INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Anamet Electrical, Inc. Savings Plan
Mattoon, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Anamet Electrical, Inc. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Anamet Electrical, Inc. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Anamet Electrical, Inc. Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Anamet Electrical, Inc. Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibility for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Anamet Electrical, Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Anamet Electrical, Inc. Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT (Continued)

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ANAMET ELECTRICAL, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

1 DESCRIPTION OF PLAN

The following description of the Anamet Electrical, Inc. (Employer) Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL -- The Plan is a defined contribution plan covering substantially all employees age 18 or older with ninety days of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS -- Participants may elect to contribute, on a pre-tax or post-tax basis, up to the I.R.C. 402(g) limit (\$19,500 for the years ended December 31, 2021 and 2020) of covered compensation. Participants age 50 or over may elect to make a catch-up contribution, on a pre-tax or post-tax basis, up to the I.R.C. 414(v) limit (\$6,500 for the years ended December 31, 2021 and 2020) of covered compensation. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions made on a pre-tax or post-tax basis are subject to certain maximum limitations as defined by the IRS.

Participants may elect to have all or any portion of his or her deferral contributions and catch-up contributions treated as designated Roth contributions. For the calendar year, the maximum amount of elective contributions that a participant can designate as Roth contributions equals the maximum amount of deferral contributions and catch-up contributions according to the I.R.C. limits above, reduced by the aggregate amount of the participant's deferral contributions and catch-up contributions for the calendar year that the participant does not designate as Roth contributions.

The Employer may make matching contributions to participants during the Plan year, and the Plan Administrator determines the dates the matching contribution is allocated. For the years ended December 31, 2021 and 2020, the Employer contributed an amount equal to 50% of participant contributions up to a maximum of 4% of compensation. Each year, the Employer may also, contribute an additional discretionary amount. The Employer did not make a discretionary contribution for the years ended December 31, 2021 and 2020.

PARTICIPANT ACCOUNTS -- Each participant's account is credited with the participant's contribution, the Employer's matching contribution, and an allocation of the discretionary profit-sharing contribution and fund earnings. Allocations are based upon covered compensation or account balances as defined in the Plan agreement.

Participants may transfer amounts between funds at any time during the year. The trustee reinvests the amounts to reflect these changes. At the end of the year, the investments are presented net of any transfers in process as directed by the participants.

VESTING -- All participant contributions and income thereon are fully vested at all times. Vesting of amounts related to Employer contributions is based on years of service. A participant is 20% vested after one year, 40% vested after two years, 60% vested after three years, 80% vested after four years, and 100% vested after completion of five years of service. Employer contributions and income thereon vest immediately in the case of death, permanent disability, normal retirement, attainment of age 65, or upon termination of the Plan.

Years Ended December 31, 2021 and 2020

1 DESCRIPTION OF PLAN (continued)

NOTES RECEIVABLE FROM PARTICIPANTS -- Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested plan account balance. The loans are secured by the balance in the participant's account and bear an interest rate of 4.25%-7.00%, which is a reasonable rate of interest based on the prevailing interest rates charged by persons in the business of lending money for loans under similar circumstances, as determined by the Plan administrator. Principal and interest is paid through payroll deductions. A loan set up fee of \$125 is charged to participants requesting loans. Participants are allowed one outstanding loan at a time.

PAYMENT OF BENEFITS -- Upon termination or retirement, a participant's account can be distributed in the form of a lump-sum payment or may be deferred until April 1 of the calendar year next following the later of the calendar year in which the participant attains age 70 1/2 or the calendar year in which the participant retires. An eligible rollover distribution is also permitted. If the value of a participant's account is less than \$5,000, a lump sum distribution will be made without regard to the consent of the participant as soon as administratively feasible.

FORFEITURES -- For the years ended December 31, 2021 and 2020, forfeitures may be used to first pay the reasonable expenses of administering the Plan and then to reduce the Employer's contributions. Forfeitures amounted to \$15,095 and \$8,924 for the years ended December 31, 2021 and 2020, respectively. The amount of expenses paid with forfeitures was \$0 for the years ended December 31, 2021 and 2020. The amount of forfeitures applied to reduce the contributions of the Employer was \$15,105 and \$8,932 for the years ended December 31, 2021 and 2020, respectively. The forfeiture account balance was \$10 at December 31, 2021 and 2020.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION -- The accompanying financial statements of the Plan have been prepared on the accrual basis and present the net assets available for plan benefits and changes in those net assets, except for benefits, which are recorded when paid.

