Independent Auditors' Report

Plan Administrator
ModivCare Solutions, LLC Retirement Plan
Denver, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of ModivCare Solutions, LLC Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

Plan Administrator
ModivCare Solutions, LLC Retirement Plan
Denver, Colorado

We were engaged to audit the accompanying statement of net assets available for benefits of ModivCare Solutions, LLC Retirement Plan (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

MODIVCARE SOLUTIONS, LLC RETIREMENT PLAN
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of ModivCare Solutions, LLC Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan covering eligible employees of ModivCare Solutions, LLC and adopting employers (collectively the “Employer”) who had completed two months of continuous employment until February 1, 2021 when the Plan was amended to change it to thirty days of continuous employment and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). ModivCare Solutions, LLC, as plan administrator, oversees governance of the Plan. The Plan’s investment committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the plan administrator.

Contributions - Each year, non-highly compensated participants may contribute, on a pre-tax or post-tax basis, up to 90% of their eligible compensation, as defined in the Plan document. Highly compensated participants could only contribute, on a pre-tax or post-tax basis, up to 5% of their eligible compensation, as defined in the Plan document, until February 1, 2021 when the Plan was amended to allow highly-compensated participants to contribute, on a pre-tax or post-tax basis, up to 90% of their eligible compensation, as defined in the Plan document. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation until February 1, 2021 when the default deferral rate was increased to 4% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant. Contributions in any taxable year are subject to certain statutory limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“rollovers”).

The Employer may, at its discretion, make profit sharing or matching contributions. A participant must have completed one year of service and be actively employed on the last day of the Plan year to be allocated a profit sharing contribution. No profit sharing contributions were made for 2021. There is no service requirement for a participant to receive a matching contribution. For 2021, the Employer made matching contributions equal to 10% of each participant’s total contributions up to \$400 until February 1, 2021 when the matching contributions were increased to 100% of the first 4% of eligible compensation. The matching contributions are invested in the participant’s directed accounts after each applicable payroll period.

Participant Accounts - Each participant’s account is credited with the participant’s contributions (including any rollovers), any Employer’s contributions, and allocations of earnings (losses) on the investments in their account, and is charged with an allocation of any administrative expenses paid by the Plan. Allocations of earnings (losses) and administrative expenses are based on participant account balances, as defined. Participants direct the investment of their accounts into the investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Vesting in the Employer’s contribution portion of their accounts is based on years of continuous service. A participant vested in 20% increments in his or her Employer contribution account after each additional year of credited service until February 1, 2021 when the Plan was amended to provide that a participant is 100% vested in his or her Employer contribution account after one year of credited service.

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Only one loan may be outstanding at any time. The notes are secured by the balance in the participant’s account and bear interest at the rate of prime plus 1% on the date of the loan. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits - On termination of service, a participant with a vested account balance of over \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant’s vested balance in his or her account, or substantially equal installments. Terminated participants with vested account balances of \$5,000 or less are required to take a distribution as promptly as possible following termination of employment. Distributions may be paid directly to the participant or rolled over to an individual retirement account or other qualified defined benefit or contribution plan.

MODIVCARE SOLUTIONS, LLC RETIREMENT PLAN
Notes to Financial Statements (Continued)

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Forfeited Accounts - At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$216,245 and \$206,941, respectively. Forfeitures are used to pay administrative expenses of the Plan or to reduce Employer matching contributions. In 2021, Employer matching contributions were reduced by \$114,854 from forfeited nonvested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review of Subsequent Events - Management has evaluated events and transactions occurring subsequent to December 31, 2021 for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through the date of the report, which is the date these financial statements were available to be issued.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance. Interest is recorded when received. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The investment committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements. Net appreciation in investments includes dividends, interest, and gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Certain investment options may be subject to investment fees based upon a percentage of the invested assets, as disclosed in the prospectus. Such fees are typically charged directly against investment performance and thus, are not separately disclosed in these financial statements. Certain other expenses of maintaining the Plan are paid by the Employer and are therefore excluded from these financial statements.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Investment information included in the accompanying financial statements and supplemental schedules, including \$42,607,237 and \$29,750,407 in investments and \$1,467,595 and \$1,006,085 of notes receivable from participants held at December 31, 2021 and 2020, respectively, and investment income of \$4,689,518 and interest income on notes receivable from participants of \$51,171 for the year ended December 31, 2021, was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

MODIVCARE SOLUTIONS, LLC RETIREMENT PLAN
Notes to Financial Statements (Continued)

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

The fair values of the Plan's mutual fund investments are based on the quoted net asset values of the shares as reported by the funds (Level 1). There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

NOTE 5 - COMMON/COLLECTIVE TRUST FUND

The Plan includes an investment in the Wells Fargo Stable Value Fund C (Fund C), a common/collective trust fund. Fund C has invested all of its assets in Wells Fargo Stable Return Fund G (Fund G), a collective trust fund sponsored by Wells Fargo Bank, N.A. Fund G invests in investment contracts and security-backed contracts. Effective April 1, 2022, the name of Fund C was changed to Galliard Stable Return Fund C.

Because this investment meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to this investment. The investment is presented on the face of the statement of net assets available for benefits at contract value as reported to the Plan by the trustee. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS / EXEMPT

Administrative expenses incurred in 2021 are for recordkeeping services provided by the Plan's third party administrator. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Employer by a letter dated July 23, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). This determination letter expired on January 31, 2018.

Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contribution accounts.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 - CARES ACT

As a result of the Coronavirus Aid, Relief and Economic Security Act (the “CARES Act”) enacted on March 27, 2020, the Plan Administrator implemented new CARES Act options including withdrawal provisions, loans and temporary waiver of required minimum distributions.

NOTE 12 - NONEXEMPT TRANSACTIONS

Participant contributions and loan repayments totaling \$47,326 in 2019 were not remitted timely to the Plan. These transactions constitute prohibited transactions as defined by ERISA and were fully corrected in 2021.

NOTE 13 - CHANGES EFFECTIVE IN 2022

The Plan was amended in September 2021 to enable the Company to elect to make safe harbor matching contributions to the Plan and conform the hardship distribution provisions with the applicable final regulations published under 84 FR 49651. These changes are effective January 1, 2022.
