Independent Auditors' Report

To the Plan Administrator and Participants
Erving Industries, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Erving Industries, Inc. 401(k) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Erving Industries, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in

the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500 - Schedule H, Part IV, Line 4(a) - Schedule of Delinquent Participant Contributions and Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) presented for purposes of additional analysis and are not a required part of the 2021 Financial Statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the

underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ERVING INDUSTRIES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan

The following description of the Erving Industries, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the plan document.

General

The Plan is a defined contribution plan established to provide savings incentives to the employees of Erving Industries, Inc., and those subsidiaries that have adopted the Plan (collectively, the “Company”), who have attained age 18 and have completed one month of service (defined as 83.33 hours of service) for non-union employees, or two months of service (defined as 83.33 hours of service per month) for union employees (“Participants”). If the service requirement is not satisfied during the specified monthly time period, the employee is subject to a one-year service requirement (defined as 1,000 hours of service). Leased, temporary, and seasonal employees are not eligible to participate in the Plan unless they complete one-year of service.

Reliance Trust Company (the “Trustee”) serves as the trustee for the Plan, while recordkeeping and administrative services are provided by ADP Retirement Services. The Plan is subject to the provisions of the Internal Revenue Code (the “IRC”) and the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are participant-directed.

Plan Administration

The Company is the plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual participant accounts may be charged directly with an allocation of administrative expenses, if not paid by the Company.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were approved and authorized for issuance by management, and determined that there have been no subsequent events, except as disclosed in Note 1 and Note 9, that would require recognition in, or disclosure in the notes to, the financial statements.

Participant Contributions

Each year, Participants may defer up to 50% of their eligible compensation, as defined by the Plan document, not to exceed a dollar limit established under the IRC. Participants may make pre-tax or Roth contributions to their accounts. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“Participant Rollovers”).

Employer Contributions

Employer Matching Contributions

The Company matches 50% of the Participant’s deferral up to the first four percent of the Participant’s eligible compensation. For the year ended December 31, 2021, the Company contributed approximately \$168,000 of employer matching contributions.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan (Continued)

Employer Contributions (Continued)

Employer Non-elective Contributions

The Company is required to make non-elective contributions. Employees are eligible for non-elective contributions as follows: i) employees that are members of the United Steelworkers Union, Local 594 ("USW"), members of the United Electrical Radio & Machine Workers of America, Local 269 ("EPM UE") and an employee of Erving Paper Mills, or are members of the United Electrical Radio and Machine Workers of America, Local 269 ("Erseco UE") and an employee of Erseco, Inc., are eligible 60 days from date of hire, ii) non-union employees are eligible 30 days from date of hire. Members of the International Union of Operating Engineers ("IUOE") are not eligible for employer non-elective contributions. For the year ended December 31, 2021, the Company contributed approximately \$212,000 of Employer non-elective contributions.

The Employer non-elective contributions are provided as follows:

- Non-union employees - 2.5% of eligible compensation
- Members of USW - The Employer non-elective contribution effective from January 1, 2021 through July 31, 2021 per the union contract was \$27.25. The employer non-elective contribution effective from August 1, 2021 through December 31, 2021 was \$27.35. If a week exists where no paycheck is issued due to certain qualifying events, as defined by the Plan, the missed contributions will be funded and remitted to the Plan upon the Participant's return to work.
- Members of EPM UE and an employee of Erving Paper Mills or Erseco UE and an employee of Erseco, Inc. - The Employer non-elective contribution effective from January 1, 2021 through December 31, 2021 per the union contract was \$29.00. If a week exists where no paycheck is issued due to certain qualifying events, as defined by the Plan, the missed contributions will be funded and remitted to the Plan upon the Participant's return to work.

Participant Accounts

Each Participant's account is credited with the Participant's contributions, the respective employer contributions, an allocation of the Plan's investment earnings or losses, and is charged with an allocation of certain expenses. Allocations are based on Participant compensation or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account balance.

Vesting

Any Participant, at any time, has a non-forfeitable right to the amounts that he or she has contributed to the Plan. A Participant's right to the amounts that the Company has contributed shall be non-forfeitable upon completion of three years of qualifying service, except where an employee incurs a termination of service by retirement after age 65, death, or disability, at which time the employee is fully vested.

ERVING INDUSTRIES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan (Continued)

Forfeitures & Expense Account

A Participant who is no longer employed by the Company forfeits any non-vested balance. Non-vested forfeited account balances are retained in the Plan and are used to first pay plan expenses and then to reduce future employer contributions in the year of forfeiture. During 2021, \$51,306 of forfeitures were used to fund employer matching contributions. At December 31, 2021 and 2020, forfeited non-vested accounts amounted to \$25,116 and \$59,096, respectively. Subsequent to year end, \$4,597 of forfeitures were used to fund employer matching contributions.

The Company has a revenue sharing arrangement with ADP Retirement Services that provides for expense reimbursements to the Plan. These reimbursements are held in an ERISA expense account and are utilized to pay for certain Plan administrative expenses. During the year ended December 31, 2021, the plan received \$34,567 of expense reimbursements and utilized \$32,655 to pay Plan administrative expenses. At December 31, 2021 and 2020, unallocated amounts in the ERISA expense account amounted to \$7,807 and \$5,700, respectively.