INVESTMENT VALUATION AND INCOME RECOGNITION -- The Plan's investments are stated at fair value (except for the fully benefit-responsive common collective trust at December 31, 2021 and 2020, which is reported at contract value). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investments held by an investment company are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets of an investment company attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the underlying defined-contribution plans.

ESTIMATES -- The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

3 FAIR VALUE MEASUREMENTS

The fair value measurement accounting standard establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures the fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and Level 3 inputs are used only when Level 1 inputs are not available.

Level 1 Fair Value Measurements - The fair value of registered investment company shares is based on quoted market prices which represent the net asset value of shares held by the Plan at year-end.

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
December 31, 2021:		
Investments measured at fair value	<u>\$ 6,347,486</u>	<u>\$ 6,347,486</u>
December 31, 2020:		
Investments measured at fair value	<u>\$ 6,012,106</u>	<u>\$ 6,012,106</u>

4 STABLE VALUE FUND

As of May 1, 2019, the Plan entered into an Agreement of Participation with Reliance Trust Company to invest in the Reliance Trust Company Stable Value Fund Collective Investment Trust MetLife Series 25053 Class 0. The stable value fund had a balance of \$391,871 and \$122,090 at December 31, 2021 and 2020, respectively. Contributions to the Fund are held in a general trust account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract provides for a fixed interest rate for a fixed period that will apply to the entire guaranteed value. The interest rate is reset every quarter as determined by MetLife.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Fund imposes certain restrictions on the Plan, and the Fund itself may be subject to circumstances that affect its ability to transact at contract value, as described in the following paragraph. The Plan Administrator does not believe that the occurrence of any such event, which would cause the fund to transact at less than contract value, is probable.

NOTES TO FINANCIAL STATEMENTS (Continued)

Years Ended December 31, 2021 and 2020

4 STABLE VALUE FUND (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) Participants make withdrawal requests with advice or direction from the plan sponsor, plan administrator, plan fiduciary or agent of any of the foregoing to do so, (2) an investment option has been established by the participating plan or the investment objective of an existing investment option of the participating plan has been modified so as to constitute or create a competing fund, (3) The plan sponsor, plan administrator, plan fiduciary, or any agent of any of the preceding, of the participating plan establishes a new eligible plan or amends an existing eligible plan and such plan covers participants in the participating plan and offers participants a competing fund, and (4) participating plan makes a withdrawal for any reason, except for a participant-directed withdrawal.

5 INFORMATION CERTIFIED BY THE TRUSTEE

The Plan has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan has obtained certifications from its trustee, Reliance Trust Company, for 2021 and 2020, that all of the information provided by Reliance Trust Company is complete and accurate. The following information is included in the accompanying financial statements and was obtained from data that has been prepared and certified to as complete and accurate by Reliance Trust Company.

	2021	2020
Registered investment company shares, at fair value	\$ 6,347,486	\$ 6,012,106
Stable value fund, at contract value	391,871	122,090
Notes receivable from participants	144,756	125,654
Net appreciation in fair value of investments	220,204	686,526
Dividends	717,437	233,384

6 PLAN ADMINISTRATIVE EXPENSES

Certain administrative expenses of the Plan have been paid by the Plan sponsor for the years ended December 31, 2021 and 2020, respectively. The Plan did not pay administrative expenses for participant loan processing fees, which were charged to participants' accounts.

7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested.

8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS (Continued)

Years Ended December 31, 2021 and 2020

9 TAX STATUS

The Internal Revenue Service has determined and informed the Plan's third-party administrator, in a letter dated October 6, 2020, that the volume submitter profit sharing plan document provided by the third-party administrator and adopted by the Plan is qualified under appropriate sections of the Internal Revenue Code. The Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10 PARTY-IN-INTEREST TRANSACTIONS

ADP Retirement Services, TPA, provided investment management services to the Plan which qualifies as party-in-interest transactions. Fees paid directly to the TPA by the Plan for these investment management services were \$36,296 and \$31,437 for the years ended December 31, 2021 and 2020, respectively. The Plan also transacts with certain other parties who may perform services to the Plan. Such parties qualify as parties-in-interest.
