To the Plan Administrator and Participants
of Medical Diagnostic Laboratories, LLC 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Medical Diagnostic Laboratories, LLC 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Medical Diagnostic Laboratories, LLC 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Medical Diagnostic Laboratories, LLC 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Medical Diagnostic Laboratories, LLC 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Medical Diagnostic Laboratories, LLC 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Medical Diagnostic Laboratories, LLC 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Continued)

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Medical Diagnostic Laboratories, LLC 401(K) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 or the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MEDICAL DIAGNOSTIC LABORATORIES, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF THE PLAN

The following description of the Medical Diagnostic Laboratories, LLC 401(K) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more detailed and complete description of the Plan’s provisions.

General

The Plan is a participant directed, defined contribution 401(k) plan established to provide retirement benefits to eligible employees of Medical Diagnostic Laboratories, LLC (the “Company”) and the Company’s affiliates, as defined by the Plan. During June 2021, the net assets of the Comparative Biosciences Inc. 401(k) Profit Sharing Plan were transferred into the plan. The Company serves as the plan sponsor and plan administrator of the Plan. Reliance Trust Company (“Reliance”) serves as the custodian and trustee of the Plan, which is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Automatic Data Processing, Inc. (“ADP”) serves as the record keeper for the Plan. The Plan’s investment committee is responsible for oversight of the Plan. The Plan’s participating employers are:

Worldwide Medical Products, Inc.	STATKING Consulting, Inc.
Moradi Enterprises, LLC	Integrated Analytical Solutions, Inc.
Bioplast Manufacturing LLC	Genesis Research & Discovery, LLC
Venenum Biodesign LLC	New England Discovery Partners, LLC
Invivotek, LLC	Genesis Drug Discovery and Development, LLC
Genesis Investment Properties LLC	Nexus Pharma Inc.
Genesis Automation and Robotics LLC	WorldWide Life Sciences Division, Inc.
Genesis PharmaOptima LLC	Galaxy 2439 Enterprises, LLC
4path, LTD	Genesis Hospitality and Dining, LLC
Comparative Biosciences Inc.	

Eligibility

Employees are eligible to participate in the Plan on the first day of the quarter following the completion of one year of service with the Company and attainment of age 21. The Plan requires attainment of 1,000 hours of service in order to receive credit for eligibility and a year of vesting service.

Contributions

Participants may contribute up to the annual maximum allowed by the Internal Revenue Code (the “Code” or “IRC”). Participants who have attained the age of 50 years may defer an additional “catch-up” contribution to their account, as permitted by the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company has elected a safe harbor matching contribution equal to 100% of all eligible employees’ elective deferrals that do not exceed 4% of the participant’s compensation.

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF THE PLAN

Contributions (Continued)

Additionally, the Company may make discretionary contributions. There were no discretionary Company contributions during 2021.

Coronavirus Aid, Relief, and Economic Security (“CARES Act”)

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”). In response to the coronavirus ("COVID-19") pandemic, the Plan was amended to adopt certain provisions of the CARES Act for qualified individuals, as defined in the CARES Act. Effective from April 20, 2020 to December 31, 2020, the following provisions were adopted: (a) Qualified individuals may receive a distribution up to \$100,000. There were no participant distributions related to the CARES Act in 2021. (b) Qualified individuals may suspend any loan repayments until December 31, 2020. Any suspended loan payments resumed in January 2021. The term of any loan suspended shall be extended by the same term for which the loan was suspended, and the loan balance and future payments shall be adjusted for interest accrued during the suspension. Qualified individuals were also permitted to apply for one additional loan, if applicable. The Plan was formally amended effective April 27, 2022.

Investment Options

Participants may direct the investment of their contributions to the Plan into various investments offered by the Plan. Investment options include mutual funds and a stable value fund.

The Pension Protection Act created the Qualified Default Investment Alternative (the “QDIA”) which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has selected the American Funds Target Retirement Fund Series as its QDIA. The QDIA includes several funds that are selected on behalf of participants based on their projected retirement date.

Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance, the custodian and trustee of the Plan. This information has not been audited by the Plan’s independent auditors.

MEDICAL DIAGNOSTIC LABORATORIES, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF THE PLAN (Continued)

Participants Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the Company's safe harbor contribution, the discretionary contribution, if applicable, and Plan earnings. Each participant's account is charged with withdrawals, plan gains and losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants are permitted to borrow against their vested account balance up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with prevailing rates as determined by the plan administrator. The interest rate on loans outstanding ranges from 4.25% to 6.50% and loans mature through 2048. Participants may have only one outstanding loan at any time and can repay a loan over a reasonable period of time not to exceed 5 years except when the loan is for the purchase of a primary residence. Principal and interest is paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are immediately vested in the Company's safe harbor matching contribution plus actual earnings thereon. Vesting in the Company's discretionary contributions plus earnings thereon is based on years of continuous service; a participant is 100% vested after six years of service.

Forfeitures

The portion of a participant's account balance attributed to the Company's matching contributions that is not vested upon termination of employment will be forfeited and may be used in future periods to reduce the Company's matching contributions or to pay any plan administrative expenses. There was a \$9,163 and \$5,095 balance in the forfeiture account at December 31, 2021 and 2020, respectively.

