## **Independent Auditor's Report**

To the Plan Administrator and Participants of  
The Union League of Philadelphia Employee Savings & Retirement

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed audit of the accompanying financial statements of The Union League of Philadelphia Employee Savings & Retirement (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Supplemental Schedule Required by ERISA (continued)**

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EMPLOYEE SAVINGS & RETIREMENT**

**Notes to Financial Statements  
December 31, 2021**

**Note 1 – Description of plan**

General

The following description of The Union League of Philadelphia Employee Savings & Retirement (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution pension plan established on January 1, 1998. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan covers all employees of The Union League of Philadelphia (the “League”), who have completed one year of service and are age 18 or older. New employees are automatically enrolled into the Plan at a 3% salary deferral amount when they meet the above eligibility requirements. Eligible employees have the option to “opt out” of the Plan.

Contributions

Each year, participants may contribute a portion of their pre-tax compensation to the Plan, subject to certain limitations set by the Internal Revenue Code. After-tax Roth contributions may be made to this Plan. The League makes a safe harbor contribution of 3% of each eligible participant’s compensation to the Plan. The League may also make discretionary matching contributions of up to 4% of the participant’s compensation to the Plan. During 2021 and 2020, the League elected to match 3% of the participant’s compensation. The Plan allows for rollover contributions from other qualified plans.

Participant accounts

Each participant’s account is credited with the (a) the participant’s contribution, (b) allocations of the League’s contributions, and (c) Plan earnings, net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment options

Each participant may direct the investment of his/her account into certain available investment options offered by the Plan. The assets of the Plan are allocated to the applicable funds at the direction of the participant.

Vesting

Participants are immediately vested in their contributions and any safe harbor contributions plus actual earnings thereon. The League’s matching contributions and their earnings are 100% vested after three years of service.

**THE UNION LEAGUE OF PHILADELPHIA  
EMPLOYEE SAVINGS & RETIREMENT**

**Notes to Financial Statements (continued)  
December 31, 2021**

**Note 1 – Description of plan (continued)**

Forfeitures

At December 31, 2021, forfeited non-vested accounts totaled \$13,739. Forfeitures may be used to reduce future employer contributions and/or to pay administrative expenses of the Plan, as determined by the Plan, at its sole discretion. For the year ended December 31, 2021, forfeitures totaling \$18,519 were used to reduce employer contributions.

Participant notes receivable

Under the terms of the Plan, participants are not permitted to borrow from their accounts.

Payment of benefits

Upon termination of service due to death, disability or retirement, a participant or their beneficiary, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or installment payments. For termination of service due to other reasons, participants may receive the value of the vested interest in their account. If a participant terminates employment and the participant's account balance was less than \$5,000, the Plan Administrator will authorize the benefit payment without the participant's consent. In addition, participants may receive in-service distributions and hardship withdrawals under the provisions of the Plan document and the Internal Revenue Code.

Plan termination

Although it has not expressed any intent to do so, the League has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account.

**Note 2 – Summary of significant accounting policies**

Basis of accounting

The Plan's financial statements are prepared using the accrual basis of accounting, except for benefits that are recorded when paid.

Investment valuation and income recognition

The Plan's investments are stated at fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded when earned. Realized gains and losses on the sale of securities are computed on each individual security.

**THE UNION LEAGUE OF PHILADELPHIA  
EMPLOYEE SAVINGS & RETIREMENT**

**Notes to Financial Statements (continued)  
December 31, 2021**

**Note 2 – Summary of significant accounting policies (continued)**

Investment valuation and income recognition (continued)

The aggregate of (a) the net unrealized appreciation (depreciation) in the fair value of investments for the year, and (b) the net gains or losses on disposition of investments during the year is reflected as net appreciation in the fair value of investments for the year.

Management's fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Fair value measurements

The Plan reports its investments under the Financial Accounting Standards fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy under this standard are as follows:

- Level 1 – Unadjusted quoted prices in active markets for identical assets.
- Level 2 – Quoted prices for identical assets in markets that are not active, quoted prices for similar assets in active markets, inputs other than quoted market prices, and inputs derived principally from observable market data.
- Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following table sets forth the Plan's investment assets at fair value on December 31, 2021 and December 31, 2020 by level within the fair value hierarchy:

Fair value measurements (continued)

Registered investment companies (mutual funds)

The Plan's investments in mutual funds are stated at fair value based on the quoted market prices of the underlying securities within each fund. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price.

Common/collective trust

The NAV of the common/collective trusts are determined at the close of each business day based on the fair value of the respective investments. The NAV per unit is calculated as of the close of each business day. The NAV per unit is computed by dividing the total contract value of the assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation ("unit value"). These funds are measured at NAV as a readily determinable fair value. Investment income earned is reinvested in the Fund and included in the determination of unit values. The value of each participant's account on any date is determined by multiplying the number of units held by the "unit value" at the close of the business day.

Contributions

Contributions from participants are recorded as they are withheld from the participants' wages. Contributions from the Club are recorded in the period in which the related participant contributions are due.

Payment of benefits

Benefit payments to participants or their beneficiaries are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the League. Expenses that are paid by the League are excluded from these financial statements. Fees related to the administration of participants' accounts are included in administrative expenses. Investment and related expenses are included in net appreciation of fair value of investments.

Certain administrative functions are performed by officers or employees of the League. No such officer or employee receives compensation from the Plan.

December 31, 2021**

**Note 2 – Summary of significant accounting policies (continued)**

Risks and uncertainties

The Plan investments are exposed to various risks such as interest rate, market, credit and liquidity risks. Due to the level of risk associated with investments, it is reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. The Plan's investments are not insured or protected by the Pension Benefit Guaranty Corporation, or any other governmental agency, accordingly, the Plan is subject to the normal investment risks associated with mutual funds, common collective trusts and similar types of investments.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates

Subsequent events

The Plan has evaluated events and transactions for potential recognition or disclosure through September 18, 2022, which is the date of the financial statements were available to be issued.

**Notes to Financial Statements (continued)

**Note 4 – Information certified by the Plan’s Custodian**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the Custodian of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and December 31, 2020, and the Supplemental Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

**Note 5 – Party-in-interest transactions**

Plan investments are managed by Reliance Trust Company. Reliance Trust Company is the Custodian as defined by the Plan, and, therefore, transactions with the Custodian qualify as party-in-interest.

Other fees related to the investment advisory services and administrative services of the Plan were paid by the Plan or the League. These transactions qualify as party-in-interest transactions.

**Note 6 – Tax status**

The Plan obtained a determination letter, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the “Code”). The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Plan Administrator believes that the Plan was qualified and was tax-exempt as of the financial statement dates. Accordingly, the accompanying financial statements do not include a provision for income tax.
