INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
The New Haven Companies, Inc.
401(k) Savings Plan
Fredericksburg, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The New Haven Companies, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The New Haven Companies, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section --

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The New Haven Companies, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The New Haven Companies, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The New Haven Companies, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about The New Haven Companies, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of required information to be filed with Form 5500 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the The New Haven Companies, Inc. 401(k) Savings Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who have attained age 21 and completed four months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 30, 2015, the ADP Prototype Plan Document was restated to reflect periodic regulatory and legislative updates including the Pension Protection Act of 2006 (PPA). Additional modifications and amendments have been made to the Plan.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2020 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act became effective on January 1, 2020 and require significant changes to plan administration and recordkeeping.

The COVID-19 outbreak in the United States caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief and Economic Security Act (CARES Act) that included numerous employee benefit plan provisions to assist plan sponsors and participants. In 2020, the Plan adopted various provisions related to Plan distributions and loans as defined in the CARES Act.

The Consolidated Appropriations Act of 2021 was signed into law on December 27, 2020 which includes a temporary rule that prevents partial plan terminations for qualified retirement plans in certain circumstances.

IRS Notice 2022-33 extended by an additional three years to December 31, 2025 for qualified retirement plans to adopt amendments required by the SECURE Act and select amendments required by the CARES Act. Amendments required by the CARES Act to implement COVID distributions and loans were not extended and must be adopted by December 31, 2022.

The Board of Directors is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance. All investment accounts held by the investment trustee of the Plan are self-directed by the Plan Participants.

Reliance Trust Company is the Trustee of the Plan and holds all of the Plan's investments and assets.

1. DESCRIPTION OF PLAN (Continued)

Contributions

Each year the Company will determine funding of and provide notice to Plan Participants concerning Safe Harbor Matching Contributions. The notice will be made from 30 to 90 days prior to the beginning of the plan year in which the Safe Harbor Matching Contributions will be made. Once approved for the plan year, the Company will make a Safe Harbor Matching Contribution equal to 100 percent on the first three percent of eligible earnings that participants defer as elective deferrals. In addition, the Company will make an additional 50 percent of the next two percent of eligible earnings that participants defer as elective deferrals.

The Plan does not recognize annual compensation exceeding \$290,000 and \$285,000 for 2021 and 2020, respectively.

The 401(k) provisions allow Plan participants to defer a percentage of their compensation each year. The deferrals in any taxable year may not exceed the dollar limit which is set by law. The limit for 2021 and 2020 was \$19,500. Plan participants who are age 50 or older may elect to defer additional amounts to the Plan. The maximum additional contribution was \$6,500 for 2021 and 2020.

The law imposes a maximum limit on the amount of contributions made to each participant's account. In 2021 and 2020 contributions cannot exceed the lesser of \$58,000 and \$57,000 respectively, plus catch-up or 100 percent of annual compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses, if not paid directly by the employer. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary reduction amount contributed to the Plan and 100 percent vested in their employer's Safe Harbor contributions made to the Plan. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous service and a participant is 100 percent vested after six years of credited service.

Investment Options

Participants may direct their investment of their account balances in respect to employee pre-tax and Roth deferral, and employer matching contribution.

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum of \$50,000 or 50 percent of their account balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest at a rate of the prior month's prime rate plus two percent. For the year ending December 31, 2021, the interest rate on new loans was 5.25 percent. For the year ending December 31, 2020, the interest rate on new loans was between 5.2 percent and 6.75 percent. The term of repayment may not be greater than five years unless for the purchase of a primary residence. Principal and interest are paid ratably through bi-weekly payroll deductions. Management evaluated the notes and determined that an allowance for uncollectible accounts was not necessary because notes uncollected from employees who terminate employment are treated as deemed distributions. At December 31, 2021 and 2020, the participant loan balances were \$188,967 and \$119,914, respectively. The notes carry interest rates ranging from 5.25-7.50 percent and mature through 2026.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account as soon as administratively feasible. However, if the value of the vested account balance does not exceed \$5,000, then a distribution will be made to the participant regardless of whether it is elected to be received or not. The participant may also elect to delay the distribution of their vested balance; however, the required minimum distribution rules will be enforced when the participant reaches the age of 70½ or retires. Withdrawals while employed include rollovers, qualified hardships and withdrawals at age 59½.

Forfeitures

Forfeitures of non-vested employer contributions can be used to pay Plan expenses; reduce amounts otherwise required to be contributed to the Plan by the employer; or reallocated to Participants as additional employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the modified cash basis of accounting, which recognizes additions when received and deductions when paid and adjusts investments to fair value.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year to which such adjustments are determined.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value which is derived from quoted market prices which represent the net asset value of shares held by the Plan at year-end. Participant loans are valued at cost which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. All investments are held and administered by the Plan Trustee, Reliance Trust Company.

Net appreciation (depreciation) includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Except for distribution fees and loan origination fees associated with participant loans and participant distributions, all administrative expenses of maintaining the Plan are paid by the Company.

3. INFORMATION CERTIFIED BY THE TRUSTEE

The financial information included in the Plan financial statements for investments, loans, and investment income, has been derived from information certified as complete and accurate by the Trustee, Reliance Trust Company, in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The certification is pursuant to ERISA 29 CFR 2520.103-5(c).

4. INVESTMENTS

During 2021, the Plan's investments (including investments bought and sold, as well as held during the year) appreciated in value by \$285,798 of which unrealized appreciation totaled \$1,379 and net realized appreciation on investment sales totaled \$284,418. The cost of investments held at December 31, 2021 totaled \$5,363,225 with a fair value of \$6,327,379. During 2020, the Plan's investments (including investments bought and sold, as well as held during the year) appreciated in value by \$288,076 of which unrealized appreciation totaled \$156,671 and net realized appreciation on investment sales totaled \$131,405. The cost of investments held at December 31, 2020 totaled \$4,540,530 with a fair value of \$5,506,878. Gains and losses included in changes in net assets available for benefits are reported in net appreciation in fair value of investments.

5. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2. Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust: The Plan invests in a stable value collective trust valued at the NAV of the units of the collective trust. The NAV, as provided by the trustee, is used as a readily determinable fair value to estimate fair value.

There were no Plan assets requiring Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2021 and 2020.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

8. TAX STATUS

The Plan obtained its latest determination letter on July 8, 2014, in which the Internal Revenue Service stated that the Plan and related trust as then designed, was in accordance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and the Plan and related trust continue to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management has evaluated tax positions taken by the Plan and does not believe it is exposed to uncertainty in income tax positions. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in process.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. PARTY-IN-INTEREST

Plan investments are managed by Reliance Trust Company, the trustee of the Plan's investments and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest transactions and are exempt from prohibited transaction rules of ERISA.

11. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 12, 2022, the date which the financial statements were available for issue.
