INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee of Wescast Industries, Inc. 401(k) Plan
Sterling Heights, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Wescast Industries, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Very truly yours,

Certified Public Accountants

WESCAST INDUSTRIES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - Description of Plan:

The following brief description of the Wescast Industries, Inc. 401(k) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

1. General - The Plan is a defined contribution Plan covering substantially all employees of United Machining Inc. and Wescast Holdings USA, Inc. ("Company") who are age twenty-one or older and who have six months of service. Collectively bargained, leased and contract employees are not eligible. Entry dates are the first of the month coinciding with or following eligibility requirements being met. The Plan has a safe harbor matching contribution. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is currently provided as a prototype plan by ADP, LLC.
2. Contributions - Eligible employee participants may authorize the Company to withhold from 1% to 90% of their compensation, as defined in the Plan, as a pre-tax elective deferral contribution. Eligible participants may also make after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from another retirement plan. Segregated accounts are maintained for each participant. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 18 mutual funds and 5 common/collective trusts as investment options for participants. The Plan includes an automatic salary deferral feature. After meeting the eligibility requirements, 2% of an employee's pay will be automatically withheld unless the employee elects out. The Company provides an employer safe harbor matching contribution of 100% of the first 6% of base compensation that a participant contributed to the Plan. The employer may make matching contributions or profit sharing on a discretionary basis. There were no discretionary employer contributions for 2021. Contributions are subject to certain limitations.
3. Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting - Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Accounts funded by the employer's safe harbor matching are 100% vested. Vesting in the portion of their accounts funded by discretionary employer's matching and profit sharing contributions plus earnings thereon is based on years of continuous service according to the following schedule. An employee's vesting percentage increases to 100% if, while employed, the employee dies or becomes disabled.

NOTE A - Description of Plan (continued):

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participants of Westcast Industries, Inc. 401(k) Plan who were eligible prior to January 1, 2015 are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	0%
2 or more	100%

5. Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 4.25% to 6.50%, which is commensurate with local prevailing rates as determined by the Trustees. Only one loan may be outstanding at a time. As of December 31, 2021 and 2020, the balance of outstanding loans was \$50,309 and \$92,633, respectively. Principal and interest is paid ratably through monthly payroll deductions.
6. Forfeited Accounts - At December 31, 2021 and 2020 forfeited nonvested accounts totaled \$194 and \$28, respectively. These accounts may be used at the employer's discretion to reduce employer fees and future employer contributions. In 2021, employer contributions were reduced by \$1,974.
7. Payment of Benefits - On termination of service due to any reason, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in partial withdrawals for certain distributions. If a participant's vested account balance is \$5,000 or less, the vested account balance is automatically paid out to a participant on termination, or for vested accounts greater than \$1,000, rolled into an IRA account for the participant. In addition, in-service distributions are permitted if the individual is at least 59 ½ years of age or cites a financial hardship as defined by the Plan.

NOTE B - Summary of Significant Accounting Policies:

1. Basis of Accounting - The financial statements of the Plan are maintained on the accrual basis.

WESCAST INDUSTRIES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE B - Summary of Significant Accounting Policies (continued):

2. Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.
3. Investments Valuation - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements. Participant loans are valued at their outstanding balances, which approximate fair value.

On each Statement Date, a proportionate share of the investment earnings (or losses, if any) of a participant's selected investment funds will be allocated to their account(s).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

4. Administrative Expenses - Certain administrative expenses of the Plan are paid directly by the Company.
5. Uses of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.
6. Payment of Benefits - Benefits are recorded when paid.
7. Subsequent Events - Subsequent events were evaluated through September 12, 2022, which is the date the financial statements were available to be issued.

Effective July 31, 2022, the Plan was restated as a result of the adoption of a new pre-approved basic Plan document provided by ADP, LLC, which was approved by the Internal Revenue Service per an opinion letter dated October 6, 2020.

WESCAST INDUSTRIES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE C - Fair Value Measurements:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the period presented.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts: The fair value of common collective trusts for which quoted market prices are not available are based on the underlying securities less its liabilities. The investments are measured at fair value using net asset value per share (or its equivalent) as a practical expedient, and therefore; is not categorized in the fair value hierarchy.

