Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Alliance Profit-Sharing and Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Alliance Profit-Sharing and Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Alliance Profit-Sharing and Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance Profit-Sharing and Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Alliance Profit-Sharing and Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Alliance Profit-Sharing and Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2020 Financial Statements

The financial statements of the Plan as of December 31, 2020, were audited by predecessor auditors. They issued an unmodified opinion in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Their report was dated October 11, 2021.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sincerely,

Alexander Thompson Arnold PLLC

ALLIANCE PROFIT-SHARING AND EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – PLAN ADMINISTRATION AND DESCRIPTION

A. General

The following description of the Alliance Profit-Sharing and Employee Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan is a voluntary contribution profit-sharing plan covering substantially all employees of Alliance Rubber Company (the “Company”) who have three months of service and are age 21 or older. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Company contributions to the Plan are equal to 100% match up to 7% of compensation. The company can also make discretionary contributions which are determined annually by management. These contributions are allocated on the basis of compensation only. Participant contributions are made into the trust funds only.

C. Forfeitures

Forfeitures are used to reduce the employer’s contribution. Forfeitures used during the years ended December 31, 2021 and 2020 were \$1,735 and \$3,618, respectively.

D. Participant Accounts

A separate account is established for each participant and is credited with the participant’s contribution, an allocation of the Company’s contribution, forfeitures or terminated participant’s non-vested accounts, and earnings from the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

E. Vesting

Participant contributions and earnings thereon vest immediately. Participants vest in Company contributions as follows:

Years of Service	Vesting Percentage
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

F. Payment of Benefits

On termination of service, a participant will receive a lump-sum benefit of the vested balance. Distributions may be made in the case of financial hardship from the portion of the account attributable to employee deferrals only.

G. Participant Notes Receivable

Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from one to five years or up to twenty-five years for the purchase of a primary residence. The loans are secured by the balance in the participant’s account and bear interest at a rate equal to “prime” plus one percent (1%). Interest rates as of December 31, 2021 were 4.25 - 6.50%. Principal and interest are paid ratably through monthly payroll deductions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, as determined by quoted market prices. Purchases and sales of investments are recorded on a trade-date basis, and gains and losses on sales of investments are based on carrying values. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Investments quoted at market values are subject to risk due to market price fluctuations. See Note 6 for additional information.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could vary from the estimates that were used.

C. Administrative Expenses

Certain expenses incurred in maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

D. Subsequent Events

Subsequent events were evaluated through September 28, 2022, which is the date the financial statements were available to be issued.

E. Reclassification

Certain comparative figures have been reclassified to conform to the current year presentation.

NOTE 3 – TRUSTEE CERTIFICATION

The following is a summary of the information included in the Plan's financial statements for the years ended December 31, 2021 and 2020 which was prepared by the custodian of the Plan assets and furnished to the plan administrator. The custodian of the Plan was Reliance Trust. The plan administrator has obtained a certification from the custodian that such information is complete and accurate.

- A) Investments at the beginning and end of the year.
- B) Changes in net assets resulting from investment activities.
- C) Information included in the supplemental schedule of assets (held at end of year).

NOTE 4 – TAX STATUS OF PLAN

Effective February 1, 2021, the Company adopted the Automatic Data Processing Prototype Nonstandardized 401k and Profit Sharing Plan ("Prototype Plan"). The Prototype Plan received a favorable determination letter from the Internal Revenue Service on October 6, 2020. The Plan is qualified under Section 401(a) and meets the additional requirements of Section 401(k) of the Internal Revenue Code of 1986 (the "Code"). The Plan is exempt from federal income taxes under Section 501(a) of the Code. Company contributions and participant contributions may be excluded from gross income for participants for whom such contributions are made. The Company is required to file and does file Form 5500 with the Internal Revenue Service.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to discontinue contributions at any time and to terminate the Plan subject to the related provisions of ERISA. In the

ALLIANCE PROFIT-SHARING AND EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

event of a plan termination or permanent discontinuance of contributions, participants would become 100 percent vested in their accounts.

NOTE 6 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 – quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset or inputs that are derived from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	<u>Fair Value Measurements:</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2021</u>				
Mutual funds	\$ <u>11,730,347</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>11,730,347</u>
<u>December 31, 2020</u>				
Mutual funds	\$ <u>9,692,075</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>9,692,075</u>

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Reliance Trust Company was a party-in-interest as of December 31, 2021 and 2020.

NOTE 8 – VESTED BENEFITS

Included in net assets available for benefits are amounts allocated to individuals who have elected to withdraw from the Plan but who have not been paid. Plan assets allocated to these participants were \$1,016,903 and \$628,891 as of December 31, 2021 and 2020.

ALLIANCE PROFIT-SHARING AND EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 9 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a benefit-responsive investment contract with Reliance Trust Company. The Stable Value Option investment choice is a non-tradable obligation of Reliance Trust Company. The investment's contract or proceeds cannot nor will not be assigned or sold to another party without the consent of Reliance Trust Company. The repayment of principal and interest credited to participants holding the investment is a financial obligation of Reliance Trust Company. However, if an event should ever occur such that realization of full contract value for a particular investment contract is no longer probable the Stable Value Option investment choice may no longer be considered fully benefit-responsive. The terms of Reliance Trust Company's Group Annuity Contract require all permitted participant-initiated transactions involving the investment to occur at contract value with no conditions, limits or restrictions. Permitted participant-initiated transactions are those allowed by the underlying defined contribution plan such as withdrawals for benefits, loans or transfers to other investment choices within the plan. Since the Stable Value Option investment choice is an obligation of Reliance Trust Company, the occurrence of an event that limits the ability of the investment to transact at contract value between Reliance Trust Company and a participant holding the investment is not probable. The Stable Value Option investment choice allows a participant reasonable access to their assets.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of novel coronavirus disease ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. As a result, the Company adjusted certain aspects of its operations to protect its customers, contractors and workforce while still meeting the needs of its customers. The Company cannot reasonably estimate the length or severity of this pandemic, or the extent to which the disruption may materially impact its business, financial position, results of operations, and cash flows. This will also affect the retirement plans of the Company.
