Independent Auditor's Report

To the Plan Administrator of
Golf & Tennis Pro Shop, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of financial statements of Golf & Tennis Pro Shop, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the 2021 financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of the Plan, as listed in the accompanying index, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Golf & Tennis Pro Shop, Inc. 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

Note 1: Description of Plan

The following description of the Golf & Tennis Pro Shop, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) and profit-sharing Plan, effective February 1, 2004, (as amended and restated January 1, 2018), covering substantially all employees, other than employees covered by a collective bargaining agreement, of Golf & Tennis Pro Shop, Inc. (the Plan Sponsor or the Company), who have attained the age of twenty-one and completed three months of service. Employees are permitted to enter the Plan on the first day of the month following the date the eligibility requirement is met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan includes a provision under Internal Revenue Code (IRC) Section 401(k) whereby participants may make pre-tax and Roth contributions to the Plan up to 90% of their annual compensation, subject to limitations under the IRC. Participants age fifty and older are allowed to make catch-up contributions.

Effective January 1, 2018, the Plan was amended and restated electing the Safe Harbor Plan status, whereas the Plan Sponsor will make matching contributions to participants in the amount equal to 100% of each participant's elective deferral up to 3% and 50% on the next 2% of a participant's elective deferral. Participants are 100% vested in Safe Harbor contributions. The Plan Sponsor contributed matching funds totaling \$1,106,669 for the year ended December 31, 2021.

The Plan Sponsor may also make discretionary profit-sharing contributions, in an amount it determines in its sole discretion. All or any portion of these discretionary profit-sharing contributions may be designated a qualified nonelective contribution (QNEC) to the Plan to satisfy certain non-discrimination requirements. Such contributions are made to participants who are employed on the last day of the Plan year. There were no discretionary profit-sharing contributions made during the year ended December 31, 2021.

At the discretion of the Plan administrator, eligible participants may deposit rollover contributions from another qualified Plan. Rollover contributions are placed in the participant's account and are subject to the rules for investment established by the Plan administrator.

Administration

The Company serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan and making determinations regarding questions which may affect eligibility for benefits. The Plan administrator engaged Automatic Data Processing (ADP) as a third-party administrator (TPA) to assist in the administration of the Plan (Note 6). Reliance Trust Company (Reliance or the Trustee) serves as the Trustee and custodian of the Plan. The Trustee receives all contributions made under the Plan, holds Plan assets and pays benefits to participants as directed by the Plan administrator (Notes 3 & 6).

Expenses

Administrative expenses of the Plan are primarily paid by the Plan Sponsor but, at the discretion of the Plan Sponsor, may be paid by the Plan. These expenses include, but are not limited to, legal, accounting and certain administrative fees.

Participants' Accounts

Each participant's account is credited with pre-tax, Roth and rollover contributions made by the participant, the participant's portion of the Plan Sponsor's matching and discretionary contributions, and Plan earnings. Plan earnings, which consist of interest, expenses and gains and losses on investments, are allocated to participants' accounts at least annually based on participant account balances, as defined in the Plan agreement.

Vesting

Participants are 100% vested in the Plan Sponsor's matching or discretionary contributions. Prior to May 2, 2014, participant vesting in discretionary profit sharing and employer matching contributions was based on years of service. A participant credited with at least one thousand hours was granted one year of service. All participants became 100% vested after four years of service. The vesting percentage was as follows:

Years of Service	Percentage
1	25%
2	50%
3	75%
4 or more	100%

Participants also become 100% vested upon termination of the Plan, upon reaching the normal retirement age of sixty or upon disability or death while an employee of the Plan Sponsor.

Any portion of a participant's account balance attributable to voluntary contributions, rollover contributions from another qualified Plan and QNEC contributions is 100% vested at the time of contribution and not subject to forfeiture.

Investment Options

Participants are required to make participant-directed allocations of their accounts in increments totaling 100% among various investment options selected by the Trustee, including options for which the Trustee or its affiliate serves as investment advisors, selected by the Plan administrator.

Notes Receivable from Participants

In general, participants may borrow from their accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Generally, notes receivable from participants are to be repaid through payroll deductions in installments not to exceed five years, are secured by the balance in the participant's account, and apply interest at a rate based on prevailing interest rates at the time of the note receivable as determined by the Plan administrator. A note receivable used for financing the purchase of the participant's principal residence may be repaid over a longer period of time.

Withdrawals

A participant may withdraw up to 100% of the vested account balance of participant contributions, excluding certain earnings on pre-tax contributions, in the event of a participant's heavy and immediate financial hardship, as defined in the Plan agreement. Hardship distributions are limited to one per Plan year, may not exceed the amount of the participant's financial hardship, and may not be repaid by the participant. If a participant makes a hardship withdrawal, the right to make pre-tax and Roth contributions will be suspended for six months.

Participants may receive an in-service distribution of their vested account balance after attaining age 59 ½.

The Plan administrator may be required by law to recognize obligations the participant incurs as a result of court ordered support or alimony payments. The Plan administrator must honor a qualified domestic relations order (QDRO). If a QDRO is received by the Plan administrator, all or a portion of the participant's account balance may be used to satisfy the obligation.

