Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 10, 2022, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Our Responsibility in Relation to the Financial Statement Audit (Continued)

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We have provided our comments regarding significant control deficiencies and other matters noted during our audit in a separate letter to you dated September 30, 2022.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimate affecting the financial statements is the allowance for loss on notes receivable from participants described in Note 2 to the financial statements. We evaluated the key factors and assumptions used to develop the estimate and determined that they are reasonable in relation to the financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust's financial statements relate to:

The disclosure of investment valuation in Note 2 to the financial statements which describes how investments are valued at any given date.

Significant Unusual Transactions

The material misstatements that we identified as a result of our audit procedures were brought to the attention of, and corrected by, management. To the Participants and Committee
All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Participants and Committee
All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Participants and Committee
All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust
Las Vegas, Nevada

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule H - Line 4(i) - Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of All Western Mortgage, Inc. (the Company) and All Western Mortgage, Inc. 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of the Company. Eligible employees are those who have completed three continuous months of service and are age twenty-one or older. The Plan has no excluded employees. The Plan is subject to the provisions of ERISA.

Plan Administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Trustee services are provided by Reliance Trust Company (the Trustee). The third-party administration services are provided by ADP Retirement Services.

Contributions

Eligible participants may defer up to 90.00% of eligible compensation. The total deferrals may not exceed the dollar limit of \$19,500, which is set by law for each of the years ended December 31, 2021 and 2020. Eligible participants who are age 50 or more by the end of the Plan year may make an additional catch-up contribution of up to \$6,500 both in 2021 and 2020.

Participants may rollover amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company may make a discretionary profit sharing contribution by resolution of its Board of Directors. No discretionary contributions were made for the years ended December 31, 2021 and 2020.

The Plan also provides for employer-matching contributions. The matching contributions for the years ended December 31, 2021 and 2020 were 25.00% of salary reduction contributions up to 4.00% of eligible compensation on a payroll by payroll basis.

1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (Continued)

The Company may decide to make a qualified non-elective contribution to the Plan, although the Company is not required to do so. The qualified non-elective contribution will be allocated to all employees eligible to participate in the Plan.

Participants direct the investment of their contributions into the various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings, and (c) participant forfeitures, and can be charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Participants are vested immediately in their contributions and employer-matching contributions plus actual earnings thereon. Vesting in employer discretionary profit sharing contributions and related earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service. If a participant terminates employment prior to the cumulative vesting period, the non-vested portion forfeited by the participant is used to reduce Company contributions.

Notes Receivable from Participants

A participant may borrow from their account, on a reasonably equivalent basis, a minimum of \$1,000 and a maximum equal to the lesser of \$50,000 or 50.00% of their account balance. A participant may only have one loan outstanding at any one time with the Plan. Loans are adequately secured and bear interest at a rate equal to the prime rate, as published in the Wall Street Journal on the fourteenth day of each month, plus 1.00%. Current loan maturity dates range from November 13, 2021 to January 12, 2027. Principal and interest are paid ratably through bi-weekly payroll deductions.

1. DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

Participants have the option of receiving qualified benefit payments from the Plan as follows: (1) a single lump-sum payment, (2) partial withdrawals, or (3) installments over a period not to exceed the life expectancy of the participant or joint and last survivor life expectancy of the participant and their designated beneficiary. Upon termination of service, a single lump-sum distribution can be made for vested account balances less than \$5,000. For vested account balances less than \$5,000 and greater than \$1,000, the participant must consent to any distribution before it may be made. For vested account balances that do not exceed \$1,000, a distribution will be made regardless of the participant's consent.

Account balances can be distributed prior to termination or retirement age for death or disability as defined in the Plan document.

The normal retirement age under the Plan is 65 years of age.

Under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE) Act, which was enacted on December 20, 2019, with certain provisions becoming effective January 1, 2020, participants who reach age 70 ½ after December 31, 2019 must begin taking minimum distributions from the Plan by April 1 of the calendar year following the year in which they reach age 72, increased from age 70 ½. Under the SECURE Act, participants who turned 70 ½ before January 1, 2020 would still begin taking distributions by the later of April 1 of the calendar year following the year in which they reach age 70 ½, or actual retirement if later. The SECURE Act also requires other provisions including plan eligibility, lifetime income disclosure, and post death required minimum distributions.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC) of the United States, an active participant may apply for an in-service distribution from their vested account balance if they have a qualifying hardship. Such distributions are taxable and do not require the participant to cease participation in the Plan.

