Independent Auditor's Report

To the Plan Administrator
Pain Management Solutions, LLC
401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Pain Management Solutions, LLC 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Pain Management Solutions, LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pain Management Solutions, LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pain Management Solutions, LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (Continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pain Management Solutions, LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pain Management Solutions, LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report (Continued)**2021 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Pain Management Solutions, LLC 401(k) Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

Note 1: Description of Plan

The following description of Pain Management Solutions, LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution retirement plan established January 1, 2010 and restated effective June 1, 2017, covering all employees of Pain Management Solutions, LLC and its affiliates (the Company) who are at least twenty-one years of age. The Plan qualifies under Section 401(k) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On January 1, 2020, the Gulf Coast Pain Consultants LLC 401(k) Profit Sharing Plan (the "Gulf Coast Plan") merged into the Plan. Assets totaling \$2,211,420 were transferred from the Gulf Coast Plan and merged into the Plan.

On July 1, 2021, the Center for Pain of Montgomery, P.C. 401(k) Plan (the "Center for Pain Plan") merged into the Plan. Assets totaling \$5,574,164 were transferred from the Center for Pain Plan and merged into the Plan.

Participant Contributions: The Plan generally allows eligible employees to contribute an amount not to exceed the lesser of 85% of their compensation or an amount which, when added to other additions (exclusive of earnings) to the participant's account in any plan year, does not exceed the maximum limitation on annual additions to a participant's account under applicable provisions of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participant contributions are made through payroll deductions. The Plan has an automatic enrollment feature whereby a participant who meets the eligibility requirements of the Plan will have an initial percentage of their pay withheld, unless the participant elects to decline enrollment. Under the provisions of automatic enrollment, a participant's initial contribution level is 3%, with no automatic escalation provisions. In addition to the pre-tax contributions that an eligible employee can make, the Plan also provides an option for after-tax contributions to a Roth account. Participants may also contribute amounts representing distributions from other qualified retirement plans. Each participant designates the percentage of their contribution which is to be invested in one or more of the available investment fund options. In the event the Plan fails to satisfy relevant nondiscrimination provisions participant contributions may be returned to certain active participants.

Employer Contributions: Beginning January 1, 2017, the Company implemented a discretionary employer match. All employees who participate in the Plan are eligible for matching contributions. The Company matches 50% of employee contributions up to 3% of compensation. For the years ended December 31, 2021 and 2020, the employer matching contributions totaled \$608,383 and \$466,720, respectively. The Company may also make discretionary profit sharing contributions to the Plan, as determined annually by the Company. The Company may also make qualified non-elective contributions (QNEC) to each non-highly compensated employee, as determined by the Plan (such as in the event of "top-heavy" contributions). For the years ended December 31, 2021 and 2020, there were no employer discretionary profit sharing contributions. For the years ended December 31, 2021 and 2020, the employer QNEC contributions totaled \$27,113 and \$0, respectively.

Note 1: Description of Plan (Continued)

Participant Accounts: Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, and Plan earnings. Plan earnings and losses are allocated based on the account balances of the participants. The benefit to which a participant is entitled is that which can be provided from the participant's vested account balance. All Plan assets as of December 31, 2021 and 2020, with the exception of the forfeiture account, employer contributions receivable, and participant contributions receivable, if any, have been allocated to participant accounts.

Vesting: Participants are immediately vested in all their contributions and investment earnings thereon. Vesting in the Company's profit sharing and matching contributions, and investment earnings thereon, is based on years of credited service on a 5-year and 6-year graded vesting schedule, respectively. In the event of death, disability, or retirement, a participant's interest is immediately fully vested in the employer contributions and related earnings under terms set forth in the Plan agreement.

Notes Receivable from Participants: Participants may borrow from their accounts up to the lesser of \$50,000 or 50 percent of their vested account balance. The loans, which must be for at least \$1,000, bear interest at prevailing rates for similar loans as determined by the Plan administrator and are carried at their outstanding principal balance. Repayments are generally made through payroll deductions. A participant may only have one loan outstanding at any one time.

Payment of Benefits: Upon termination of employment, a participant may elect to have vested Plan benefits distributed as a lump-sum payment, or a direct rollover to another qualified plan or Individual Retirement Account. Participants are generally required to take minimum distributions upon reaching the age of 72. In-service withdrawals are permitted after a participant has attained 59½ years of age. Hardship withdrawals by a participant are permitted if specified criteria are met.

Forfeitures: The non-vested portion of a participant's account balance is generally forfeited upon termination of employment. As of December 31, 2021 and 2020, forfeited non-vested participant accounts totaled approximately \$4,400 and \$4,300, respectively. Forfeitures are first utilized to pay the Plan's administrative expenses and the remainder used to reduce the Company's contributions. During the years ended December 31, 2021 and 2020, approximately \$129,000 and \$118,000, respectively, from forfeited non-vested accounts was used to pay Plan expenses and reduce the Company's contributions.

Note 2: Summary of Significant Accounting Policies

Following is a description of the significant accounting and reporting policies of the Plan:

Basis of Presentation: The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Note 2: Summary of Significant Accounting Policies (Continued)

Fair Value Measurements: Generally Accepted Accounting Principles (GAAP) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for Plan assets measured at fair value.

