INDEPENDENT AUDITOR'S REPORT

To the Trustees of
DeClerck Enterprises Profit Sharing Plan & Trust

Opinion

We have audited the accompanying financial statements of DeClerck Enterprises Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021 and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the DeClerck Enterprises Profit Sharing Plan & Trust as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABC Company Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DeClerck Enterprises Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or

the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Company Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DeClerck Enterprises Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, line 4i (Schedule of Assets Held at the End of the Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DeClerck Enterprises Profit Sharing Plan & Trust
Notes to Financial Statements
As of December 31, 2021

Note 1 – Description of Plan

Steve DeClerck Enterprises, Inc. (the Company) sponsors the DeClerck Enterprises Profit Sharing Plan & Trust (the Plan). The following description of the Plan provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Top-Heavy Plan

A defined contribution plan is considered to be top-heavy if, as of the determination date, the total of the accounts of the key employees under the plan exceeds 60 percent of the total of the accounts of all employees under the plan. For the plan year ending December 31, 2021, the value of key employees' account balances exceeded 60 percent of the total of the accounts of all employees under the plan. Accordingly, the Plan is considered top-heavy. The Plan has met the minimum funding requirements for 2021.

Contributions

Each year, the Company makes a discretionary contribution of its current profits before pension and profit-sharing costs and income taxes. Additional amounts may be contributed at the discretion of the Company's board of directors.

Participant Accounts

Each participant's account is credited with an allocation of (a) the Company's discretionary contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested in their accounts plus earnings thereon based on years of continuous service:

<u>Years of Vesting</u> <u>Service</u>	<u>Vested</u> <u>Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeited Accounts

At December 31, 2021, forfeited non-vested accounts totaled \$75,861. The Company may use the forfeited amounts to pay Plan expenses and or may be allocated as additional Employer contributions or to reduce other Employer Contributions under the Plan.

Note 1 – Description of Plan (continued)

Payment of Benefits

Upon termination of employment with the Company, a participant may be entitled to a distribution from the Plan. Participants who terminate employment with a vested account balance may receive a distribution of his/hers vested account balance within a reasonable period following the last day of the Plan Year during which the participant terminates employment. Participants with account balances greater than \$5,000 may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments over specified number of years. Participants with account balances of \$5,000 or less will receive a lump sum distribution equal to the value of the participant's vested account.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the Plan are paid by the Plan. For the year ended December 31, 2021 the expenses incurred to administer the Plan totaled \$51,142. The following list provides further detail on the types of expenses incurred during the year:

Accounting Fees	\$ 9,560
Investment Advisor/Mgmt Fees	31,194
Other Administrative Expenses	10,388
Total	<u>\$ 51,142</u>

Date of Management's Review

Subsequent events were evaluated through October 13, 2022, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or 2 inputs were not available.

Level 1 Fair Value Measurements

The fair values of common stocks and mutual funds are based on the closing price reported in the active market where the individual securities are traded, when available.

Level 2 Fair Value Measurements

The Plan does not have any assets for which the fair values are based on spot prices reported in the active markets for similar assets.

Level 3 Fair Value Measurement

The Plan does not have any assets under a Level 3 fair value measurement.

The following table provides further details of the fair value measurements as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	\$ 3,151,641	\$ -	\$ -	\$ 3,151,641
Corporate Common Stock	1,787,924	-	-	1,787,924
Total investments at fair value	<u>\$ 4,939,565</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,939,565</u>

Total gains or (losses) for the year included in changes in net assets available for benefits attributable to the change in unrealized gains or (losses) relating to investments still held at the reporting date totaled \$825,005. Realized and unrealized gains and losses are included in changes in net assets available for benefits for the year ended December 31, 2021.

DeClerck Enterprises Profit Sharing Plan & Trust
Notes to Financial Statements
As of December 31, 2021

Note 4 – Investments

During the year ended December 31, 2021, the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) in value as follows:

Mutual Funds	\$ 148,808
Common Stock	<u>676,197</u>
Total Net Appreciation (Depreciation) of Investments	<u><u>\$ 825,005</u></u>

Note 5 – Plan Termination

Although it has not taken any formal steps to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 6 – Tax Status

The Internal Revenue Service has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Note 7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8 – Subsequent Events

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.
