INDEPENDENT AUDITORS' REPORT

To Plan Management
Jacent Strategic Merchandising 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Jacent Strategic Merchandising 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) {ERISA Section 103(a)(3)(C) audit}. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Jacent Strategic Merchandising 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jacent Strategic Merchandising 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jacent Strategic Merchandising 401(k) ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jacent Strategic Merchandising 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jacent Strategic Merchandising 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H Line 4i Schedule of Assets (Held at End of Year) and Schedule H Line 4a Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JACENT STRATEGIC MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN

The following description of the Jacent Strategic Merchandising 401(k) Plan (the “Plan”), formerly Lami Products Retirement Plan, provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions. Lami Products, Inc. was the name of the plan sponsor until May 11, 2018. Effective May 11, 2018, the plan sponsor changed its name to Jacent Strategic Merchandising, LLC (The “Company”).

As a result of a plan amendment effective September 25, 2017, the Plan’s name changed from Lami Products Retirement Plan to Jacent Strategic Merchandising 401(k) Plan.

As a result of a plan amendment and restatement of the existing Plan effective October 1, 2021, the institutional Trustee of the Plan became Reliance Trust Company Trust. Also effective October 1, 2021, the Plan’s assets were transferred from Transamerica Life Insurance Company to Reliance Trust Company. Reliance Trust Company has appointed ADP, Inc. as the recordkeeper/agent to which it has delegated certain administrative and ministerial duties.

General

The Plan is a defined contribution plan. All employees who were age 21 or older and have completed one year of service (must have completed 1,000 hours of service) were eligible to participate in the Plan through September 30, 2021. As of October 1, 2021, due to the aforementioned plan amendment and restatement, all employees who are age 18 or older and have completed one month of service (must have 140 hours of service) are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustee is responsible for oversight of the plan, the plan’s investment offerings, and monitoring of the investment performance.

Contributions

Each year, participants may contribute pretax annual compensation up to the maximum amount allowed by law, as defined in the Plan, subject to an annual IRS limitations. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common collective trusts, and a stable value fund as options for participants. The Company may make a discretionary matching employer contribution on behalf of each eligible participant during the contribution period. Discretionary employer matching contributions may be limited to a percentage of the participant’s deferral or contributions up to a specified percentage of compensation, or limited to a specified dollar amount.

Participant contributions were \$382,783 for the year ended December 31, 2021. Participant contributions are presented net of excess contributions, which totaled \$20,887 for the year ended December 31, 2021 (see Note 2).

The Company’s matching contribution is discretionary. For the year ended December 31, 2021, the Company did not make employer matching contributions.

JACENT STRATEGIC MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the company's matching contributions, if applicable, and plan earnings, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant's contributions, earnings, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contributions increases to 100% after 3 years with 0% vested in years one and two.

Notes Receivable from Participants

Eligible participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. All loans must be adequately secured by the participant's vested interest in the Plan. The term of a loan is five years unless the loan qualifies as a residential home loan. The term of a home loan is fixed by the Plan Administrator. The interest applicable to the loan is set at 1%-2% above the prime rate, as defined, based on when the loan originated. Repayments of principal and interest are made through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest. Upon termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Under terms of the Plan, participants are eligible for in-service benefit payments upon reaching age 59.5.

Forfeited Accounts

Forfeitures of non-vested Company contributions are used to pay Plan administrative expenses or to reduce future employer contributions. At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$0, and \$16, respectively. During the year ended December 31, 2021, forfeitures used to pay Plan expenses totaled \$60.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

JACENT STRATEGIC MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit responsive investment contracts, which are reported at contract value (see Note 7 for stable value fund reporting). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the fair value policies utilizing information provided by the investment advisers and custodian. See Note 6 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan failed the Actual Deferral Percentage Test for the years ended December 31, 2021 and 2020. Excess contributions of \$20,887 and \$46,774 were recorded as a liability in the accompanying statement of net assets available for benefits at December 31, 2021 and 2020, respectively. The Plan distributed the balances of the excess contributions payable subsequent to year-end for both the 2021 and 2020 liabilities.

Payment of Benefits

Benefits are recorded when paid.

JACENT STRATEGIC MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to notes receivable from participants or distributions are charged directly to participant's account and are included in administrative expenses. Investment expenses are included in net appreciation of fair value of investments.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 - TAX STATUS OF THE PLAN

The Internal Revenue Service has determined and informed the plan sponsor by a letter dated March 31, 2014, that the plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the plan continues to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management of the Plan believes that the Plan has taken no uncertain tax positions that require adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, distribution of participant accounts shall be in accordance with the Plan document.

