## INDEPENDENT AUDITORS' REPORT

To the Trustees  
of the Quality Home Services 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Quality Home Services 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**QUALITY HOME SERVICES 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following description of the Quality Home Services 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan that was established August 1, 1997 by B and D Quality Water, Inc. (referred to herein as the Company) to provide benefits to eligible employees, as defined in the Plan document. Full-time employees are eligible to participate in the Plan after completing six months of employment, which is defined as the employee completing a minimum of 500 hours of service within a 6-month consecutive time period and attaining age 18. Employees are eligible to participate in the Plan on the first day of the month following the date of the employee meeting all eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration: The Company is the Administrator of the Plan. The Company appointed Reliance Trust Company to be the Trustee of the Plan. ADP, LLC, a third-party administrator, appointed by the Company, processes and maintains the records of participant data. Reliance Trust Company also acts as the custodian of Plan assets.

Participant contributions: Each year participants may contribute up to 90% of their eligible annual salary as defined by the Plan to the Plan, subject to certain Internal Revenue Code limitations. Participants can voluntarily contribute to pre-tax (regular) or after-tax (Roth) salary deferrals up to the allowable amount per IRS regulations. Contributions are withheld from each participant's compensation and invested in accordance with the participant's instructions. The Plan has an automatic contribution feature. In the event a participant fails to complete a deferral election form provided by the employer, the participant's eligible compensation will automatically be reduced by two percent for a contribution to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans, classified as rollover contributions.

Employer contributions: Annually, the Plan can make a discretionary employer contribution. For the year ended December 31, 2021, the Company contributed a matching contribution of 50% of the first 4% of participants' salary reduction contributions totaling \$76,487.

The Company can also elect to make a discretionary profit sharing contribution to the Plan. The Company did not contribute additional profit sharing contributions for the year ended December 31, 2021.

Participant accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and, (b) Plan earnings, and are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

Vesting: Participants are vested immediately in their salary deferral contributions and rollover contributions, plus actual earnings thereon. Vesting in employer matching contributions and profit sharing contributions, plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

**QUALITY HOME SERVICES 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**NOTE 1 – DESCRIPTION OF THE PLAN (continued)**

Forfeitures: Forfeitures remain subject to being restored for five years after a participant terminates employment. Forfeitures occur when a participant's employment is terminated before the vesting period of the participant's interest in Plan assets is complete. Forfeitures are disposed of during the Plan year following the Plan year in which forfeitures occur. Forfeitures of Company contributions may be first used to pay administrative expenses and any remaining forfeitures may be used to reduce Company contributions. At December 31, 2021 forfeited non-vested contributions totaled \$1,054. During the year ended December 31, 2021 no forfeitures were used to pay the administrative expenses of the Plan. During the year ended December 31, 2021, \$1,054 of forfeitures were used to reduce Company contributions.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. Note receivable transactions are treated as a transfer to (from) the investment fund from (to) the participant notes receivable fund. Participants may have a maximum of two plan loans outstanding at any time. Note receivable terms range from one to five year, or up to thirty years for the purchase of a primary residence. The notes receivable are collateralized by the balance in the participant's account and bear interest at a rate equivalent to the prime rate as published in the Wall Street Journal on the 14th day of each month (or on the first business day preceding the 14th in the event the 14th is not a business day), plus one percent, with the principal and interest paid ratably through weekly payroll deductions. The interest rate will be fixed for the duration of the loan.

Payment of benefits: The Plan provides for the payment to the participant (or, if applicable, the beneficiary) at normal retirement (age 65), disability, death, financial hardship or termination of employment. In-service distributions are also permitted if the participant has attained age 59 ½ or normal retirement age. Participants who qualify for retirement benefits will receive their benefits in the form of a lump-sum amount equal to the value of the participant's vested interest in their account, or payments over a certain period in monthly, quarterly, semiannual, or annual cash payments, or partial withdrawals. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The benefit to which a participant is entitled is the benefit that can be provided directly from the participant's vested account balance. Hardship withdrawals are available to participants under certain qualifying events of immediate financial need, if it meets IRS requirements. Participants who separate from service and have a vested account balance of \$5,000 or less are subject to an administrative distribution at the discretion of the Plan administrator.