Under normal retirement, disability or death, a participant or beneficiary may receive the value of the account through a lump sum distribution, installment payments, or fixed, life, joint, or survivor annuities. In general, if a participant's account balance, as defined in the Plan agreement, is greater than \$5,000 and employment is terminated other than due to retirement or death, the account may not be distributed before normal retirement age without the participant's consent. However, the participant's account balance may be rolled over into an individual retirement account. Terminated employees who defer distribution of their benefits are required to pay all fees incurred by the Plan to administer the participant's deferral payment.

Participants with Roth contribution account balances, the Plan may, upon termination of service for any reason, pay the benefits owed in a lump sum if the account balance is less than \$1,000.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service (IRS) penalties, unless the distribution is transferred to another qualified Plan or individual retirement account.

Forfeitures

Non-vested account balances of terminated employees are forfeited upon the complete distribution of the vested portion of their account, subject to the possibility of reinstatement before the end of five consecutive years of breaks in service, as defined in the Plan agreement. Forfeitures of terminated employees' non-vested accounts will be used to reduce Plan Sponsor contributions, as defined in the Plan agreement. Forfeitures were nominal for the year ended December 31, 2021.

Note 2: Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates in Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivables from participants are reclassified as distributions based upon the terms of the Plan agreement.

Payment of Benefits

Benefit payments are recorded when paid by the Plan.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments, including gains or losses, are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date.

Risks and Uncertainties

The Plan's invested assets ultimately consist of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant account balances and the amounts reported in the accompanying financial statements.

Note 3: Information Prepared and Certified by Custodians (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Trustee as of December 31, 2021 and 2020, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental information:

	2021	2020
Statements of net assets available for benefits:		
Investments:		
Investments at fair value	\$ 16,648,275	\$ 12,647,178
Statement of changes in net assets available for benefits:		
Investment income:		
Net appreciation of investments	\$ 255,977	
Dividend and interest income	1,735,334	

Note 4: Fair Value Measurements

The Financial Accounting Standards Board Accounting Standard Codification 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Investments in mutual funds are valued at quoted market prices.

Common collective trust: This trust is privately managed by the Trustee and is not publicly quoted. The trust is composed primarily of various money market and guaranteed investment contract funds that are valued by the Trustee at net asset value (NAV), which is based on the underlying investment assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The Plan has concluded that the NAV is used as a practical expedient to approximate the fair value of the investment. This practical expedient would not be used if it is determined to be probable that the investment will sell for an amount different from the reported NAV. There are currently no redemption restrictions or unfunded commitments on this investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by Level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 16,025,857	\$ -	\$ -	\$ 16,025,857
Common collective trust (a)	-	-	-	622,418
Total investments at fair value	<u>\$ 16,025,857</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,648,275</u>

Investments at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 12,139,550	\$ -	\$ -	\$ 12,139,550
Common collective trust (a)	-	-	-	507,628
Total investments at fair value	<u>\$ 12,139,550</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,647,178</u>

(a) These investments are measured using NAV as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the Statements of Net Assets Available for Benefits.

Note 5: Income Tax Status

Effective December 1, 2011, the Plan Sponsor entered into a standard adoption agreement of *Automatic Data Processing, Prototype Non-standardized Profit Sharing Plan with CODA* (the Prototype Plan). The Prototype Plan received a favorable opinion letter from the IRS on July 8, 2014, which stated that the prototype Plan and related trust were designed in accordance with applicable sections of the IRC.

The Plan has been amended and restated since the receipt of the favorable opinion letter and has not received an updated determination letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and tax exempt as of December 31, 2021.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 6: Party-in-Interest Transactions

ADP and the Trustee (Note 1) performed services for, sold products to and managed and maintained certain investments of the Plan, for which fees were charged to the Plan. Party-in-interest transactions also include notes receivable from participants.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 7: Reconciliation to Form 5500

The financial information of the Plan, as reported on Form 5500, does not include all amounts necessary for reporting on the accrual basis of accounting. A reconciliation of the amounts appearing on Form 5500 to the accompanying financial statements is as follows:

	2021	2020
Net assets available for benefits:		
Net assets, as reported on Form 5500	\$ 16,788,675	\$ 12,756,663
Adjustment to accrue participant contributions receivable	78,149	58,251
Adjustment to accrue plan sponsor contributions receivable	45,534	34,554
Net assets, as reported in the accompanying financial statements	<u>\$ 16,912,358</u>	<u>\$ 12,849,468</u>
Changes in net assets available for benefits:		
Increase in net assets, as reported on Form 5500	\$ 4,032,012	
Net Adjustment to accrue participant contributions receivable	19,898	
Net Adjustment to accrue plan sponsor contributions receivable	10,980	
Increase in net assets, as reported in the accompanying financial statements	<u>\$ 4,062,890</u>	

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 9: Prohibited Transactions

The Plan Sponsor deducted, via payroll withholding, an aggregate of \$362,463 and \$56,481 during 2021 and 2020, respectively, from participants' gross wages that were not remitted in a timely manner to the Plan in accordance with DOL regulations. The Company intends to file a Form 5330 with the IRS, pay the required excise tax and make a restoration contribution to the Plan to restore lost earnings for the contributions related to 2021 and 2020.

Note 10: Subsequent Events

Effective January 1, 2022, the Plan administrator engaged Transamerica Retirement Solutions, LLC as a third-party administrator to assist in the administration of the Plan.

The Plan Sponsor has evaluated all other events and transactions occurring through the report date, the date the financial statements were available for issuance, and management has concluded that there are no significant events that require recognition or disclosure, other than as documented herein.
