INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Lewis Marine Supply 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Lewis Marine Supply 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of
Lewis Marine Supply 401(k) Plan

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator of
Lewis Marine Supply 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator of
Lewis Marine Supply 401(k) Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Statement of Net Assets Available for Benefits as of December 31, 2020

Management is responsible for the accompanying financial statements of Lewis Marine Supply 401(k) Plan, which comprises the statement of net assets available for benefits as of December 31, 2020. We have performed a compilation engagement in accordance with *Statements on Standards for Accounting and Review Services* promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the statement of net assets available for benefits as of December 31, 2020, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the statement of net assets available for benefits as of December 31, 2020.

LEWIS MARINE SUPPLY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2021

NOTE 1 - PLAN DESCRIPTION

General

The following description of the Lewis Marine Supply 401(k) Plan (the “Plan”), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

The Plan, which was established on January 1, 2020, and subsequently amended, is classified as a defined contribution safe harbor 401(k) plan, covering eligible employees of Lewis Marine Supply, LLC (the “Plan Sponsor”). The primary purpose of the Plan is to provide retirement savings benefits to employees of the Plan Sponsor. The Plan is subject to provisions of the Employee Retirement Income Securities Act of 1974 (“ERISA”).

Net Asset Transfer

On December 1, 2020, the Plan Sponsor acquired D.S. Hull Company, Inc., a wholesale and retail distributor of boating equipment. On May 3, 2021, the net assets of the D.S. Hull Company 401(k) Plan were transferred to the Plan in accordance with the acquisition agreement.

Contributions

Each year, participants may contribute a percentage of their compensation via a salary deferral agreement, not to exceed the Internal Revenue Service (“IRS”) limit, that may be pre-tax or Roth (after tax) contributions. The employer may make discretionary matching contributions on behalf of each participant at an amount equal to a percentage of the participant’s total deferral contributions made during such Plan year. For the year ended December 31, 2021, the Plan Sponsor made matching contributions equal to 100% of participant salary deferrals that did not exceed 3% of participant compensation plus 50% of salary deferrals between 3% and 5% of participant compensation.

NOTE 1 - PLAN DESCRIPTION (Continued)

Participant Accounts

Under the Plan, a separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, employer contributions, and allocations of Plan earnings, and is charged with an allocation of administrative expenses, if any. Participant contributions and employer matching contributions are allocated, at the participant's election, to investment funds held at Reliance Trust Company (the "Plan Custodian"). Plan earnings are allocated based on actual earnings of the respective participant's investments. Participants may change their investment options at any time with certain exceptions.

Participant Loans

Participants may borrow from their accounts a minimum of \$500 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Participants may only have a maximum of two outstanding loans at a time. The notes are collateralized by the balance in the participant's account and bear interest at a rate equal to 3.25% to 5.75%. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are fully vested in their own contributions, employer contributions, and rollover accounts, plus actual earnings thereon.

Payment of Benefits

Benefit payments are to be disbursed in either a lump-sum payment or through installments over a period of not more than your assumed life expectancy.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments as of December 31, 2021, were held in mutual funds and in a fully benefit-responsive investment contract. Investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan Custodian offers fully benefit-responsive investment contracts, which have the New York Life Anchor Account (the "Stable Value Option") as the only underlying investment option. Investments held in the Stable Value Option are deemed to be fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Contract value, as reported by the issuer, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Interest is credited, based upon the daily balance of the Stable Value Option. The average yield earned by the Plan is equal to the actual interest rate credited to Plan participants. The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contracts is dependent upon the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

Withdrawals influenced by Plan Sponsor-initiated events, such as reallocation of investments, may result in a distribution at other than contract value. There are no reserves against contract values for credit risk of contract issuers or otherwise.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in the fair value of the Plan's investments for each year is reflected in the statement of changes in net assets available for benefits as net appreciation in fair value of investments.

The preceding methods described may produce a fair or contract value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus accrued but unpaid interest.

Contributions

Contributions to the Plan are recorded in the period in which they become obligations of the Plan Sponsor.

Payment of Benefits

Participant benefits are recorded when paid. As of December 31, 2021 and 2020, there were no amounts allocated to accounts of participants who elected to withdraw from the Plan but had not yet been paid.

Administrative and Other Costs

During 2021, administrative and other costs of approximately \$20,000 were charged directly to the Plan. Certain other investment fees, commissions, and reporting expenses are included in net appreciation in fair value of investments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America and with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events for potential reporting and disclosure through October 12, 2022, which is the date the financial statements were available to be issued (see Note 9).

NOTE 3 - PLAN CERTIFICATION

The Plan Custodian holds the Plan's investments and executes all investment transactions. All investment and participant loan information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritize the inputs of valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement in its entirety.

The three levels of the fair value hierarchy are described below:

- Level 1** Unadjusted quoted prices in active markets for identical assets or liabilities the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Significant, unobservable inputs for the asset or liability in which little or no market data exists.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of:

December 31, 2021

	Fair Value Measurements			Total
	Level 1	Level 2	Level 3	
Assets:				
Mutual Funds	\$ 4,683,328	\$ -	\$ -	\$ 4,683,328

December 31, 2020

	Fair Value Measurements			Total
	Level 1	Level 2	Level 3	
Assets:				
Mutual Funds	\$ 244,422	\$ -	\$ -	\$ 244,422

There were no transfers among fair value levels during the years ended December 31, 2021 and 2020.

NOTE 5 - INCOME TAX STATUS

The Plan is a qualified trust under Section 401 of the Internal Revenue Code ("IRC") and is subject to the provisions of ERISA. The Plan is a prototype plan prepared and maintained by the Plan Custodian. The prototype plan obtained its latest determination letter on October 6, 2020, in which the IRS stated that the prototype plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan administrator believes that the adopted and amended Plan continues to qualify and will remain exempt from federal income taxes under Section 401 of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Custodian.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the rights of the affected participants shall be fully vested and non-forfeitable. Plan assets shall be distributed among the participants in proportion to their respective account balances as of the date of termination.

NOTE 8 - COVID-19 AND CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was signed into law. The CARES Act, among other things, added a new type of hardship withdrawal that waives the withdrawal penalty to participants that (1) are diagnosed with COVID-19, (2) have a spouse or dependent that are diagnosed; or (3) experience adverse financial consequence because of being quarantined, furloughed or laid off, or having reduced work hours, or who are unable to work because of a lack of childcare, or the closing or reduced hours of a business they own or operate, or other factors, as determined by the Secretary of Treasury. The CARES Act also provides relief for payments due under notes receivable from participants by increasing the maximum borrowing amount to \$100,000 or 100% of the participant's vested account balance and permitting repayments of loans to be delayed by up to one year for qualifying participants. The CARES Act also allows plans to suspend making the required minimum distributions in 2020 that would otherwise have been required.

The Plan adopted these provisions of the CARES Act during the year ended December 31, 2021 and has until December 31, 2022 to formally amend the Plan.

NOTE 9 - SUBSEQUENT EVENT

Effective April 5, 2022, custodial and recordkeeping functions of the Plan were transferred from the Plan Custodian to a different company.