Administration Fees

The Plan permits the payment of Plan expenses to be made from the Plan's assets. If expenses are paid using the Plan's assets, the expenses may be allocated among the accounts of all participants in the Plan. Certain other expenses may be charged to individual participant accounts in a uniform and nondiscriminatory basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Use of Estimates

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with generally accepted accounting principles in the United States of America. These require the Plan to make estimates and assumptions that affect the reported amounts of assets, liabilities, net assets available for benefits, disclosure of contingent liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Although the Plan uses its best estimates and judgments, actual results could differ from these estimates as future confirming events occur.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Allowance for Loss on Notes Receivable from Participants

A loan is in default if any scheduled payment remains unpaid beyond the last day of the calendar quarter following the calendar quarter in which the participant missed the scheduled payment. Upon default, the participant will have the opportunity to repay the loan, resume current status of the loan by paying any missed payment plus interest or requesting distribution of the note, if distribution is available under the Plan. If the loan remains in default, the Plan administrator will offset the participant's vested account balance by the outstanding balance of the loan to the extent permitted by law. The Plan administrator will treat the note as repaid to the extent of any permissible offset. Pending final disposition of the note, the participant remains obligated for any unpaid principal and accrued interest.

At December 31, 2021 and 2020, the Plan has determined there was no need for an allowance for losses on notes receivable from participants.

Payments of Benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned and dividends are recorded on the ex-dividend date. Capital gain distributions are included in investment income. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Plan determines the fair values of its assets and liabilities based on a fair value hierarchy established under applicable accounting guidance which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

There are three levels of inputs that may be used to measure fair value. The three levels are defined as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 inputs are those other than quoted prices that are observable for the asset or liability, either directly or indirectly.

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs reflect the Plan's own financial model using assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

Valuation Process and Techniques

The Plan has various processes and controls in place to ensure that the fair value is reasonably estimated. Market conditions are consistently monitored for fluctuations that could impact value. While the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020 that had, or are expected to have, a material impact on the Plan's financial position or results of operations.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Therefore, investments in mutual funds are classified as Level 1.

Investments in collective investment trusts (CIT): Valued using NAV practical expedient of the CIT as reported by the issuer of the CIT. The Plan uses a practical expedient of the NAV per share to measure investments that (a) do not have readily determinable fair value and (b) have the attributes of an investment company or prepare their financial statements consistent with the measurement principles of an investment company. The NAV practical expedient is based on the fair value of the underlying investments owned by the CIT, plus other assets, less its liability. The CIT can be redeemed at NAV as of the measurement date.

3. FAIR VALUE MEASUREMENTS

The Plan's fair value hierarchy for its assets measured at fair value on a recurring basis was as follows as of December 31,

	2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 7,554,074	\$ -	\$ -	\$ 7,554,074
Total Assets in the Fair Value Hierarchy	\$ 7,554,074	\$ -	\$ -	\$ 7,554,074

Investments at Fair Value				\$ 7,765,392

3. FAIR VALUE MEASUREMENTS (CONTINUED)

	2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,637,700	\$ -	\$ -	\$ 5,637,700
Total Assets in the Fair Value Hierarchy	\$ 5,637,700	\$ -	\$ -	\$ 5,637,700
Collective Investment Trusts (a):				205,899
Investments at Fair Value				\$ 5,843,599

- (a) Certain investments that are measured at fair value using net asset value per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

At December 31, 2021 and 2020, there were no non-recurring assets recorded at fair value.

4. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's investments are currently held in safekeeping with the Trustee. Investments are in accordance with the policy set by the Plan administrator or by subsequent policy amendments. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified the completeness and accuracy of the following information:

- Investments and participant notes receivable reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020,
- The related investment activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020,
- The supplemental Schedule H - Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants have a 100% non-forfeitable interest in their accounts, including Company contributions.

7. INCOME TAX STATUS

The Internal Revenue Service has determined and informed the prototype plan adopted by the Plan by a letter dated July 16, 2014 that the prototype plan is designed in accordance with applicable sections the IRC. Although the prototype plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and believes the Plan is qualified and that the related trust is tax-exempt.

Generally accepted accounting principles in the United States of America require the Company to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. As of December 31, 2021, there are 3 years open to examination by the Internal Revenue Service.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

11. DEEMED DISTRIBUTIONS

Deemed distributions and the related interest accrued were \$4,265 and \$0 at December 31, 2021 and 2020, respectively, and are included in benefits paid to participants in the accompanying statements of changes in net assets available for benefits.

12. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 30, 2022, the date the financial statements were available to be issued, and there were no subsequent events to report.
