Independent Auditor's Report

To the Plan Administrator and Participants of
Bakery Express Mid Atlantic, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Bakery Express Mid Atlantic, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bakery Express Mid Atlantic, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bakery Express Mid Atlantic, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bakery Express Mid Atlantic, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bakery Express Mid Atlantic, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bakery Express Mid Atlantic, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Bakery Express Mid Atlantic, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF THE PLAN

General

The following description of Bakery Express Mid Atlantic, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that was established January 1, 1997 covering substantially all employees of Bakery Express Mid Atlantic, Inc. (the Employer). Certain nonresident aliens who have no earned income from sources within the United States are excluded from elective deferral, Employer matching, Employer discretionary profit sharing, and Employer safe harbor contributions. Non-union employees are excluded from Employer matching contributions. Union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless the collective bargaining agreement requires the employee to be included within the Plan are excluded from Employer discretionary profit sharing and Employer safe harbor contributions. Employees 21 years of age or older may participate in the Plan upon completion of one year of service, with Plan entry dates being the first day of the month following the date satisfy the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration

ADP Retirement Services (ADP) has been engaged to serve as the recordkeeper that processes and maintains the records of participant data. Reliance Trust Company (Reliance) is the Plan's trustee. Fund line-up and investment advice is provided by an outside certified financial professional. The Employer serves as the Plan administrator and is responsible for the day-to-day operations and oversight of the Plan.

Investments

Upon enrollment in the Plan, a participant may direct contributions in any or all of the investment options offered under the Plan.

Vesting

Participants are immediately vested in their elective deferral, Employer safe harbor, and rollover contributions and related earnings. Participants vest in the Employer's discretionary profit sharing contributions and related earnings according to the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 1 Year	0%
1	33%
2	66%
3	100%

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Vesting (Continued)

Participants vest in the Employer matching contributions and related earnings according to the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Any non-union employee who was a participant in the Plan on December 31, 2019 shall be 100% vested in their Employer matching contributions for all current and future Employer matching contributions made to their account.

Participant Contributions

Participants may elect to contribute a percentage of their eligible pre-tax compensation up to the amount allowable under current income tax regulations. Participants who elect to contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Participants may also elect to contribute Roth deferrals to the Plan. A Roth deferral is an elective deferral the participant irrevocably designates as a Roth deferral, which is subject to income tax when the contribution is made to the Plan. Contributions withheld are invested in accordance with the participant's election into various investment options offered by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions, subject to limitations imposed by the Internal Revenue Code (the Code).

Participants are permitted to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such rollover contributions are deposited in the appropriate investment funds in accordance with the participant's election and the Plan's provisions.

Employer Contributions

The Employer will make safe harbor and matching contributions for eligible employees. For the year ended December 31, 2021 the Employer made safe harbor contributions equal to 100% of participant contributions up to 4% of a participant's compensation plus 50% of participant contributions that exceed 4%, but not 6%, of a participant's compensation. In addition, the Employer made matching contributions equal to 100% of the first 2% of participant elective deferrals and 50% of the next 4% of participant elective deferrals. Employer safe harbor and matching contributions for the year ended December 31, 2021 were \$262,653, including \$1,522 of reallocated forfeitures. The Employer may also make a discretionary profit sharing contribution to the Plan. There were no profit sharing contributions for the year ended December 31, 2021.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer matching and safe harbor contributions, allocations of the Employer profit sharing contribution, if any, and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Forfeitures of participants' non-vested account balances are used to pay Plan administrative expenses or reduce Employer contributions. At December 31, 2021 and 2020, there were no forfeited non-vested accounts. During the year ended December 31, 2021, \$1,522 of forfeitures were used to reduce Employer contributions.

Payment of Benefits

Benefit payments are available to participants upon retirement (age 65), termination of employment, death, total and permanent disability, attainment of age 59 $\frac{1}{2}$, or qualified financial hardship. Participants are entitled to a benefit equal to the vested portion of their account, which will be distributed in the form of a lump sum payment or installments over a period of not more than the participant's assumed life expectancy. For vested account balances less than \$5,000, payment of benefits may only be made in the form of a lump sum payment. Distributions are subject to the applicable provisions of the Plan agreement. Certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 $\frac{1}{2}$.

Notes Receivable from Participants

Participants may borrow a minimum of \$500 and up to the lesser of \$50,000 reduced by the excess, if any, of your highest outstanding note balance during the one-year period ending on the day before the date of the new loan over your current outstanding balance of notes as of the date of the new loan or 50% of their vested account balance. The notes are secured by the participant's vested account balance and no more than one outstanding note is permitted at any time. Such notes bear interest at 2% above the prime rate and must be repaid to the Plan within a five-year period, unless the note is used to purchase a principal residence. Notes mature at various dates through October 2024. As of December 31, 2021, the interest rates on these notes range from 4.25% to 7.50%. The specific terms and conditions of such notes are established by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements
December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

The Plan's investment in the common collective trust is valued based on the net asset value (NAV) of the units held by the Plan at the end of the year. The NAV is determined by Reliance and is not publicly quoted. The NAV is primarily based on the quoted market prices of the underlying mutual funds and is adjusted for certain contract charges and fees. The NAV per unit is used as the practical expedient to estimate fair value.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the Plan year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make note repayments and the Plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to specific participant transactions are charged directly to participant accounts and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Bakery Express Mid Atlantic, Inc 401(k) Plan
Notes to Financial Statements
December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses (Continued)

ADP provides an administrative budget (ERISA account) to the Plan whereby a portion of the Plan's revenue sharing received from a fund/fund company is returned to the Plan. Amounts held in the ERISA account may be used to pay certain administrative expenses of the Plan or allocated back to Plan participants. As of December 31, 2021, and 2020, the ERISA account totaled \$5 and \$5, respectively. For the year ended December 31, 2021, \$12,833 were paid from the ERISA account.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net depreciation in fair value of investments, dividend income, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance, the trustee of the Plan.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and ERISA-required supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year).

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value, Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Bakery Express Mid Atlantic, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2

Inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities & Exchange Commission (SEC). These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust

Valued at the NAV of units of the trust. The NAV, provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

As of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds, At Fair Value	<u>\$ 7,353,838</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 7,353,838
Investments Measured at Net Asset Value (a)				<u>100,869</u>
Total Investments, At Fair Value				<u>\$ 7,454,707</u>
As of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds, At Fair Value	<u>\$ 5,649,005</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 5,649,005
Investments Measured at Net Asset Value (a)				<u>412,673</u>
Total Investments, At Fair Value				<u>\$ 6,061,678</u>

(a) In accordance with FASB ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no unfunded commitments and no participant redemption restrictions for the investment; the redemption notice period is applicable only to the Plan.

	Fair Value at December 31, 2021	Fair Value at December 31, 2020	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common Collective Trust	\$ 100,869	\$ 412,673	Daily	Up to 12 months

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participant accounts will become fully vested and non-forfeitable.

NOTE 6 – TAX STATUS

The Plan is using a prototype plan approved by the Internal Revenue Service (IRS) and, accordingly, has neither applied for nor received a determination letter from the IRS. The Company believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. Management believes there are no uncertain tax positions requiring recognition in the financial statements.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, as they are paid through revenue sharing, rather than direct payment. The Plan made a direct payment of \$2,944 to ADP for recordkeeper services, which was not covered by revenue sharing. Notes receivable from participants also qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan's investment options provide participants with a variety of investment alternatives with differing levels of risk and income potential. Investment securities are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued. There were no events that required recognition or disclosure in the financial statements.
