To the Plan Administrator of the  
Desert Ready Mix, LLC 401(k) Plan  
Mesa, Arizona

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements***

We have performed an audit of the financial statements of the Desert Ready Mix, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — 2021 Supplemental Schedule Required by ERISA***

The 2021 supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter — Report on the 2020 Financial Statements***

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 14, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**DESERT READY MIX, LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

---

**Note 1  
Description of the Plan**

---

The following description of the Desert Ready Mix, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

**General**

Desert Ready Mix, LLC (the “Company” or “Sponsor”) adopted the Desert Ready Mix, LLC 401(k) Plan effective January 1, 2015.

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan covers substantially all employees of the Company who have completed three (3) months of service, and have attained the age of twenty-one (21).

**Contributions**

Participants are permitted to make voluntary deferral contributions to the Plan under the provisions of Internal Revenue Code Section 401(k). Participants may contribute an amount of eligible pre-tax or after-tax Roth annual compensation not to exceed limits established by the Internal Revenue Code, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The Company makes matching contributions equal to 100% of the first 3% of eligible compensation that employees contribute as an elective deferral. The Company may also, in its sole discretion, make nonelective contributions to the Plan on behalf of eligible participants, although the Company is not required to do so.

**Participant Accounts**

Each participant’s account is credited with the participant’s deferral contributions and the Company’s matching or nonelective contributions, as well as allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant’s earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

**Vesting**

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company’s contribution portion of the participant’s assets is based on years of continuous service, determined by hours worked. For matching contributions, a participant becomes 100% vested after five years of credited service, at a rate of 20% per year beginning after the first year of credited service. For nonelective contributions, a participant becomes 100% vested after six years of credited service, at a rate of 20% per year beginning after the second year of credited service.

**DESERT READY MIX, LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

---

**Note 1**  
**Description of the Plan (Continued)**

---

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is the prime rate, plus two percentage points. Principal and interest is paid ratably through payroll deductions. Each participant may only have one loan outstanding at a time.

**Payment of Benefits**

On termination of service, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Rollovers of the participant's vested interest into another qualified plan is also permitted.

**Forfeitures**

Any forfeitures of employer contributions may be used to reduce employer contributions for the Plan year in which the forfeitures occur, to pay Plan expenses, and/or to restore previously forfeited account balances as provided for under the Plan. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$10,300 and \$1,022, respectively. For the year ended December 31, 2021, employer contributions were reduced by \$19,132 from forfeited non-vested accounts.

**Note 2**  
**Summary of Significant Accounting Policies and Use of Estimates**

---

**Basis of Accounting**

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"), using the accrual method of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**DESERT READY MIX, LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

---

**Note 2**

**Summary of Significant Accounting Policies and Use of Estimates (Continued)**

---

**Notes Receivable from Participants**

Notes receivable from participants are measured at unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2021 and 2020, the rate of interest on outstanding loans ranged between 5.25% - 7.50% with various maturities through November 2024. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions as of December 31, 2021 to the applicable participants prior to March 15, 2022.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan, primarily legal, third party administrator, and audit fees, are paid directly by the Company and are excluded from these financial statements. The Plan absorbs substantially all of the other administrative expenses.

---

**Note 3**

**Plan Termination**

---

Although it has not expressed an intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participants would become 100% vested in their employer contributions.

---

**Note 4**

**Tax Status**

---

The Plan is an Automatic Data Processing, Inc. ("ADP") prototype non-standardized defined contribution and profit sharing plan that received a favorable opinion letter from the Internal Revenue Service on July 8, 2014, which stated that the Plan, as then designed, was acceptable under section 401 of the Internal Revenue Code ("IRC"). The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

**DESERT READY MIX, LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS**

---

**Note 4  
Tax Status (Continued)**

---

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authority. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is generally subject to income tax examination for the past three years.

**Note 5  
Fair Value Measurements**

---

FASB Accounting Standards Codification, *Fair Value Measurements*, established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs include quoted prices for similar assets or liabilities in active or non-active markets. These inputs may also include insignificant adjustments to market observable inputs.
- Level 3 inputs are based on unobservable inputs used for valuing the asset or liability. Unobservable inputs are developed based on the best information available in the circumstances, which might include the Plan's own data. Level 3 inputs have the lowest priority.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Registered Investment Companies (Mutual Funds):* Shares of registered investment company funds (or mutual funds) are valued at the net asset value (NAV) of shares held by the Plan and are valued at the closing price reported on the active market on which the individual securities are traded, which are estimated to be level 1 measurements.

*Common Collective Trusts:* Units held in common/collective trusts are valued using the NAV practical expedient of the fund as determined by the fund managers. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The net asset value of a common/collective trust investment is calculated based on a compilation of primarily observable market information. These funds have no redemption restrictions or unfunded commitments.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits as follows:

\* In accordance with FASB Accounting Standards Codification Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTES TO FINANCIAL STATEMENTS**

---

**Note 7**  
**Risks and Uncertainties**

---

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

---

**Note 8**  
**Party-In-Interest Transactions**

---

Certain Plan investments are managed by Reliance Trust Company, the trustee, and ADP, the recordkeeper, and other companies that provide investment management services to the Plan. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. The Plan also issues loans to participants that are secured by the vested balance in the participants' accounts. As such, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules. Administrative fees paid by the Plan or netted against investment returns in 2021 also qualify as party-in-interest transactions.

**Note 9**  
**Recent Legislation**

---

The Setting Every Community Up for Retirement Enhancement ("SECURE") Act was enacted in December 2019, and became effective January 1, 2020. The SECURE Act was designed to encourage investing for retirement by increasing the required minimum distribution age and making certain other changes to certain tax-qualified retirement plans. The United States Congress passed the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, on March 27, 2020. The CARES Act includes several employee benefit plan provisions that expanded the ability of participants to access their retirement savings through their employer's tax-qualified retirement plans when they were personally impacted as a result of Coronavirus. Specifically, participants could opt to distribute funds from their retirement account or take a loan from the plan if the distribution or loan related to Coronavirus (as defined in the CARES Act), and receive relief for loan repayments. The Plan intends to incorporate the SECURE and CARES Act changes into its Plan document by the deadlines prescribed in the legislation, as necessary.