The preceding method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements at Reporting Date Using: Quoted Prices in Active Markets for Identical Assets (Level 1)		Total
December 31, 2021:			
Mutual funds	\$	3,045,064	\$ 3,045,064
Total assets in the fair value hierarchy	\$	3,045,064	\$ 3,045,064
Investments measured at net asset value (a)			379,832
Investments at fair value			\$ 3,424,896

NOTE C - Fair Value Measurements (continued):

	Fair Value Measurements at Reporting Date Using: Quoted Prices in Active Markets for Identical Assets (Level 1)		Total
December 31, 2020:			
Pooled separate accounts	\$	3,706,376	\$ 3,706,376
Total assets in the fair value hierarchy	\$	3,706,376	\$ 3,706,376
Investments measured at net asset value (a)			-
Investments at fair value			\$ 3,706,376

(a) In accordance with Subtopic 820-10 certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Fair Value of Investments in Entities that use Net Asset Value Per Share Practical Expedient

The following tables summarize investments measured at fair value using the NAV per share practical expedient as of December 31, 2021 and 2020:

December 31, 2021:	Fair Value 12/31/21	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trusts	\$ 379,832	\$ -	Daily	1 day
Total	\$ 379,832	\$ -		

December 31, 2020:	Fair Value 12/31/20	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trusts	\$ -	\$ -	Daily	1 day
Total	\$ -	\$ -		

Pooled Separate Accounts: Valued at the basis of the underlying investments held by the pooled separate account (PSA). The pooled separate accounts invest mainly in domestic stocks and mutual funds, where the majority of the underlying securities have observable Level 1 quoted pricing inputs. The net asset value (NAV) is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date.

Stable Value Pooled Separate Account: Valued at the NAV of shares in the account held by the Plan. NAV is based on the contract value for the stable value fund collective investment trust ("CIT"). Investments held by a CIT are required to be

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE C - Fair Value Measurements (continued):

reported at fair value, however, contract value is the relevant measurement characteristic for that portion of the net assets of a CIT. The NAV of the CIT is not publicly quoted but is the basis for current transactions. The CIT can be redeemed at NAV as of the measurement date and has a readily determinable fair value.

NOTE D - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

NOTE E - Tax Status:

ADP, LLC, the prototype Plan sponsor for the Plan, obtained an opinion letter dated July 16, 2014, in which the IRS stated that the restated prototype Plan documents were in compliance with applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE F - Information Certified by Custodian/Trustee:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA for 2021 and 2020. Accordingly, Reliance Trust Company, the trustee of the Plan and John Hancock Life Insurance Company, the custodian of the Plan (prior to January 5, 2021), have certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and December 31, 2020, and the Supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

WESCAST INDUSTRIES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE G - Related-Party/Party-In-Interest Transactions:

Certain Plan investments included in the investment contract are managed by Reliance Trust Company. Reliance Trust Company is the custodian/trustee as defined by the Plan. ADP, Inc. is the Plan's third-party administrator/recordkeeper. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the administrative services amount to \$11,986 for the year ended December 31, 2021.

Sigma Planning Corporation is the Plan's investment advisor. Fees paid by the Plan for investment advisory services amount to \$14,950 for the year ended December 31, 2021.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE H - Risks and Uncertainties:

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

As a result of the continuing COVID-19 pandemic and associated supply chain disruptions, economic uncertainties have arisen which have negatively impacted the Plan's performance. The extent of the impact of COVID-19 on Plan performance will depend on certain developments, including the duration and spread of outbreak, duration of supply chain disruptions, and impact on the Plan sponsor's customers, employees and vendors, all of which are uncertain and cannot be predicted. At this point, the extent to which these issues may impact Plan performance is uncertain.

NOTE I - Plan Amendments During Reporting Period:

Effective January 1, 2021, the Plan adopted a prototype basic Plan document by ADP, LLC with several new provisions. The Plan also changed its trustee from Wilmington Trust, National Association to Reliance Trust Company.

As a result of the adoption of these new provisions, eligible employee participants may now make Roth deferral contributions and may also authorize the Company to withhold from 1% to 90% of their compensation as either pre-tax or Roth elective deferral contributions. The minimum amount that a participant may borrow from their fund accounts was decreased from \$1,000 to \$500. Also, Plan entry dates are now on the first day of the month following satisfaction of eligibility requirements.
