Independent Auditors' Report

To the Plan Administrator and Participants of
Cobham Orchard Park
Defined Contribution Plan
Orchard Park, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Cobham Orchard Park Defined Contribution Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements of information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements Section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material

misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 and schedule of reportable transactions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

To the Plan Administrator and Participants of
Cobham Orchard Park
Defined Contribution Plan
Orchard Park, New York

Report on the 2020 Financial Statements

We were engaged to audit the accompanying financial statements of the Cobham Orchard Park Defined Contribution Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the 2020 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Personal Trust Company, FSB, the trustee of the Plan (the "Trustee"), except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions.

The Plan Administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Cobham Orchard Park Defined Contribution Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Cobham Orchard Park Defined Contribution Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan established on January 1, 2004, and is sponsored by Cobham Mission Systems Orchard Park Inc. (the “Plan Sponsor”). The Plan was restated as of January 1, 2012. The Plan covers substantially all employees of the Plan Sponsor who began employment after January 1, 2004, and have completed one month of service and are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective June 14, 2012, the Plan was amended to provide that no employee of Cobham Management Services Inc. (“CMSI”) is eligible to become a participant after June 14, 2012, and the participation of an employee of CMSI hired on or after January 1, 2011 will be frozen effective June 30, 2012. Effective January 1, 2019, the Plan was amended to allow employees not already participating in the Plan, who are employed by the Plan Sponsor as of January 1, 2019, and were participants of the Cobham Orchard Park Defined Benefit Plan (formally known as the Carleton Technologies Inc. Employees’ Retirement Plan) as of December 31, 2018, to become eligible participants in the Plan.

The Plan Sponsor was acquired by Eaton Corporation in June 2021. Effective April 15, 2022, the Plan was merged into the Eaton Savings Plan (see Note 5).

Contributions – The Plan is funded with Plan Sponsor contributions which are invested in the trust fund in accordance with the provisions of this Plan and the trust agreement. Plan Sponsor contributions are calculated based on a participant’s years of service and also the age of the participant. Rollover contributions are accepted with the prior approval of the Plan Sponsor.

The Plan Sponsor will contribute to accounts of eligible participants, an amount based on the participant’s age as of January 1 of the applicable Plan year. The percentage is increased for each year of age of the participant, starting at .03% of a participant’s covered compensation at age 21, up to a maximum amount of 6.5% of covered compensation at age 65 and older.

1. Description of Plan (continued)

During each applicable Plan year, the Plan Sponsor will also contribute to each qualified participant an amount determined using the following schedule:

<u>Years of Service Completed by January 1 of a Plan Year</u>	<u>Rate of Contribution of Covered Compensation</u>
0-4	0.50%
5-9	1.25%
10-14	2.00%
15-19	2.75%
20-24	3.50%
25-29	4.25%
30+	5.00%

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant accounts are increased by Plan Sponsor contributions and the participant's share of Plan earnings. Participant accounts are decreased by benefits paid to participants and the participant's share of Plan expenses and losses. The allocation of earnings and losses to participant accounts is based upon the value of an individual account in relation to the total assets of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants vest in Plan Sponsor contributions at 25% for each year of service and become fully vested after four years of service. Participants also become fully vested at age 65 or upon disability or death.

Forfeitures – Forfeitures of non-vested benefits are used to reduce future Plan Sponsor contributions or are used to pay administrative expenses. Forfeitures in the amount of \$127,807 and \$80,238 were used to reduce Plan Sponsor contributions during the years ended December 31, 2021 and 2020, respectively. Total forfeitures available as of December 31, 2021 and 2020 were \$2,746 and \$664, respectively.

Payment of Benefits – Plan assets allocated to a participant's account will be distributed upon termination of employment or death. A participant may not withdraw any part of the balance during the participant's employment with the Plan Sponsor or an affiliated employer. Minimum distributions will begin on the participant's date of retirement. Distributions will be calculated based on the participant's account balance and the distribution period set forth in the Uniform Lifetime Table set forth in Section 1.401 (a)(9)-9 of the Treasury Department regulations.

Loans to Participants – In accordance with Plan provisions, no loan may be made to a participant from the participant's account.

1. Description of Plan (continued)

Tax Status – The Plan was restated as of January 1, 2012. The Plan obtained its latest determination letter on July 9, 2014, in which the Internal Revenue Service (“IRS”) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the “Code”). The Plan has been amended subsequent to the determination letter. However, the Plan Administrator and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

Plan Termination – Although it has not expressed an intent to do so, the Plan Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in Plan Sponsor contributions and associated earnings.

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Investment Valuation and Income Recognition – The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on an accrual basis and dividends are recorded on an ex-dividend date. Net appreciation in the fair value of investments includes both realized gains and losses and unrealized appreciation (depreciation) in the fair value of investments. Realized gains and losses on disposition of investments are based upon actual costs and selling prices.

Investment Risks and Uncertainties – The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Benefit Payments – Benefits are recorded when paid.

2. Summary of Significant Accounting Policies (continued)

Administrative Expenses – All accounting and administrative expenses related to the administration, operation and maintenance of the Plan, including, without limitation, any expense relating to the preservation of the qualification of the Plan under Section 401(a) of the Code, may be paid from the Plan assets. At the discretion of the Plan Sponsor, any such expenses, disbursements, or charges, may be paid by the Plan Sponsor.

Party in Interest Transactions – Certain Plan investments are cash reserves held by Fidelity. Fidelity is the Trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions.

Use of Estimates – The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Subsequent Events – The Plan Administrator has evaluated the effects of all subsequent events, for recognition or disclosure, through October 13, 2022, the date the accompanying financial statements were available to be issued (see Note 5).

3. Information Certified by the Trustee (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Personal Trust Company, FSB (“Fidelity” or the “Trustee”) has certified that the following data included in the accompanying financial statements and supplementary information is complete and accurate:

	2021	2020
Interest bearing cash	\$ 274,923	\$ 213,959
Exchange traded funds	8,259,426	7,071,075
Mutual funds	2,231,928	2,330,980
	<u>\$ 10,766,277</u>	<u>\$ 9,616,014</u>

The Trustee has also certified interest and dividend income totaling \$249,187 and \$161,756 and net appreciation in fair value of investments of \$1,180,880 and \$847,266 for the years ended December 31, 2021 and 2020, respectively.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- **Level 2** – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. There were no assets of the Plan that were valued using Level 2 inputs at December 31, 2021 and 2020.

- **Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. There were no assets of the Plan that were valued using Level 3 inputs at December 31, 2021 and 2020.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

4. Fair Value Measurements (continued)

Interest-bearing cash – Stated at cost, which approximates fair value.

Exchange Traded Funds – Valued at the closing price reported on the respective exchange.

Mutual Funds – Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Level 1		
Interest bearing cash	\$ 274,923	\$ 213,959
Exchange traded funds	8,259,426	7,071,075
Mutual funds	<u>2,231,928</u>	<u>2,330,980</u>
	<u>\$ 10,766,277</u>	<u>\$ 9,616,014</u>

5. Plan Merger

On January 24, 2022, the Plan Sponsor formally approved to merge the assets of the Plan into the Eaton Savings Plan, with an effective merger date of April 15, 2022, with the Eaton Savings Plan being the surviving plan (the "Eaton Plan"). All assets (\$9,358,575) from the Plan were transferred to the Eaton Plan on April 18, 2022. The interest of each participant in the Plan is governed by the provisions of the Eaton Plan as of the April 15, 2022 effective date of merger.
