Independent Auditor's Report

The Plan Administrator and Retirement Committee
Sealed Air Corporation 401(k) and Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Sealed Air Corporation 401(k) and Profit-Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Sealed Air Corporation 401(k) and Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sealed Air Corporation 401(k) and Profit-Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sealed Air Corporation 401(k) and Profit-Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sealed Air Corporation 401(k) and Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sealed Air Corporation 401(k) and Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Plan Administrator of
the Sealed Air Corporation 401(k) and Profit-Sharing Plan

We were engaged to audit the accompanying financial statements consisting of the statement of net assets available for benefits as of December 31, 2020 and the statement of changes in net assets available for benefits for the year ended December 31, 2020 of Sealed Air Corporation 401(k) and Profit-Sharing Plan, and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Sealed Air Corporation 401(k) and Profit-Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

The following brief description of the Sealed Air Corporation 401(k) and Profit-Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined-contribution plan covering certain employees of Sealed Air Corporation (the Company) and certain participating subsidiaries. Eligible employees include all full-time and part-time employees who are normally scheduled to work 1,000 or more hours per year, except those who are covered by certain collective bargaining agreements, certain nonresident aliens, leased employees or independent contractors, temporary or part-time employees who are scheduled to work less than 1,000 hours per year and do not complete 1,000 hours of service in a prescribed 12 month period, and employees working at specific divisions, departments, or other business units of the Company that are not covered by the Plan. An employee becomes eligible to participate in the Plan on the first day of employment, except for certain part-time employees who must complete 1,000 hours of service before becoming eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Retirement Committee is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performances and is appointed by and reports to the Organization and Compensation Committee, which is a subset of the Company’s Board of Directors.

Plan Merger

Until December 31, 2018, the Company sponsored the Profit-Sharing Plan of Sealed Air Corporation (the Profit-Sharing Plan). The Profit-Sharing Plan merged with and into the Sealed Air Corporation 401(k) Thrift Plan (the Thrift Plan) as of the close of business on December 31, 2018. As of the merger date, the assets of the Profit-Sharing Plan became assets of the Thrift Plan. The combined plan was renamed the Sealed Air Corporation 401(k) and Profit-Sharing Plan. The Plan was amended and restated on January 1, 2019.

Sealed Air Corporation 401(k) and Profit-Sharing Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Contributions

Each year, participants may contribute from 1% to 75% of their annual compensation, as defined in the Plan. Participant contributions may be made on a before-tax basis by salary deduction and, in addition, for certain collectively bargained employees, on an after-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% on a pre-tax basis of eligible compensation and their contributions invested in the Vanguard Target Retirement Trust which most closely corresponds with the participant's retirement date until changed by the participant.

The Plan provides for both a matching contribution and a profit-sharing contribution.

For the Profit-Sharing portion of the Plan, the Company contributes annually an amount determined by the Board of Directors, if any. During 2021 and 2020, the contribution was 5 percent and 6 percent of eligible compensation, respectively. The contribution is allocated to participants if they are an employee of the Company on the last day of the calendar year or if the participant retires, dies or becomes disabled during the calendar year. The Board of Directors also determines whether the contribution will be made in cash, in shares of Sealed Air Corporation's common stock, or in a combination of cash and such shares. Contributions made by the Company in the form of common stock initially invested in the Sealed Air Corporation Common Stock Fund or in the form of cash may be directed by the participant to one or more of the Plan's other investment options following the Company's contribution

The Company will make matching contributions equal to 100% of each participant's contributions up to a maximum of 3% of each participant's compensation, and an amount equal to 50% of each participant's contributions up to the next 2% of each participant's compensation, as defined. Certain participants are covered by collective bargaining agreements that do not provide for the Company's matching contributions. Contributions are subject to certain limitations.

Sealed Air Corporation 401(k) and Profit-Sharing Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, Company profit-sharing and matching contributions, and Plan earnings. Each participant's account is reduced by Plan losses, administrative expenses, withdrawals and loans. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Employer matching 401(k) contributions made from and after January 1, 2013, are 100% vested. Employer matching 401(k) contributions made before 2013 became vested primarily based on years of service. A participant is 100% vested in those pre-2013 401(k) employer matching contributions upon the earliest of the employee's attainment of the age 60, disability, death or completion of 24 months of credited service.

