INDEPENDENT AUDITORS' REPORT

Plan Management and Plan Governance
La Jolla Beach and Tennis Club 401(k) Plan
La Jolla, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of La Jolla Beach and Tennis Club 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of La Jolla Beach and Tennis Club 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Information Required by ERISA

The supplemental information as of December 31, 2021 and for the year then ended is presented for purposes of additional analysis and is not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Great-West Life & Annuity Company, the Custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Custodian as of December 31, 2020 that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the La Jolla Beach and Tennis Club 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan covers all employees of La Jolla Beach and Tennis Club Inc. (Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan as well as determining and reviewing the appropriateness of the Plan's investment offerings and investment performance. A Company officer serves as the Trustee for the Plan.

The Plan is a defined contribution plan under the provision of section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC. The Plan was established on January 1, 1997 and was restated effective October 6, 2021. The Company contracted with Great-West Life & Annuity Insurance Company (Great-West) to provide Plan recordkeeping, administrative and investment services, and to serve as Custodian of the Plan's assets.

Eligibility

The Plan covers employees, age 21 or older, who attain one year of service. A year of eligible service is a 12-month period, beginning with the employee's hire date, during which 1,000 hours of service are completed. Employees can enter the Plan on January 1, April 1, July 1 or October 1 following the date on which eligibility requirements are met.

Participant Contributions

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in qualified default investment alternatives. Participants may affirmatively elect a different percentage from 0% to 100% of their annual compensation into a pre-tax deferral account up to the maximum allowed by the Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollovers) from other qualified plans.

Employer Contributions

The Company provided a discretionary matching contribution of 25% of the first 6% of employee contributions. Additionally, the Company may provide a discretionary profit-sharing contribution. No discretionary profit-sharing contributions were made or declared during 2021.

LA JOLLA BEACH AND TENNIS CLUB 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions (b) plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investment of all assets attributable to their account. Each participant designates the percentage of any one or more of their accounts that is to be invested in each of several authorized investment funds offered by the Plan.

Notes Receivable from Participants

The Plan allows participants to borrow against their vested account balances. Loans may not be made for less than \$1,000 and may not exceed \$50,000 or 50% of a participant's vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate equal to the Wall Street Journal published prime rate plus 1%. Principal and interest is paid ratably through bi-weekly payroll deductions not to exceed five years unless the note proceeds were used for the purchase of a principal residence. Notes used to purchase a principal residence may be repaid within a period of no more than 15 years.

In April 2020, the Plan adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to delay certain required loan repayments for one year. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020 and December 31, 2020; subsequently extended to June 25, 2021 by the Consolidated Appropriations Act (CAA). Following the suspension period, these loans will be re-amortized over the remaining period of the loans plus the suspension period. Qualified participants are permitted to take a loan up to \$100,000, but no more than 100% of their vested account balance.

The CAA, signed into law on December 27, 2020 temporarily replaced or extended some of the provisions of the CARES Act for loan relief, as noted above.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or paid as a direct rollover to an individual retirement account or to another employer's tax qualified plan. Active participants may withdraw any part of their account in a single sum in the event of undue financial hardship or attainment of age 59½. If a terminated participant's account is \$5,000 or less, the Plan may distribute the account balance in one lump sum to an Individual Retirement Account (IRA) without prior approval of the participant.

In April 2020, the Plan implemented CARES Act provisions for coronavirus-related distributions (CRD). Through December 31, 2020, qualified participants are permitted to take a CRD of up

LA JOLLA BEACH AND TENNIS CLUB 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

to \$100,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a 3-year period, with the ability to recontribute up to the full amount of the distribution within 3 years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

The CAA, signed into law on December 27, 2020, temporarily replaced or extended some of the provisions of the CARES Act provisions for CRD. It also included some new provisions affecting 401(k) plans that were not in the CARES Act. Although the CARES Act provisions regarding CRD expired on December 30, 2020, the CAA added a similar provision permitting “qualified disaster distributions” that are effective through June 25, 2021.

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the Company’s matching contributions is based on the completion of 1,000 hours of service at any time during the plan year. A participant is vested in Company’s matching contributions based on the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeited Accounts

Generally, a participant’s unvested portion of the Company matching contribution is forfeited upon termination of employment. Forfeitures are maintained in a separate account and are used to reduce administrative expenses and employer’s contribution, as defined by the Plan.

Non-vested forfeited account balances at December 31, 2021 and 2020 were \$279 and \$2,651, respectively. During the year ended December 31, 2021, forfeitures of \$10,036 were used by the Company to pay matching contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of loans are deducted from participant accounts and are included in administrative expenses.

Certain investment management fees and other charges paid to the Custodian are offset against fund performance in the net appreciation section of the statement of changes in net assets available for benefits and are not separately reflected as investment expenses. The Plan utilizes a reimbursement spending account to collect fees from participant investment earnings and to pay quarterly fees to a third-party investment management company.