Mutual Funds: The fair value of mutual funds is based on the daily closing price as reported by the fund. Mutual funds are required to publish their daily net asset values (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest-Bearing Cash: Interest-bearing cash is valued at fair value.

There has been no change in the methodology used to value mutual funds at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 2: Summary of Significant Accounting Policies (Continued)

In determining the appropriate levels, the Plan performs a detailed analysis of the assets and liabilities that are to be reported at fair value. The table below presents the assets and liabilities measured at fair value on a recurring basis by level within the hierarchy as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,733,198	\$ -0-	\$ -0-	\$ 16,733,198
Interest-bearing cash	150,277	-0-	-0-	150,277
	<u>\$ 16,883,475</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 16,883,475</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,557,693	\$ -0-	\$ -0-	\$ 8,557,693
Interest-bearing cash	51,575	-0-	-0-	51,575
	<u>\$ 8,609,268</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 8,609,268</u>

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Net Appreciation in Fair Value of Investments: Net appreciation in fair value of investments includes unrealized gains and losses relating to investments held at year-end and realized gains and losses on investments bought and sold during the year.

Contributions: Contributions from participants, including any related employer matching contributions, are recorded in the period the employer withholds payroll deductions from Plan participants.

Payment of Benefits: Benefit payments to participants are recorded when paid.

Subsequent Events: In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 13, 2022, the date the financial statements were available to be issued. During the period January 1, 2022 through October 13, 2022 the Plan did not have any material recognizable subsequent events, except for a restatement of the Plan effective August 1, 2022 to allow additional participating employers.

Note 3: Information Certified by the Plan Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by Reliance, the trustee of the Plan as of December 31, 2021 and 2020, respectively, except to compare such information to information included in the Plan's financial statements and supplemental schedule.

Note 3: Information Certified by the Plan Trustee (Continued)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments in mutual funds and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020, was derived from information certified as complete and accurate by Reliance.

Note 4: Notes Receivable from Participants

As of December 31, 2021 and 2020, 36 and 26 participants, respectively, were indebted to the Plan in the total amount of \$197,079 and \$75,060, as the result of loans made to them by the Plan. The loans are evidenced by promissory notes bearing interest at various rates ranging from 4.25% to 6.50% per annum, and are payable in installments, the latest of which is due in December 2026. The notes are fully secured by the participants' vested account balances.

Note 5: Excess Participant Contributions Payable

The Plan is subject to certain non-discrimination rules under ERISA and the Internal Revenue Code (Code). For the Plan year ended December 31, 2020, the Plan failed certain of the non-discrimination tests under the Code due to lower contribution percentages by non-highly compensated eligible employees relative to the contribution percentages of highly compensated eligible employees. In order to meet the requirements of the non-discrimination rules, the Plan refunded a portion of the contributions made by highly compensated participants during the year ended December 31, 2020, in accordance with applicable provisions of the Code. The refunds for 2020 which were paid in 2021, totaled \$295 and are reflected as excess participant contributions payable in 2020 in the financial statements. The plan passed the non-discrimination tests for the year ended December 31, 2021.

Note 6: Plan Termination

The Company has the right under the Plan agreement to discontinue their contributions at any time and to terminate the Plan, subject to applicable statutory provisions. In the event of termination, all participants will become fully vested. The Company has not indicated any intention to terminate the Plan.

Note 7: Income Tax Status

The Internal Revenue Service has determined that the Non-Standardized 401(k) Profit Sharing Plan and related trust established by ADP, LLC qualifies under applicable sections of the Internal Revenue Code. An employer who adopts this plan is generally considered to have a plan that is also qualified. The Plan's administrator and the Plan's sponsor believe that the Plan is designed and currently operating in compliance with the applicable requirements of the Internal Revenue Code. The Plan's federal tax returns are subject to examination by the Internal Revenue Service generally for a period of three years after the returns are filed.

Note 7: Income Tax Status (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator does not believe that the Plan has any uncertain tax positions. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 8: Reports to Governmental Agencies

The financial statements of the Plan for the years ended December 31, 2021 and 2020 differ from the amounts reported on Schedule H (Financial Information) of Form 5500 (Annual Return/Report of Employee Benefit Plan) filed with the Internal Revenue Service. Note 9: Parties-in-Interest

For the years ended December 31, 2021 and 2020, ADP and additional entities provided recordkeeping and other services to the Plan, for which they were compensated a total of \$109,660 and \$73,172, respectively, in administrative fees. Certain officers and employees of the Plan sponsor are administrators of the Plan acting as fiduciaries and are participants in the Plan.

Note 10: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 11: Administrative Expenses

The Plan is responsible for all of the costs of administration which includes custodial, recordkeeping, audit and management fees. The Plan provides that the Company, at its discretion, can agree to pay administrative expenses of the Plan. For the years ended December 31, 2021 and 2020, one of the participating Companies paid Plan administrative expenses of \$12,750 and \$12,500, respectively, not including the fees paid by the Plan as disclosed in Note 9.