Payment of Benefits

At the termination of employment, a participant will receive their account balance as a lump sum or as a direct rollover to an annuity contract, an IRA, or to a Roth IRA. If one of these options is not selected, then the Company may issue a lump sum payment or issue a direct rollover to an IRA chosen by the Plan Administrator if the vested participant account balance is less than \$1,000. If the vested interest in the value of the termination benefit is greater than \$1,000 but not greater than \$5,000, then the vested interest (including any Rollover Contributions) will be paid in a direct rollover to an IRA chosen by the Plan Administrator.

MEDICAL DIAGNOSTIC LABORATORIES, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits (Continued)

If the vested participant account balance is greater than \$5,000, the participant may elect to receive a single lump sum payment any time after the termination date.

Payment of Benefits (Continued)

On termination of service due to death, disability, or retirement, participants or their beneficiaries may elect to receive a distribution of the vested benefit as a single lump-sum payment or in monthly, quarterly or annual installments. For termination of service for other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution. Distributions may be made from any of the participant's vested accounts at any time upon attainment of age 59-1/2 or due to hardships as defined in the Plan.

Pursuant to the CARES Act, effective July 1, 2020, Plan participants were permitted to take coronavirus-related distributions in an amount up to \$100,000 of the participant's vested balance from the Plan, with repayment terms of up to three years. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

Hardship Withdrawals

Prior to termination of employment, a participant may withdraw, subject to the Plan's notice requirements, all or a portion of the value of his or her participant account and the vested value of his or her Company contribution account if the participant has attained age 59-1/2 or becomes totally and permanently disabled, or all or a portion of the value of his or her participant account in the event of demonstrated financial hardship, subject to the Plan's provisions. The distribution may not exceed the amount of immediate and heavy financial need of the participant.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with generally accepted accounting principles ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of the Plan assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

MEDICAL DIAGNOSTIC LABORATORIES, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a deemed distribution is recorded. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

Net appreciation (depreciation) in the fair value of investments includes both realized and unrealized gains and losses bought and sold as well as held during the year, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are allocated based upon participant account holdings on the record date and are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Management Fees and Operating Expenses

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected in the net appreciation (depreciation) in fair market value of such investments.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

These financial statements were approved by management and available for issuance on October 13, 2022. Management has evaluated subsequent events through this date.

3 - FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy, as applicable. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

3 - FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

The following tables summarize investment assets measured at fair value:

December 31, 2021	Investments, at Fair Value				Total
	Level 1	Level 2	Level 3		
Mutual funds	\$27,238,564	\$ -	\$ -		\$27,238,564
Investments, at fair value	\$27,238,564	\$ -	\$ -		\$27,238,564

December 31, 2020	Investments, at Fair Value				Total
	Level 1	Level 2	Level 3		
Mutual funds	\$22,387,191	\$ -	\$ -		\$22,387,191
Investments, at fair value	\$22,387,191	\$ -	\$ -		\$22,387,191

4 - STABLE VALUE OPTION INVESTMENT

The Plan holds a guaranteed investment contract. As of December 31, 2021 and 2020, The Stable Value Option choice was backed by the general account of Goldman Sachs Trust Company, N.A. ("Goldman Sachs"). Goldman Sachs guarantees the principal and interest of the investment choice. Deposits in these investment choices are credited with an interest rate on a daily basis. These contracts meet the fully benefit-responsible investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Goldman Sachs, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (include complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (5) premature

termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

This account is managed by Goldman Sachs. The account is credited with participant contributions plus earnings and charged for participant withdrawals and administrative expenses.

There were no reserves against contract value for credit risk of the contract issuer as of December 31, 2021 or 2020. The crediting interest rate was based on a formula agreed upon with the issuer, but was not less than zero. Such interest rates are reviewed and reset on a monthly basis. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Average yields:		
Based on actual earning	1.39%	0.66%
Based on interest rate credited to participants	1.31%	1.56%

5 - PARTY-IN-INTEREST TRANSACTIONS AND DELINQUENT CONTRIBUTIONS

During 2021 and 2020 the Company failed to remit participant contributions of \$13,000 and \$6,500, respectively, beyond the time period recognized by ERISA. In addition, the Company failed to remit participant contributions of \$25,000, \$115,782 and \$7,289 during 2019, 2018, and 2017, respectively, beyond the time period recognized by ERISA. The Company is in the process of preparing an application to be filed with the Department of Labor under its Voluntary Fiduciary Correction Program ("VFCP"). A nominal amount for rate of return loss on the late payments in for the number of days late, using a rate determined by the Department of Labor (based on the IRC), will be reimbursed by the Company. The Company is in the process of implementing procedures to remit participant contributions in accordance with ERISA regulations.

5 - PARTY-IN-INTEREST TRANSACTIONS AND DELINQUENT CONTRIBUTIONS (Continued)

During the year ended December 31, 2021, ADP, the Plan's record keeper, was paid administrative fees of \$74,140. Merrill Lynch Pierce Fenner & Smith, the Plan's investment advisor, was paid investment advisory fees of \$73,043 during the year ended December 31, 2021. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Company pays these individuals' salaries and other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the IRC and ERISA rules on prohibited transactions.

6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their accounts.

7 - TAX STATUS

The Company adopted a pre-approved prototype plan offered by the Plan's record keeper. The Internal Revenue Service (IRS) has determined that the prototype plan, by letter dated October 6, 2020, is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

9 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following is a summary of the unaudited information regarding the Plan included in the Plan's financial statements as of December 31, 2021 and 2020 that was prepared by the trustee of the Plan, and furnished to the plan administrator.

The plan administrator has obtained certification from the trustee that such information is complete and accurate:
