## INDEPENDENT AUDITORS' REPORT

The Trustees of Sonoma Marin 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Sonoma Marin 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution for the year ended December 31, 2021 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for the Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sonoma Marin 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sonoma Marin 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sonoma Marin 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sonoma Marin 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **Supplemental Schedule 2021 Required by ERISA**

The supplemental information included in Schedule H, Part 4, Item 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Sonoma Marin 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 14, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**SONOMA MARIN  
401(K) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**YEARS ENDED DECEMBER 31, 2021 AND 2020**

**NOTE 1 – SUMMARY OF PLAN PROVISIONS**

The following description of the Sonoma Marin 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General** – The Plan is qualified defined contribution plan under Section 401(a) of the Internal Revenue Code (the Code) and is exempt from federal income tax under Section 501(a) of the Code, and from applicable state tax, as state law conforms to the Code. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is a multiple employer sponsored, defined contribution plan covering non-union employees of the Marin Sanitary Service, Marin Recycling and Resource Recovery Association (the MSS group) and Sonoma County Resource Recovery, LLC (SCRR). The Plan allows for participation upon hire. There is a one year eligibility requirement to apply for participation in profit sharing plan contributions.

The Plan operates under a prototype plan of its administrator, American Trust Company, which has received a favorable opinion letter dated March 31, 2014. The Plan has been amended since receiving the opinion letter, however the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Company adopted a new plan document in 2022 to bring the plan into compliance with the six-year pre-approved plan restatement cycle. See Note 11.

American Trust Company, the custodian and trustee, holds the Plan's assets, together with the income therefrom, in accordance with an agreement. An administrative committee appointed by the Board of Directors of the respective sponsors administers the Plan.

**Contributions** – Under the 401(k) portion of the Plan, eligible employees may contribute up to statutorily permitted amounts of pretax annual compensation as defined in the Plan per Internal Revenue Code section 402(g). The maximum deferral was \$19,500 for both 2021 and 2020. Individuals reaching the age of 50 during the year may defer an additional \$6,500 for both 2021 and 2020 as a "catch-up" contribution. Participants may also rollover distributions from other qualified defined benefit or contribution plans. Employees of the MSS Group are eligible for matching contributions of 100% of an employee's deferral up to 5% of their eligible wages for 2021 and 2020. Employees of SCRR were eligible for matching contributions of 50% of an employee's deferral up to \$500 for 2021 and 2020.

The MSS group, may at its discretion, make profit sharing contributions each year that are allocated to participants based on their proportionate share of total eligible compensation paid during the Plan year to all participants in the Plan. For 2021 and 2020, the MSS group made

profit sharing contributions of 5% of the employees' eligible wages. The plan sponsored by SCRR has a provision to make discretionary profit sharing contributions. For 2021 and 2020, the contribution was \$2,000 for eligible employees.

**Participant Accounts** – Participants may direct contributions and any related earnings into 18 investment options in 1 percent increments. Participants may change their investment allocation as often as they wish.

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer contributions, as well as the participant's share of the Plan's income and any related administrative expenses.

Allocations of income and expense are based on the proportion that each participant's account balance bears to the total of all participants' account balances.

**Forfeiture Accounts** – Forfeitures attributable to matching and profit sharing contributions are used to reduce employer contributions and plan administration fees. Unallocated forfeiture balances as of December 31, 2021 and 2020 were \$5,974 and \$7,566, respectively. In 2021 and 2020, plan administration fees were reduced by \$44,581 and \$28,864 from forfeitures, respectively.

**Vesting** – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the matching and profit sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service.

A participant vests according to the following schedule:

|                     |      |
|---------------------|------|
| Less than two years | 0%   |
| Two years           | 20%  |
| Three years         | 40%  |
| Four years          | 60%  |
| Five years          | 80%  |
| Six years           | 100% |

**Payment of Benefits** – Upon retirement, termination of employment, death, or disability, vested benefits are paid to participants or their beneficiaries in a lump sum. If a participant is terminated for any reason other than death, total disability, or normal retirement, the vested portion of the participant's account balance becomes payable at the earliest administratively feasible date following separation from service. In addition, hardship distributions are permitted if certain criteria are met.

The Plan adopted relief provisions included in the CARES Act, including allowing penalty-free distributions of up to \$100,000 through December 31, 2020 for qualifying reasons.

**NOTE 1 – SUMMARY OF PLAN PROVISIONS (CONT.)**

**Notes Receivable from Participants** – The Plan has a provision that allows a participant to borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Pursuant to the CARES Act, participants were eligible to borrow up to \$100,000 in 2020 for covered reasons. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest at prime plus 1 percent. Interest rates ranged from 4.25% to 6.5% at December 31, 2021 and 2020, and principal and interest payments are made through payroll deductions. The Plan charges the participant's account a processing fee of \$75 when the loan is funded and an annual fee of \$75 to defray the cost of record keeping.

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES**

The following are the significant accounting policies followed by the Plan:

**Basis of Accounting** – The financial statements of the Plan are prepared on the accrual method of accounting.

**Investment Contracts** – In accordance with FASB ASC 962, Plan Accounting – Defined Contribution Pension Plans, as it relates to fully benefit-responsive investment contracts, the Plan is required to report the MetLife UTC Stable Value Trust (the Fund) at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fully benefit-responsive investment contracts of the Fund because contract value is the amount Participants would receive if they were to initiate permitted transactions under the terms of the Plan.

**Other Investments** – Registered investment companies and stocks are stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the Plan at year-end.

**Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

**Contributions** – Employee contributions to the Plan are recorded in the period the Company makes payroll deductions from Plan participants wages and are reported net of payments to return excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. Company contributions to the Plan are recorded in the period to which they relate.

**Income Recognition** – Interest and dividend income are recorded as earned on the accrual basis.

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONT.)**

**Net Appreciation or Depreciation in Fair Value of Investments** – Net realized and unrealized appreciation or depreciation are recorded in the accompanying Statement of Changes in Net Assets Available for Benefits as net appreciation or depreciation in fair value of investments.

**Payment of Benefits** – Benefits are recorded when paid.

**Use of Estimates** – The preparation of the financial statements in conformity with generally accepted accounting principles requires the Plan's Trustees to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

**New Accounting Pronouncements** – There are no recently issued accounting pronouncements which are believed by management to have a material effect on the Plan's present or future financial statements.

**NOTE 3 – INCOME TAX STATUS**

The Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

**NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY**

The guaranteed investment contract is known as the MetLife UTC Stable Value Trust (the Fund) which maintains contributions in a pooled account. The contract is fully benefit responsive and credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by American Trust Company. The principal and accrued interest are guaranteed based on credited interest rates for participant-initiated withdrawals as long as the contract remains active. Interest is credited to the contract at interest rates that reflect the performance of the underlying portfolio. The rate resets quarterly and the minimum credited rate is 0%. The rate is reset by amortizing the difference between the market value of the portfolio and the guaranteed value over the weighted average duration of the Fund's investments. The contract is included in the statements of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the

withdrawal or transfer of all or a portion of their investment at contract value. If the Plan were to withdraw from the contract either by terminating the Plan or terminating the investment, transactions would be executed at fair value. The Plan sponsor has not expressed any intent to do either. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The contract value of the investment contract at December 31, 2021 and 2020 was \$7,197,991 and \$6,555,452 respectively. For the years ended December 31, 2021 and 2020, the average yield credited to participants was 1.90% and 2.31% respectively. The average yield and crediting interest rates are updated quarterly and were approximately 3.38% and 3.45%, since inception, as of December 31, 2021 and 2020, respectively. See Note 4.

**NOTE 6 – FAIR VALUE MEASUREMENTS**

The Plan categorizes its financial assets into a three-level fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure fair value fall within different levels of the hierarchy, the category level is based on the lowest priority level input that is significant to the fair value measurement of the instrument. Fair value is determined based upon the exit price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants exclusive of any transaction costs.

The Plan's financial assets recorded at fair value are categorized as follows:

**Level 1** – Quoted prices for identical instruments in active markets.

**Level 2** – Quoted or published inputs other than prices included in Level 1, including quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations in which all significant inputs or significant value-drivers are observable in active markets.

**Level 3** – Model-derived valuations in which one or more significant inputs or significant value-drivers are unobservable.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 6 – FAIR VALUE MEASUREMENTS (CONT.)**

There were no changes in methodologies used at December 31, 2021 and 2020. There were no transfers between levels during 2021 and 2020. See Note 2 for a description of valuation methodologies for assets measured at fair value.

The following tables provide a summary, by level, of the Plan's financial assets that are measured at fair value on a recurring basis:

**NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS**

Parties-in-interest are defined under the Department of Labor's Rules and Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others.

American Trust Company is the Trustee and, therefore, transactions of the plan in investments of the guaranteed investment contract, which is managed by American Trust Company, qualify as party-in-interest. Fees of \$118,550 and \$103,532 were paid by the Plan to the Trustee for the administration of the Plan during the years ended December 31, 2021 and 2020, respectively.

Investment management fees and operating expenses charged to the Plan for investments are deducted from income earned on investments and are not separately reflected. Consequently, investment management fees and operating expenses paid to parties-in-interest are reflected as a reduction of investment return for such investments. In addition, loans receivable from participants also reflect party-in-interest transactions. The Company pays other expenses related to administering the Plan.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
