REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Trustees and Participants of
Residential Fire Protection 401(k) Plan
Las Vegas, Nevada

We have audited the accompanying financial statements of Residential Fire Protection 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Residential Fire Protection 401(k) Plan as of December 31, 2021 and 2020, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets Held for Investment Purposes, together referred to as "supplemental information," are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

RESIDENTIAL FIRE PROTECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. SUMMARY PLAN DESCRIPTION

The following description of Residential Fire Protection 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General – The Plan is a contributory, defined contribution 401(k) plan available to qualifying employees of the Company. The entire Plan assets were held by the Reliance Trust Company (the “Custodian”) for the Plan year ended December 31, 2021 and 2020. All non-leased employees who are at least 21 years of age are eligible to participate in the Plan upon completion of one year of continuous employment consisting of at least 1,000 hours. Additionally, participants must be employed on the last day of the Plan year to be eligible to participate in employer matching. Eligible participants may enter the Plan on the first day of the Plan year or the first day of the seventh month of the Plan Year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions – Participants may contribute in one percent increments up to 100% of their gross annual compensation, subject to certain limitations, with the contributions and earnings thereon being nontaxable until withdrawn from the Plan in accordance with the provisions of Section 401(k) of the Internal Revenue Code (the “Code”). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company’s matching contributions are discretionary and are equal to a uniform percentage of participant salary deferrals. For 2021 the Company matched fifty percent of each participant’s deferral amount up to a maximum of 6% of the respective participant’s compensation during the Plan Year.

Participant Accounts – Each participant’s account is credited with the participant’s salary deferral contributions and the Company’s matching contributions. Allocations are based on participant elective deferrals or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Vesting – Participants are fully vested in their own contributions to the Plan, plus any earnings thereon. Participants become vested in benefits provided by the Company contributions, plus earnings thereon, based on years of services in accordance with the following vesting schedule.

<u>Years of Service</u>	<u>Percentage of Account Vested</u>
Less than 3 years	0%
3 years and more	100%

Upon termination from employment by the Company, a participant’s non-vested portion of Company contributions and earnings is considered forfeiture and is used to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan.

Notes Receivable from Participants – The plan allows participants to borrow against their accounts. The maximum amount that can be borrowed is the lesser of 50% of a participant’s vested interest or \$50,000, which will be reduced by the excess (if any) of his or her highest outstanding aggregate loan balance during the 1-year period ending the day before this loan is made, over his or her outstanding aggregate loan balance on the day this loan is made. The minimum loan amount is \$500. Loans must be repaid by regular periodic payments for a period not greater than five years unless the loan qualifies as a residential mortgage loan which can be repaid over a period of up to 20 years.

Investment Options – Participants direct both employee and employer contributions to be invested in various investment options as made available and determined by the Plan Administrator, which are more fully described in the Plan document.

RESIDENTIAL FIRE PROTECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. SUMMARY PLAN DESCRIPTION (CONT.)

Payment of Benefits – Participants may receive the vested portion of some or all of their accounts in the Plan only in the event of termination, retirement, disability, and death. However, the Plan allows for participants to withdraw funds attributable to rollover contributions or voluntary after-tax contributions at any time.

Upon termination of employment, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account if the vested portion is greater than \$5,000. If the vested interest does not exceed \$5,000 a distribution will be automatically made to a participant. Upon termination at age 65, a participant will become one hundred percent vested in all of his or her accounts. Generally, if the participant remains employed, benefit payments will be deferred until actual employment termination.

Hardship Withdrawals – Participants may elect to withdraw funds from their 401(k) account; however, the hardship distribution is not in addition to the participant's benefits and will therefore reduce the value of the benefits received at retirement. A hardship distribution can only be made from accounts that are one hundred percent vested and may be made to satisfy certain and immediate qualifying expenses, which are more fully described in the Plan document.

Administrative Expenses – Trustee's fees are billed directly to the Organization, with the Trustee reserving the right to charge the fees and expenses directly to the Trust fund if not paid promptly by the Organization.

Forfeitures – Forfeitures represent those benefits accumulated by a non-vested participant which are waived by the participant upon termination of employment with company. Forfeited benefits may be used to reduce the contributions of the company for the Plan year in which such forfeitures occur.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES & ACCOUNTING UPDATES

Basis of Accounting – The Plan is accounted for on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of these financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make certain estimates and assumptions that affect the reported amounts of net assets available for plan benefits at the date of the financial statements. Actual results could differ from those estimates.

Investments – The Plan investments are stated at fair market value based on quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales transactions are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Realized and Unrealized Gain on Investments – The realized gain or loss on investments represents the difference between the proceeds at the transaction date and the cost or recorded value of the investment. Unrealized gains or losses on investments represent the net change at year-end between current value and the recorded value of the investments at the time of purchase or the beginning of the year, whichever is later.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES & ACCOUNTING UPDATES (CONT.)

Risks and Uncertainties – The Plan provides for various investment options in any combination of stocks, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits and the statement of changes in net assets available for Plan benefits.

The plan is subject to review by certain regulatory agencies. Management does not believe that the effect of such reviews, if any, will have a significant impact on the Plan.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. On December 31, 2021 and 2020 respectively, there were participant loans outstanding of \$31,022 with interest of 5.25% to 7.50% and maturities of April 2022 to December 2026 and there were participant loans outstanding of \$14,556 with interest of 5.25% to 7.50% and maturities of December 2021 to September 2025. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payments of Benefits – Benefits are recorded when paid.

Accounting Changes – In 2021, the FASB did not issue any Accounting Standards Updates applicable to the Plan.

3. EXCESS CONTRIBUTIONS PAYABLE

On December 31, 2021 and 2020, liabilities of \$23,250 and \$23,250, respectively, were recorded for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service.

4. FAIR VALUE MEASUREMENTS

ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1- Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2- Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the investment instrument.

Level 3- Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

7. INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the company by a letter dated July 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Service Code (IRC). The Plan has been amended, since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial documents sponsored by Reliance Trust Company. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

RESIDENTIAL FIRE PROTECTION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

7. INCOME TAX STATUS(CONT.)

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan Administrator believes it is no longer subject to income tax examinations for the years prior to 2018.

8. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. Upon termination of the Plan or complete discontinuance of contributions thereunder, each participant's account will become fully vested and non-forfeitable, and upon partial termination of the Plan, the account of each participant affected by the partial termination will become fully vested and non-forfeitable.

9. RELATED PARTY TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons. The Plan invests in certain funds of the Plan Custodian. ADP is the custodian and the recordkeeper.

Administrative expenses paid to ADP amounted to \$3,015 and \$3,456 for 2021 and 2020, respectively.

10. FORFEITED ACCOUNTS

On December 31, 2021 and 2020, forfeited non-vested accounts totaled \$0 and \$0, respectively. These accounts are normally used to reduce the plan expenses.

11. SUBSEQUENT EVENTS

The Plan has considered subsequent events through October 12, 2022, the date the financial statements were available to be issued, in preparing the financial statements and notes thereto.