JACENT STRATEGIC MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|----------------|--|
| <u>Level 1</u> | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| <u>Level 2</u> | Inputs to the valuation methodology include: <ul style="list-style-type: none">- quoted prices for similar assets or liabilities in active markets;- quoted prices for identical or similar assets or liabilities in inactive markets;- inputs other than quoted prices that are observable for the asset or liability;- inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| <u>Level 3</u> | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used during the years ended December 31, 2021 and 2020. However, the investment options have changed as a result of the transfer to Relaince Trust Company (see Note 1). The stable value funds are presented at contract value for December 31, 2021 and 2020 on the statement of net assets available for benefits. This does not change the actual dollar value, as fair value approximates contract value.

Pooled separate accounts (Prior to October 1, 2021): Pooled Separate accounts (PSAs) offered are proprietary to Transamerica and many invest exclusively in one underlying mutual fund traded on an established market. As such, the PSAs begin with a price determined by Transamerica (i.e., \$10 per unit), and the number of units issued are calculated to match the current fair market value of the underlying mutual fund holdings (shares x price). This is known as unitizing the underlying assets. However, the rate of return of each will be consistent, taking into account any plan/participant expenses.

JACENT STRATEGIC MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

All of Transamerica's PSA choices are valued daily using publicly available quoted market prices, and participants bear the investment risks. Accordingly, the revaluation requirements of Accounting Standards Codification (ASC 820), Fair Value Measurements and Disclosures are not applicable to the PSA investment choices.

Those PSAs investing in mutual funds or domestic equity securities are measured using quoted prices in active markets for identical assets ("Level 1" input under ASC 820). Those PSAs directly investing in fixed maturity securities are measured based on the pricing data provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities ("Level 2" input under ASC 820). The PSAs in the Plan are considered fully-benefit responsive. There are no unfunded commitments, the redemption frequency is daily, and the redemption notice period is daily. The contract value is also the fair value. Transamerica, as well as Plan management, expects all of the PSA funds to meet the requirements of proper valuation at contract value.

Stable value option (Prior to October 1, 2021): This is an investment in the general account of Transamerica and the value is guaranteed by Transamerica as a going concern. Regardless of the activity of the general fund, Transamerica pays the stated interest rate and backs the capital deposit where the "risk" is measured by its insurance credit rating. This is a depository liability with no formal underlying maturities, and it is considered fairly valued at contract value because of this specific distinction. That is, the contract value is the fair value. There are no unfunded commitments, the redemption frequency is daily, and the redemption notice period is daily. The Stable Value Option investment choices are not considered a Guaranteed Interest Contract (GIC) or Common Collective Trust (CCT) and there is no stated minimum or maximum interest rate. The Stable Value Fund is not included in the valuation hierarchy.

Registered Investment Company Funds (Mutual Funds) (As of December 31, 2021): Funds are valued daily based on readily determinable fair value of the mutual funds and classified within Level 1 of the fair value hierarchy.

Common Collective Trusts (As of December 31, 2021): Beginning October 1, 2021, The Plan offers common collective trusts issued by American Century Retirement Date Trust and Putnam Stable Value Fund. See below for descriptions of each offering.

American Century Retirement Date Common Collective Trust: The American Century Retirement Date Trust was established in order to provide for the collective investment and reinvestment of assets of certain tax-exempt employee benefit plans that become participants. Substantially all of the Funds' assets are invested in other American Century Investments mutual funds. The Funds determine the fair value of their investments and compute their net asset value ("NAV") per unit at the close of regular trading on the New York Stock Exchange ("NYSE") on each day the NYSE is open. Investments in the underlying funds are valued at their reported NAV and classified within Level 1 of the fair value hierarchy.

JACENT STRATEGIC MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

Putnam Stable Value Fund: The Putnam Stable Value Fund invests in high-quality guaranteed investment contracts ("GICs") and similar contracts issued by insurance companies, banks and other financial institutions. Investment Contracts are valued at contract value. Contract value represents invested principal plus accrued interest earned thereon. The Investment Contracts are not tradable on any secondary market, but provide for benefit responsive withdrawals by plan participants at contract value. Investment Contracts will normally be held to maturity, and meet the fully benefit responsive requirements of ASC 962, *Plan Accounting – Defined Contribution Pension Plans*. Therefore the Putnam Stable Value Fund is not included within the fair value hierarchy.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Company Funds: Mutual Funds	\$ 36,213	\$ --	\$ --	\$ 36,213
Common Collective Trusts – American Century	<u>4,636,960</u>	<u>--</u>	<u>--</u>	<u>4,636,960</u>
Total assets at fair value	<u>\$ 4,673,173</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 4,673,173</u>

Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	<u>\$ 3,352,219</u>	<u>\$ 2,664,259</u>	<u>\$ --</u>	<u>\$ 6,016,478</u>
Total assets at fair value	<u>\$ 3,352,219</u>	<u>\$ 2,664,259</u>	<u>\$ --</u>	<u>\$ 6,016,478</u>

The above tables exclude the Putnam Stable Value Fund at December 31, 2021 and the Transamerica Stable Value Fund at December 31, 2020, which are comprised of fully benefit-responsive investments that had a contract value of \$1,270 and \$123,937, respectively. As noted in Note 2, fully benefit-responsive contracts are measured at contract value. Gains and losses (realized and unrealized), included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in interest and dividends.