Payment of Benefits

Upon termination of service due to death, disability, termination, or retirement, a Participant or beneficiary may elect to receive a lump-sum distribution, partial withdrawal, or installment payments in an amount equal to the value of the Participant's vested interest in his or her account. The payment can either be a cash distribution to the Participant or a tax free rollover to another qualified plan. If a terminated Participant's vested account balance is less than \$5,000, the plan administrator, after notification, may distribute the account balance to the Participant in a lump-sum payment.

In-service withdrawals from all Participants' vested account balances are permitted upon reaching age 59 ½. In-service withdrawals from all Participants' vested account balances are also permitted due to financial hardship. Participants must have obtained all distributions, other than the hardship withdrawal before financial hardship withdrawals are allowed.

Notes Receivable from Participants

Subject to approval by the plan administrator, Participants may borrow from their accounts up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum amount a Participant may borrow is \$500. A Participant may only have one loan outstanding at a time. Loan terms range up to five years (or longer for the purchase of a primary residence). Loans are secured by the vested balance in the Participant's account and bear interest at a fixed rate commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions or by check if the employee has terminated employment. If a Participant ceases to make loan payments and the plan administrator deems the loan to be in default, the Participant's loan balance is reduced and a benefit payment is deemed to have been made in accordance with the Plan document.

Interest rates for outstanding loans range from 4.25% to 7.50% at December 31, 2021 and 5.25% to 7.50% at December 31, 2020 and mature through November 2026. Loans to Participants are reported as notes receivable from Participants at the unpaid principal balance plus any accrued but unpaid interest.

ERVING INDUSTRIES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is reported on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Unit Values

Individual participant accounts for the common collective trust fund are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the fund, but do have an interest therein represented by units which are valued daily. The fund earns dividends and interest which are automatically reinvested in additional units. Generally, contributions to and withdrawals from the fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the Participants' accounts are charged or credited with the number of units properly attributable to each Participant.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative fees and expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Benefits Paid

Benefit payments to Participants are recorded during the period in which they are paid.

ERVING INDUSTRIES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3 - Information Prepared and Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the plan, has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate:

- Investments and notes receivables from participants, as shown in the statement of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivables from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, part IV, line 4(i) - schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note 4 - Fair Value Measurements

Under GAAP, a framework for measuring fair values has been established to clarify the definition of those fair values and expand disclosures about assets and liabilities measured at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy described under GAAP are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

ERVING INDUSTRIES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust fund: Valued at the net asset value ("NAV") of units in the collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Generally, contributions to and withdrawals from the fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the Participants' accounts are charged or credited with the number of units properly attributable to each Participant.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market Participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

- (a) The Plan invests in the Putnam Stable Value Fund (the “Fund”), a common collective trust fund. The Fund seeks to preserve principal and achieve high current income through a diversified portfolio of high quality investment contracts. The Fund invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks, or other financial institutions, security-backed investment contracts, and separate accounts issued by insurance companies. The Fund may also invest in high-quality money market instruments or other similar short-term investments.

NOTES TO FINANCIAL STATEMENTS

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of such termination, Participants will become fully vested in their accounts. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 6 - Risks and Uncertainties

The Plan invests in investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 - Tax Status

The underlying prototype non-standardized profit sharing plan has received an opinion letter from the Internal Revenue Service dated July 16, 2014, stating that the plan is qualified under Section 401(a) of the IRC, is exempt from federal taxes under section 501(a) of the IRC; and that the plan, as then designed, was in compliance with the applicable requirements of the IRC. Any employer adopting this form of the plan will be considered to have a plan qualified under section 401(a) of the IRC. Once qualified, the plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the opinion letter, however, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified as of the financial statement dates.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of an entity is considered a tax position. No such uncertain tax positions have been recognized by the Plan.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations prior to 2018.

Note 8 - Party-In-Interest Transactions

During 2021, \$32,655 and \$1,140 of administrative fees were paid to Reliance Trust Company and ADP Retirement Services, respectively. Reliance Trust Company is the trustee of the plan and ADP Retirement Services is the record-keeper for the plan, therefore these transactions qualify as party in interest transactions. Notes receivable from participants qualify as exempt party-in-interest transactions as defined by ERISA.

ERVING INDUSTRIES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 9 - Delinquent Participant Contributions

During 2021 and 2020, certain Participant contributions and loan payments were not remitted to the Plan by the Employer on a timely basis as required under DOL 2510.3-102. Under ERISA, such delinquent contributions are considered prohibited transactions and are reported on Schedule H, Part IV, Line 4(a) of Form 5500. During 2021 and subsequent to year end, the Company funded the lost earnings on the delinquent contributions to the effected Participants' accounts.

Note 10 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per the Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial Statements at December 31,	\$ 20,449,552	\$ 19,064,347