NOTES TO THE FINANCIAL STATEMENTS

Plan Termination Provision

Although the Company has not expressed any intent to do so, it has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become fully vested.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting which is in accordance with accounting principles generally accepted in the United States of America (GAAP). Employee and employer contributions are recognized in the period that contributions are due.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that may affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments, other than fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policy utilizing information provided by Great-West. See Note 3 for discussion of fair value measurements. The guaranteed interest account is fully benefit responsive; therefore, contract value is the relevant measure for reporting purposes because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits to Participants

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in

LA JOLLA BEACH AND TENNIS CLUB 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded.

Recent Adopted Accounting Pronouncement

In August 2018, the Financial Accounting Standards Board (FASB) issued ASU 2018-13, *Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. ASU 2018-13 modifies the disclosure requirements on fair value measurements in *Topic 820*. The amendments in this update remove disclosures that no longer are considered cost beneficial, modify and/or clarify the specific requirements of certain disclosures and add disclosure requirements identified as relevant. ASU 2018-13 is effective for annual and interim periods beginning after December 15, 2019. The Plan adopted ASU 2018-13 on January 1, 2020 which did not have a material impact on the accompanying financial statements.

NOTE 3 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets.
 - Quoted prices for identical or similar assets or liabilities in inactive markets.
 - Inputs other than quoted prices that are observable for the asset or liability.
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

LA JOLLA BEACH AND TENNIS CLUB 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily closing price and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Assets at Fair Value as of December 31, 2021				
<u>Investments:</u>	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 8,369,696	\$ -	\$ -	\$ 8,369,696
Total investment, at fair value	<u>\$ 8,369,696</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,369,696</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Assets at Fair Value as of December 31, 2020				
<u>Investments:</u>	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 8,866,409	\$ -	\$ -	\$ 8,866,409
Total investment, at fair value	<u>\$ 8,866,409</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,866,409</u>

NOTE 4 - GUARANTEED INTEREST ACCOUNT

The Plan has a fully benefit-responsive guaranteed interest account (GIA) with Great-West, known as the Guaranteed Portfolio Fund, totaling \$455,952 and \$629,277 at December 31, 2021 and 2020, respectively. The contract underlying these investment options is considered to be fully benefit responsive in accordance with ASC Topic 962, "Plan Accounting - Defined Contribution Pension Plans."

The Guaranteed Portfolio is a general account product that provides a stated rate of return and insulates participant accounts from daily fluctuations in the market. Under the terms of the Guaranteed Portfolio Fund contract, participants may direct permitted withdrawals and/or transfer transactions of all or a portion of their balance in the Guaranteed Portfolio Fund investment option at contract value. Contract value represents contributions plus credited interest, less participant withdrawals and fees. The Guaranteed Portfolio Fund investment option is benefit responsive for participant-initiated transactions.

The average yield earned by the plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average for the years ended December 31, 2021 and 2020 was .90% and 1.04%, respectively. The Fund does not

LA JOLLA BEACH AND TENNIS CLUB 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

have a minimum interest rate. The current interest rate is 1.45% and is reset on a quarterly basis.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) premature termination of the contract by the Plan (2) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); or (3) early retirement incentives. No events have taken place that would restrict the ability of participants to make withdrawals at contract value.

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life and Annuity Insurance Company, the Custodian of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividends, interest, and interest income on notes receivable from participants reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments and notes receivable from participants are managed by Great-West, the Custodian of the Plan; therefore, these transactions are considered to be exempt party-in-interest transactions. Administrative expenses paid by the Plan to Great-West and other plan service providers are considered to be party-in-interest transactions.

NOTE 7 - TAX STATUS

The IRS has informed the Plan sponsor by a letter dated June 30, 2020 for the prototype plan adopted by the Plan, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan may be subject to routine audits by authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate,

LA JOLLA BEACH AND TENNIS CLUB 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investments securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

NOTE 9 - DIFFERENCES BETWEEN FINANCIAL STATEMENTS AND FORM 5500

The following is a reconciliation of net assets available for benefits per the Form 5500 to the net assets on the financial statements:

	December 31,	
	2021	2020
Net assets available for benefits per the Form 5500	\$ 8,884,321	\$ 9,650,154

Contributions receivable	-	16,830
Net assets available for benefits per the financial statements	<u>\$ 8,884,321</u>	<u>\$ 9,666,984</u>

The following is a reconciliation of the changes in net assets available for benefits per the Form 5500 to the changes in net assets as reflected in the financial statements for the year ended December 31, 2021:

Net decrease in net assets as presented on the Form 5500	\$ (765,833)
Adjustments to reflect the changes in net assets available for benefits on the accrual basis:	
Change in contributions receivable	<u>(16,830)</u>
Net decrease in net assets as presented in the financial statements	<u>\$ (782,663)</u>

NOTE 10 - SUBSEQUENT EVENT

Management has evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued, and has determined no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes to the financial statements.