Retirement: Normal retirement age is the first day of the month coinciding with or following a participant's 65<sup>th</sup> birthday.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting: The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value (except for the investments in collective trusts measured at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

**QUALITY HOME SERVICES 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Investment valuation and income recognition (continued): The net appreciation or decline in fair value investments includes the realized gain or loss on the sale of securities and unrealized appreciation or depreciation arising from the differences between fair value at the beginning and end of the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. No allowance for credit losses was recorded as of December 31, 2021. Delinquent participant notes receivable are recorded as distributions on the basis of the terms of the Plan agreement.

Corrective Distributions Payable: Corrective Distributions payable to participants are measured as their excess contribution plus any earnings thereon. Corrective distributions payable at December 31, 2021 were \$24,218.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions and participant loans are charged directly to the participant's account and are included in administrative expenses. Contract administration fees paid by forfeitures are included in administrative expenses (see Note 1). Certain investment related expenses are charged directly by the funds and are thereby factored into each fund as a reduction in investment return.

Subsequent events: In compliance with accounting standards, management has evaluated events that have occurred after year-end to determine if these events are required to be disclosed in the financial statements. Management has determined no such events require disclosure in accordance with accounting standards. These subsequent events have been evaluated through October 14, 2022, which is the date the financial statements were available to be issued.

**NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Reliance Trust Company, the custodian of the Plan, has certified as being complete and accurate the investments on the Statement of Net Assets Available for Benefits, the investment activity reflected in the Statement of Changes in Net Assets Available for Benefits, and the investment information included in the supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) of the financial statements as of and for the year ended December 31, 2021. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any additional auditing procedures with respect to the information certified as complete and accurate by the Plan's custodian.

**NOTE 4 – FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
  
- Level 2      Inputs to the valuation methodology include:
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
  
- Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**QUALITY HOME SERVICES 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**NOTE 4 – FAIR VALUE MEASUREMENTS (continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and there have been no transfers between levels during the year ended December 31, 2021.

*Mutual funds:* Valued at the net asset value (NAV) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

|                                                    | Assets at Fair Value as of December 31, 2021 |         |         |              |

\*Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

**NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Party-in-interest transactions include those with fiduciaries or employers of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such employer or employee association, or relatives of such persons.

**QUALITY HOME SERVICES 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (continued)**

The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

The Third-Party Administrator of the Plan provides various management and record-keeping services to the Plan and received compensation and other fees for these services and, therefore, qualify as a party-in-interest. For the year ended December 31, 2021, total fees and commissions paid to this party-in-interest totaled \$20,914.

The owners of the Plan sponsor and relatives employed by the Plan sponsor are participants in the Plan, and therefore, qualify as parties-in-interest.

The Plan's sponsor provided certain administrative services at no cost to the Plan. These transactions are considered to be exempt party-in-interest transactions.

There were no transactions with any parties-in-interest that would be considered prohibited transactions by DOL regulations.

**NOTE 6 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their employer contributions. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

**NOTE 7 – TAX STATUS**

The Plan has adopted a prototype, 401(k) profit sharing plan established by ADP, LLC. The prototype plan obtained an opinion letter in June 2020, in which the Internal Revenue Service stated that the form of the prototype plan, as then designed, was acceptable under Section 401 of the IRC. The Plan's Administrative Committee and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

**NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan provides a variety of investment options in any combination of mutual funds that are offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of investment risk associated with certain investment securities, it is at least reasonably possible that changes in risk in the near term would materially affect participant account balances and the amounts reported in the accompanying financial statements.

**NOTE 9 – PRIOR PERIOD ADJUSTMENT**

A prior period adjustment of \$15,243 was recorded to adjust Employer Contributions as of December 31, 2020 for employer contributions which had been incurred in the year ended December 31, 2020 and were included in employer contributions for the year ended December 31, 2021. The adjustment decreased Employer Contributions by \$15,243 and increased Net Assets Available for Benefits by \$15,243 as of December 31, 2020.

**NOTE 11 – COVID-19 CONTINGENCY**

Management has determined the events regarding the Novel Coronavirus require disclosure in accordance with accounting standards. On March 4, 2020, Governor Newsom issued an emergency proclamation declaring a state of emergency in California due to the Novel Coronavirus (COVID-19). The COVID-19 outbreak is ongoing, and the ultimate geographic spread of the virus, the duration of the severity of the outbreak, and the economic and other actions that may be taken by governmental authorities to contain the outbreak or treat its impact are uncertain. A vaccination has been created and is being administered throughout the State, including the Plan's service area. The ultimate impact of COVID-19 on the operations and finances of the Plan remains unknown.