NOTE 7 - STABLE VALUE FUNDS

Prior to October 1, 2021 the Plan held investments in the Transamerica Stable Value Fund. The Stable Value Option investment choices in Transamerica's Group Annuity Contract comply with the Financial Accounting Standards Board's (FASB's) fully benefit-responsive requirements, and thus are reportable at contract value. Details and restrictions of the Stable Value Option are:

The Stable Value Option investment choice is a non-tradable obligation of Transamerica. The investment's contract or proceeds cannot nor will not be assigned or sold to another party without the consent of Transamerica.

JACENT STRATEGIC MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 7 – STABLE VALUE FUNDS (CONTINUED)

The repayment of principal and interest credited to participants holding the investment is a financial obligation of Transamerica. However, if an event should ever occur such that realization of full contract value for a particular investment contract is no longer probable—for example, a significant decline in creditworthiness of Transamerica, the Stable Value Option investment choice may no longer be considered fully benefit-responsive.

The terms of Transamerica's Group Annuity Contract require all permitted participant-initiated transactions involving the investment to occur at contract value with no conditions, limits or restrictions. Permitted participant-initiated transactions are those allowed by the underlying defined contribution plan such as withdrawals for benefits, loans or transfers to other investment choices within the Plan.

Since the Stable Value Option investment choice is an obligation of Transamerica, the occurrence of an event that limits the ability of the investment to transact at contract value between Transamerica and a participant holding the investment is not probable.

The Stable Value Option investment choice allows participants reasonable access to their assets.

Prior to January 1st and July 1st, the effective annual rate of interest is established for the corresponding six month period. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six month period. There is no stated minimum or maximum interest rate for the Stable Value Option investment choices.

This type of investment is considered a deposit liability with no defined maturities and is fairly valued at contract value. That is, the contract value is also the fair value. Since contract value is fair value according to FASB standards, the average yield earned by the plan is equal to the average yield earned by the plan adjusted to reflect the actual interest rate credited to plan participants.

Effective October 1, 2021 the Plan offers an investment option in the Putnam Stable Value Fund, as described in Note 6.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (e) premature termination of the contract. Plan management believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

JACENT STRATEGIC MERCHANDISING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 7 – STABLE VALUE FUND (CONTINUED)

In addition, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation, or (d) a material amendment to the agreement without the consent of the issuer.

NOTE 8 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments were shares of mutual funds managed by Transamerica Life Insurance Company (prior to October 1, 2021). Transamerica Life Insurance Company was the custodian as defined by the Plan through September 30, 2021. Reliance Trust Company was named trustee effective October 1, 2021. Any transactions, including fees, with these entities qualify as exempt party-in-interest transactions.

NOTE 9 - INFORMATION CERTIFIED BY PLAN CUSTODIAN/TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica Life Insurance Company (the custodian of the Plan assets prior to October 1, 2021) and Reliance Trust Company (the trustee of the Plan effective October 1, 2021).

NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2021, the plan sponsor withheld \$4,921 from a multiple participants' paychecks that were not remitted timely to the Plan. To correct this error, management has elected to remit this contribution along with lost earnings to the Plan subsequent to year-end and therefore the total amount of \$5,181 is included as a receivable as of December 31, 2021 as Other Employer Contributions on the Statements of Net Assets Available for Benefits. This includes principal of \$4,921 and lost earnings of \$259. The amount is also included as Other Employer Contributions on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021. As of the date of these financial statements, the error has not yet been corrected but Plan management intends to fully correct and remit the contribution in October, 2022.

Additionally, the plan sponsor remitted a total of \$168 to the Plan in October, 2021 related to delinquent contributions and lost earnings related to the Plan year December 31, 2020. This had no impact on the December 31, 2021 Plan financial statements, as it was included as a contribution and a receivable for the year ended December 31, 2020.

As reported on Schedule H, line 4a, Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, the \$168 total related to Plan year December 31, 2020 was fully corrected and remitted during the year ended December 31, 2021 and the \$5,181 related to Plan year December 31, 2021 is pending and will be fully corrected and remitted to the Plan in 2022.