Vesting in the Company's Profit-Sharing contribution is based on years of continuous service. A participant is 100 percent vested in the Profit-Sharing contribution upon the earliest of retirement, disability, death or completion of 60 months of continuous service, as defined by the Plan document, or, in accordance with plan amendments.

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$2,154,450 and \$1,267,910, respectively. Forfeited accounts will be used to reduce future employer contributions. During the years ended December 31, 2021 and 2020, forfeitures of \$1,170,384 and \$1,196,262, respectively, were used to reduce Company contributions.

Sealed Air Corporation 401(k) and Profit-Sharing Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Investment in Sealed Air Corporation Common Stock Fund

The Plan holds an investment fund held that primarily holds Sealed Air Corporation (“Sealed Air”) common stock. This fund is the required investment fund for all shares of Sealed Air common stock that the Company contributed to the Plan. A participant may transfer this part of their account balance out of the Sealed Air Corporation Common Stock Fund into the other funds.

Benefits

Upon termination of employment, as defined, or at certain later times provided for in the Plan, a participant may elect to receive either a lump sum cash payment equal to the value of the participant’s vested interest in his or her account, or in the form of monthly, semi-annual or annual cash installment payments. When being paid a lump sum, participants with an account balance that has an investment in the Sealed Air Common Stock Fund may elect to receive the investment distributed in whole shares of Sealed Air Corporation common stock rather than cash.

Plan Mergers – 2020

During 2020, the Automated Packaging Systems, Inc. Employee Capital Accumulation Plan merged into the Plan. As a result of this merger, investment assets of approximately \$87 million were transferred into the Plan in February 2020. The Austin Foam Plastics, Inc. 401(k) Plan also merged into the Plan, which resulted in approximately \$18 million of investment assets transferred into the Plan in March 2020. There was also approximately \$1.8 million of participant loans transferred to the Plan as a result of the mergers.

Administrative Expenses

Substantially all the costs of administering the Plan are paid by the participants and are recorded in the financial statements of the Plan.

Sealed Air Corporation 401(k) and Profit-Sharing Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Valuation of Investments and Income Recognition

Investments held by the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees, and insurance company. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded in the on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan

Sealed Air Corporation 401(k) and Profit-Sharing Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

3. Investment Information Certified by the Trustee

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest from investments, dividends, investment expenses and interest from participant notes receivable, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustee.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Sealed Air Corporation 401(k) and Profit-Sharing Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Common stock fund: Fund includes unitized units which include the common stock of the plan sponsor and a cash account for liquidity to execute transactions. Common stock is valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at the NAV of units of a bank collective trust or selected lifecycle funds. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by each fund less its

Sealed Air Corporation 401(k) and Profit-Sharing Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the NAV. Participant transactions (purchase and sales) may occur daily.

The following table summarizes by level, within the fair value hierarchy, the financial assets of the Plan at fair value, as of December 31, 2021:

	Level 1	Level 2	Level 3	Total

5. Income Tax Status

The Internal Revenue Service (the “IRS”) has determined and informed the Company by a letter dated March 7, 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the “Code”). Once qualified, the Plan is required to operate in accordance with the Code to maintain its qualification. The Plan administrator has indicated that it will take the necessary steps, if any, to bring the Plan’s operations into compliance with the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

6. Related Party Transactions

Certain Plan investments are shares of funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment as they are paid through revenue sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan operations. The Plan invests in shares of Sealed Air Common Stock Fund. These transactions qualify as exempt party-in-interest transactions.

7. Concentration of Market Risk

At December 31, 2021 and 2020, approximately 14% and 11%, respectively, of the Plan’s total investment assets were invested in the Sealed Air Common Stock Fund. The underlying value of the Sealed Air Common Stock Fund is dependent on the performance of the Company and the market’s evaluation of such performance.
