## **Report of Independent Auditors**

To the Trustees of the  
Omnyon Retirement Savings Plan  
Odenton, Maryland

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed the audit of the accompanying financial statements of Omnyon Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Omnyon Retirement Savings Plan's financial statements performed in accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Omnyon Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Omnyon Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Omnyon Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Omnyon Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, amount other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Part IV, line 4i – Schedule of Assets Held (At End of Year) for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplement schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplement schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Omnyon Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**OMNYON RETIREMENT SAVINGS PLAN**  
**Notes to Financial Statements**  
**December 31, 2021 and 2020**

**Note 1 - Description of Plan**

The following description of the Omnyon Retirement Savings Plan, (the “Plan”), provides only general information. Participants should refer to the Plan agreement or the summary plan description for a more complete description of the Plan’s provisions.

**General**

The Plan, established July 1, 2013, is a defined contribution plan covering all employees of Omnyon (the “Company”) who have completed three months of service and have reached the age of twenty-one. The most recent amendment to the plan was effective July 1, 2021. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

The Plan provides for both pre-tax, ROTH, and catch-up participant contributions up to 100% of annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company provides for safe harbor enhanced matching contributions in the amount equal to 1000% of each participant’s elective contributions up to 6% of the participant’s compensation. The Company also has the option to make discretionary contributions, which are determined annually by the Company’s Board of Directors. During the years ended December 31, 2021 and 2020, the Company did not approve any employer discretionary contributions.

**Participant accounts**

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contribution and, (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan. Forfeited balances of terminated participants’ non-vested accounts are used to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also immediately vested in the Company’s safe harbor matching contributions plus actual earnings thereon.

**Investment options**

Upon enrollment in the Plan, participants may direct the administrator of the Plan as to the investment of their account balances in accordance with guidelines established by the Plan.

**Note receivable from participants**

Participants may borrow from their Plan accounts, up to two loans outstanding at a time. Loan terms cannot exceed five years, unless proceeds are used to acquire a principal residence. The loan amount cannot exceed fifty percent of the vested balance and must be made for at least \$1,000 but less than \$50,000. The loans are secured by the vested balance in the participant’s account and bear interest at a commercially reasonable rate established by the Plan administrator. Principal and interest are paid ratably through payroll deduction.

**OMNYON RETIREMENT SAVINGS PLAN**  
**Notes to Financial Statements**  
**December 31, 2021 and 2020**

**Note 1 - Description of Plan (continued)**

**Payment of benefits**

Distribution of the vested portion of a participant's account will occur upon the participant's termination of service, death, disability or retirement, as defined by the Plan. A participant is entitled to receive a lump sum payment in an amount equal to the vested value of their account or installments over a period of not more than his or her assumed life expectancy.

The Plan does have a provision allowing for an earlier distribution of the vested portion of a participant's account in the event of a financial hardship. These hardship withdrawals are subject to Internal Revenue Code restrictions and penalties. The plan also allows participants to receive distributions of all or any portion of their accounts without terminating employment upon attainment of age 59 ½.

**Forfeitures**

Forfeitures can be used to offset employer contributions or administrative expenses. At December 31, 2021 and 2020, the forfeited nonvested account balances were \$-0-. For the years ended December 31, 2021 and 2020, forfeitures of \$11 and \$-0- were used to reduce employer matching contributions.

**Note 2 - Summary of Accounting Policies**

**Basis of accounting**

The financial statements of the Plan are prepared under the accrual method of accounting.

**Investment valuation and income recognition**

The Plan's registered investments are stated at fair value. Shares of mutual funds, managed by Ascensus Trust Company, are based on quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**Participant notes receivable**

Participant notes receivables are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Interest income on participant loan receivables is recognized in the period in which it is earned and is recorded as interest income on the statements of changes in net assets available for benefits.

**Administrative expenses**

Administrative expenses are paid by the Company. Contract administration fees and third-party service fees incurred by the Plan are paid by the Plan.

**Payment of benefits**

Benefits are recorded when paid.

**Note 2 - Summary of Accounting Policies (continued)**

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**Concentration of credit risk**

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Note 3 – Fair Value Measurements**

FASB ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used in December 31, 2021 and 2020.

*Registered investment accounts* – Valued at quoted net asset values of the shares actively traded on the market held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 4 – Party-In-Interest Transactions**

Plan investments are assets managed by Ascensus Trust Company, the trustee and custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees of \$18,806 and \$16,812 were paid to Ascensus Trust Company during the years ending December 31, 2021 and 2020.

Account balances for key management and trustees of the Plan amounted to approximately 5% and 6% of the net assets of the Plan as of December 31, 2021 and 2020.

**Note 5 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**Note 6 – Tax Status**

The Internal Revenue Service has determined and informed the Plan's third-party administrator by a letter dated June 30, 2021, that the standardized prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, no uncertain positions are taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

**Note 8 – Excess Contributions**

During the years ending December 31, 2021 and 2020, there were excess employer contributions of \$-0- and \$727 to the plan.

**Note 9 – Covid update**

The Plan's operations may be affected by ongoing impact of the coronavirus disease 2019 (COVID-19) which was declared a pandemic by the World Health Organization in March 2020. COVID-19 has led to increased short-term market volatility and may have adverse long-term effects on U.S. and world economies and markets in general. The ultimate disruptions which may be caused by the outbreak is uncertain; however, it may result in a material adverse impact on the Plan's fair value of investments. The Plan and Plan Sponsor continue to monitor developments including government requirements and recommendations at the national, state and local level to evaluate business decisions.

**Note 10 - Subsequent events**

The Plan has evaluated subsequent events through October 12, 2022, the date the report is available for issuance. No events requiring disclosure were noted.
