets at Fair Value as of December 31, 2021

Total investments at fair value				<u>\$ 21,894,944</u>

Note 7 Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event that the Plan terminates, participants' accounts are subject to the distribution options contained within the Plan.

Qantas Airways Limited Capital Accumulation Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 8 Tax Status

The Plan obtained its latest determination on March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan was amended and restated effective January 1, 2016 to conform the Plan to new tax laws. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

Note 9 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Given recent volatility in financial markets, the values of the Plan's individual investments have and will continue to fluctuate in response to changing economic and market conditions and therefore it is reasonably possible that investment values could decline significantly in subsequent periods.

Note 10 Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2021 to Schedule H of Form 5500:

Net assets available for benefits per financial statements	\$ 23,858,419
Employer contributions receivable	<u>(22,683)</u>

Note 10 Reconciliation of Financial Statements to Form 5500 (continued)

The following is a reconciliation of the net increase in net assets available for benefits in the statement of changes in net assets available for benefits for the year ended December 31, 2021 to Schedule H of Form 5500:

Net increase in net assets available for benefits per financial statements	\$ 1,620,699
Additional employer contributions receivable at December 31, 2021	<u>(22,683)</u>
Net increase in net assets available for benefits per Schedule H, Form 5500	<u>\$ 1,598,016</u>

Note 11 Nonexempt Party-In-Interest Transactions

The Company remitted certain participant contributions and repayment of notes receivable from participants totaling \$34,074 for the years ended December 31, 2021 and 2020 to the Plan later than required by DOL Regulation 2510.3-102. Subsequent to year end, the Company has remitted the investment earnings to the Plan on the late deferrals of \$1,805 for 2021 and \$1,352 for 2020. The Company has not commenced procedures to remit the investment earnings to the Plan on the late deferrals of \$30,917. The amount of investment earnings, had the participant contributions been remitted on a timely basis, is not material to these financial statements and has not been recorded as a receivable as of December 31, 2021.

Note 12 Subsequent Events

The Plan's management has evaluated subsequent events through October 13, 2022, the date the financial statements were available for issuance.

The Plan was restated effective July 1, 2022 adopting a pre-approved plan provided by Principal Life Insurance Company. Principal Life Insurance Company obtained an opinion letter dated June 30, 2020 from the IRS which states the form of the pre-approved plan is acceptable under the applicable sections of the IRC.
