To the Advisory Committee of

WILDFLOWER BREAD COMPANY 401(k) SAVINGS PLAN

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of *the Wildflower Bread Company 401(k) Savings Plan* (the "Plan") as of and for the year ended December 31, 2021 and have issued our report thereon dated October 14, 2022. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 23, 2022, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding significant control deficiencies and one other recommendation for improvement identified during our audit in a separate letter to you dated October 14, 2022.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in MHM as appropriate, MHM, and our network firms have complied with all relevant ethical requirements regarding independence. To eliminate identified threats to independence or reduce them to an acceptable level, we educate management on the nonaudit services performed by reviewing and explaining the reason and basis for all significant transactions, as well as authoritative standards, so that management is in a position to determine or approve all assumptions and judgments and take responsibility for the nonaudit services.

Significant Risks Identified

We have identified the following significant risk:

Timeliness of deposits and contributions cutoff – We analyzed a schedule of all payroll withholdings for participant contributions and loan repayments during the year compared to the deposits made into the Plan to determine if the timeliness of such remittances complied with DOL regulation 2510.3-102, which requires employers to remit amounts withheld for participant contribution and loan repayments to a plan as soon as they can be reasonably segregated from the employer's general assets. We selected a sample of participant contribution and loan repayments made during the year and agreed the respective pay dates to supporting payroll and custodian records. We also selected participant contribution and loan repayments occurring at, or near, year-end noting that they were recorded in the proper period (cut-off).

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. The Plan has not selected any new accounting policies and there have been no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. There were no significant accounting estimates reflected in the financial statements.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were the fair value measurement disclosure related to investments in Note 4, the investment contract with insurance company disclosure in Note 5, and delinquent participant contributions disclosure in Note 9.

Management's investment valuations used in the fair value measurement disclosure are based on trust reports prepared and certified by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and the types of investments and the inputs to valuation techniques used to estimate value.

Management's investment contract disclosure includes information about a certain investment of the Plan (Principal Fixed Income Guaranteed Option), the relevant measurement attribute of such investment (contract value), and the events that limit the ability of the Plan to transact at such value of the investment.

Note 9 discloses delinquent participant contributions by the Plan and the status of their correction.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. No unrecorded financial statement misstatements were identified as a result of our audit procedures.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the management representation letter dated October 14, 2022.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Matters

The ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Advisory Committee of the **Wildflower Bread Company 401(k) Savings Plan** and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.
