Independent Auditors' Report

Retirement Plan Committee and Plan Administrator
Genesis OB/GYN, P.C. 401(k) Profit Sharing Plan and Trust
Tucson, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Genesis OB/GYN, P.C. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Genesis OB/GYN, P.C. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Genesis OB/GYN, P.C. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Genesis OB/GYN, P.C. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Genesis OB/GYN, P.C. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Genesis OB/GYN, P.C. 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information was presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

General:

The sponsor of the Plan is Genesis OB/GYN (the Sponsor). The Plan is a defined contribution plan covering substantially all employees of the Sponsor who have completed one year of service (minimum of 1,000 hours) and are at least 21 years of age. Each participant is entitled to contribute to his or her own account by payroll deduction. A committee consisting of employees of the Sponsor is responsible for overseeing the Plan. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2021, the Sponsor elected to transfer administrative and custodial services from Newport Group, Inc. and Newport Trust Company (Newport) to MVP Plan Administrators, Inc., (MVP) and Charles Schwab Trust Bank (Schwab) effective January 19, 2021. All assets and liabilities associated with the Plan and participants' accounts were transferred to Schwab as of the effective date.

Amendments and restatement:

The Plan was amended and restated effective January 1, 2021 to comply with all legislative and regulatory changes passed prior to February 1, 2017, as required by the Internal Revenue Service (IRS). There were no significant changes as a result of this restatement.

Participant contributions:

Under the 401(k) provisions of the Plan, participants may elect to defer a portion of their pre-tax annual compensation up to current statutory limits determined annually and prescribed by the IRS. A participant may also elect to have all or a portion of their elective deferrals treated as Roth elective deferrals when contributed to the Plan. Roth elective deferrals are includible in the participant's gross income at the time deferred and must be irrevocably designated as Roth elective deferrals. The Plan also permits eligible participants to make additional voluntary contributions of qualified rollovers from other retirement plans.

Employer contributions:

The Plan provides for safe harbor contributions annually. In addition, the Sponsor may also elect to make an additional discretionary contribution. For 2021, the Sponsor elected to make a safe harbor nonelective contribution of 3% of the participant's compensation and a discretionary nonelective contribution between 2% and 10.28% of an eligible participant's compensation. Employer contributions are invested in the same funds and increments as directed by the participant for the participant's contributions.

1. Description of plan (continued):

Vesting:

Participants are immediately vested in their elective deferral contributions, safe harbor contributions, and any rollover contributions made to the Plan, plus actual earnings thereon. Vesting in the employer's discretionary matching and fixed additional contribution portion of the participants' accounts plus actual earnings thereon is based on years of credited service. Participants are 20 percent vested after completion of their second year of service and vest an additional 20 percent each year until fully vested after six years of service. The Plan defines a year of credited service to be a plan year (January 1 through December 31), with at least 1,000 hours of service. Upon the death or total disability of a participant, the participant becomes fully vested in their account balance.

Investment options:

Upon enrollment in the Plan, a participant may direct contributions in any increments into any of several investment options. Participants may change their investment options inside the platform at any time.

Participant accounts:

Each participant's account is credited with the participant's elective deferral, rollover and employer contributions, actual earnings thereon and charged with an allocation of administrative expenses. The basis for allocations is defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants' loans:

Participants may obtain loans from the Plan. All loans require written spousal consent, cannot exceed 50% of the vested portion of the participant's account (or \$50,000 if less), and must be a minimum of \$1,000. The loan must be repaid within five years unless the entire proceeds are used to purchase the participant's primary residence, in which case the loan may be repaid over a longer term, not to exceed thirty years. All loans will provide for the repayment of interest at the prime rate. Principal and interest may be paid through payroll deduction. The participant's individual account serves as collateral for the loan. Upon default, death or disability the entire outstanding principal and accrued interest shall be immediately due and payable. Because the participant's account collateralizes the loan in its entirety, the credit quality of the participant is not assessed by the Plan Administrator. Unpaid loans will be treated as a taxable distribution from the Plan.

For financial reporting purposes, participants' loans are included in the statements of net assets available for benefits as notes receivable from participants.

1. Description of plan (continued):

Payment of benefits:

Upon termination of service, retirement, disability, death, or election at age 65, a participant may elect to receive a lump-sum payment equal to the value of their account balance. Subject to Plan provisions, a participant may also receive installment distributions equal to the amount required as minimum distributions as prescribed by the IRS. The Plan requires mandatory distributions under the Plan not in excess of \$5,000 be automatically rolled over to an IRA established on behalf of participants who do not affirmatively consent to receive their distributions. The Plan also allows participants who have attained the age of 59.5 to take in-service distributions from the fully vested portion of their account balance.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

2. Summary of significant accounting policies (continued):

Payments of benefits:

Benefits paid to participants are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid for by the Sponsor. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events:

The Plan's management has evaluated the events that have occurred subsequent to December 31, 2021 through October 13, 2022, the date that the financial statements were available to be issued. The Plan's management has no responsibility to update these financial statements for events and circumstances occurring after this date.

3. Federal income tax status:

The Sponsor has adopted a non-standardized pre-approved profit sharing plan with CODA as published by MVP Plan Administrators, Inc which obtained its opinion letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan Administrator and the Sponsor believe the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

GENESIS OB/GYN, P.C. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEAR ENDED DECEMBER 31, 2021

4. Fair value measurements (continued):

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets or active markets that the Plan does not have access to;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

At December 31, 2021, the fair value of assets measured on a recurring basis is as follows:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment companies	<u>\$ 29,558,953</u>	<u>\$ 29,558,953</u>	<u>\$ -</u>	<u>\$ -</u>

At December 31, 2020, the fair value of assets measured on a recurring basis is as follows:

	<u>Fair value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment companies	<u>\$ 29,958,321</u>	<u>\$ 29,958,321</u>	<u>\$ -</u>	<u>\$ -</u>

The assets in the preceding tables were measured primarily using the market approach. The following is a description of the valuation methodology used for assets measured at fair value.

Registered investment companies: Valued at the closing prices reported in the active market in which the individual securities are traded.

4. Fair value measurements (continued):

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Investment certification:

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021, and net appreciation in fair value of investments, interest and dividends for the year then ended, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Charles Schwab Trust Bank. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2020, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Newport Trust Company.

6. Related party and party in interest transactions:

Exempt party-in-interest transaction:

Certain Plan investments are managed by Schwab, the trustee of the Plan. The Plan paid certain expenses to Schwab, Morgan Stanley Smith Barney, and MVP Plan Administrators, Inc., during 2021 related to plan administration and investment activity. These transactions qualify as exempt party in interest transactions under ERISA.

Related party transactions:

Expenses that are paid directly by the Sponsor are excluded from these financial statements. Employees of the Sponsor perform certain accounting and administrative functions for the Plan, however, no employee receives compensation from the Plan.

7. Plan termination:

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

9. Risks and uncertainties:

The Plan invests in various investment securities that are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
