INDEPENDENT AUDITORS' REPORT

To The Administrative Committee of
Mackin & Son Automotive, Inc. Profit Sharing Plan
300 SE Hearthwood Blvd
Vancouver, WA 98684

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Mackin & Son Automotive, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits of December 31, 2021, and the related statement of changes in net assets available for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Mackin & Son Automotive, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.10-8 of the Department of Labor's Rules Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier this is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mackin & Son Automotive, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient to provide a basis for ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 102(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mackin & Son Automotive, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with the generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mackin & Son Automotive, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mackin & Son Automotive, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103 (a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes, and Schedule of Assets Acquired and Disposed of In Plan Year 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content on the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To The Administrative Committee of
Mackin & Son Automotive, Inc. Profit Sharing Plan
300 SE Hearthwood Blvd
Vancouver, WA 98684

Report on the Financial Statements, December 31, 2020

We were engaged to audit the accompanying financial statements of the Mackin & Son Automotive, Inc. Profit Sharing Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Reliance Trust Company, the trustee of the plan, except for comparing such information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Other Matter

The supplemental Schedule of Assets Held for Investment Purposes At End of Year as of December 31, 2020 and Schedule of Assets Acquired and Disposed for the year ended December 31, 2020 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Mackin & Son Automotive, Inc.
Profit Sharing Plan
Notes to Financial Statements

NOTE 1 – PLAN DESCRIPTION:

The Mackin & Son Automotive, Inc. Profit Sharing Plan (the Plan) was established and originally effective May 1, 1981 by Mackin & Son Automotive, Inc. to encourage employee savings and to supplement other Company benefits and is administered by Mackin & Son Automotive, Inc. The Plan was restated to conform to new tax laws; the amendment and provisions became effective on November 1, 2017. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all non-union employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee Participation

Qualified employees are eligible to participate in the Plan for purposes of salary deferral after reaching age 18 and completing 90 days of service. Employees are eligible to participate in employer matching and profit share contributions after reaching age 18 and completing one year of service. Participants may elect to contribute a percentage of their eligible compensation or a specific dollar amount to the plan, subject to plan limits. The Employer may make discretionary matching contributions equal to a percentage of the participant's elective deferral which the Employer, in its sole discretion, determines from year to year. Participants are fully vested in all voluntary participant contributions. The Employer's matching contributions and profit sharing contributions are subject to a six year vesting schedule (0, 20, 40, 60, 80, 100).

Participant Loans

Loans are available to all qualifying participants on a reasonably equivalent basis. The minimum loan is \$ 1,000 and the maximum amount is the lesser of one-half of the participant's vested account balance or \$ 50,000 reduced by the highest outstanding loan balance in that participant's account during the prior twelve month period. A loan set up fee of \$ 75 is charged to the participant's account for each new loan processed. Each participant may only have one outstanding loan at any given time. All loans will bear a reasonable rate of interest as determined by the plan administrator based on the prevailing interest rates. All loans must be repaid in level payments through after-tax payroll deductions on at least a quarterly basis. A loan is considered in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due.

Withdrawals

Retirement benefits are payable in lump sum distributions or installments over a period of not more than the assumed life expectancy of the beneficiary. Partial withdrawals are available from amounts attributable to the participant's rollover account and Roth elective deferral account. Benefits are also payable upon a participant's death or total disability. If a participant's account balance does not exceed \$ 5,000, then his or her account balance may be distributed in a single lump-sum payment. When determining the value of the account, rollover contributions will not be included.

Profit Sharing Plan
Notes to Financial Statements (Continued)

NOTE 1 – PLAN DESCRIPTION (CONTINUED):

Contributions

Each year, participants may contribute a percentage of pretax annual compensation as defined in the Plan, as well as Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contributions and (b) earnings of the respective fund in which the participant's account is invested. Allocations of earnings are based on the participant account balance in the respective fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Forfeitures

The Employer may use forfeitures to pay plan expenses or to reduce amounts otherwise required to be contributed to the Plan. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$ 6,196 and \$ 2,357 respectively.

Investment Elections

The Plan is fully participant directed. Upon enrollment in the Plan, a participant may direct the investment of their entire interest in the Plan. The Administrator provides the participant with information on the investment choices available, the procedures for making investment elections, the frequency in which investment choices can be changed and other important information. If a participant does not direct the investment of his or her applicable plan accounts, then the participant's accounts will be invested in accordance with the default investment alternatives established under the Plan.

Income Tax Status

The Plan has obtained a favorable Internal Revenue Service determination letter dated July 16, 2014. Accordingly, no provision for income taxes is included in the financial statements. See note 6.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Investments

Investments are reported at fair value as determined by Reliance Trust Company, LLC, the Plan's trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Benefits Payable

In accordance with generally accepted accounting principles for employee benefit plans, the Plan does not classify benefits owed to vested or terminated participants as a liability until the benefit claims have been processed and approved for payment.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

Operating Expenses

All operating expenses of the Plan are paid by the Company and are therefore excluded from these financial statements.

NOTE 3 – FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosures* (ASC No. 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). There were no significant transfers between level 1 and level 2 measurements during the years ended December 31, 2021, and December 31, 2020. The three levels of the fair value hierarchy under ASC No. 820 are described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Mackin & Son Automotive, Inc.
Profit Sharing Plan
Notes to Financial Statements (Continued)

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED):

Level 2

Inputs to the valuation methodology include other observable inputs:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

During 2021, the plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$ 164,483. All net appreciation was derived from mutual funds.

NOTE 5 – INFORMATION CERTIFIED BY PLAN TRUSTEE:

The Employer has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The following information included in the accompanying financial statements and schedules have been prepared from information prepared and certified to as complete and accurate by the trustee, Reliance Trust Company, LLC. Information certified by the Plan trustee includes investment assets, transactions, income allocations, and the schedules of investments and reportable transactions.

NOTE 6 – INCOME TAX STATUS:

The Internal Revenue Service has determined and informed the Employer by a letter dated July 16, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the latest amendment having an effective date of November 1, 2017, the Plan’s administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a tax liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

Mackin & Son Automotive, Inc.
Profit Sharing Plan
Notes to Financial Statements (Continued)

NOTE 8 – PLAN TERMINATION:

Although they have not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 9 – SUBSEQUENT EVENTS:

Management has evaluated subsequent events through October 14, 2022, the date on which the financial statements were available to be issued. No events have occurred subsequent to the balance sheet date that would require adjustment.

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. The impact of COVID-19 continues to evolve rapidly, and the Company is not able at this time to estimate its full impact on the Plan's financial statements.

In addition, there is a deep uncertainty over global economy in 2022. One of the most urgent topics is inflation and rise in interest rates. Also supply shortages continue to persist with no definite end in sight. As of September 26, 2022, the S&P Index year-to-date performance is down 22.42 %. A review of the Plan's asset summary as of that date reflects a similar decrease in value. All these factors add to the uncertainty of the economic outlook and the management is not able to estimate its full impact on the Plan's financial statements.
