NOTE A – Plan Description

The following description of A&W Energy 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the summary plan description, as amended, for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering eligible employees of A&W Management Holdings, LLC (the “Company”) who are employed as full or part-time. The Plan was established on January 1, 2014 and amended effective January 1, 2020. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent laws.

Plan Administration

The Company is the administrator of the Plan and the responsibility for the operation and administration of the Plan. John Hancock Life Insurance serves as the trustee for the Plan (the "Trustee") and provides administrative and recordkeeping services on behalf of the Plan.

Eligibility

All Company employees, except non-resident aliens, union and leased employees, are eligible to participate in the Plan once they have attained the age of 18 and reached the eligibility date. The entry date for purposes of employee elective deferrals is completion of six months of service. The entry date for purposes of employer matching, employer profit sharing, safe harbor contributions is the completion of one year of service.

A participant will be credited with a year of service at the end of the twelve-month period beginning the date of hire, if the participant has been credited with at least 1,000 hours of service during such period. If the participant has not reached the 1,000 hours of service by the end of such period, the participant will receive credit the following year in which they reach 1,000 hours of service.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants direct the investment of their contribution into various investment options offered by the Plan.

Contributions

Participants may elect to contribute up to 90% of their annual compensation, as defined by the Plan on a tax-deferred basis or a Roth after-tax basis, up to a maximum amount allowed by the Internal Revenue Code. Maximum allowed deferral amounts are \$19,500 for 2021. Participants aged 50 and over are allowed to make catch-up contributions in the amount of \$6,500 for 2021. Participants may also contribute qualified rollover contributions representing distributions from other qualified plans.

The Company may make a discretionary matching contribution that will not exceed 4% of the

NOTE A – Plan Description (continued)

participant's compensation. The Company provides a safe-harbor non-elective contribution equal to 3% of the participants compensation. Each year, the Company may also make a discretionary profit-sharing contribution. The Company's safe harbor non-elective contribution and discretionary contributions amounted to \$649,060, in 2021.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Forfeitures

If a participant terminates employment before becoming fully vested in his/her Company matching contributions, the nonvested Company matching contributions (and earnings thereon) are forfeited at the earlier of the date the participant receives a distribution or incurs a five-year break-in-service. Forfeited balances are restored if the participant returns to an eligible status within five years of termination and repays any amount previously distributed. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company matching contributions or pay eligible Plan expenses.

The December 31, 2021 and 2020 balances of unallocated forfeitures totaled \$18,230 and \$43,960, which is in a non-interest-bearing cash account with the Trustee. The Plan will utilize the full forfeited balance as of December 31, 2021 to reduce employer contributions in 2022.

Payment of Benefits

Generally, after separation from service due to termination, death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account either in a single lump-sum amount or partial withdrawals. In-service withdrawals are distributed in a single payment. If the participant's vested account balance does not exceed \$5,000, then their vested account balance may only be distributed to you in a single lump-sum payment. In addition, if your vested account balance exceeds \$5,000, you must consent to any distribution before it may be made

Administrative Expenses

The Plan permits the payment of Plan expenses to be made from the Plan's assets. If expenses are paid using the Plan's assets, then the expenses will generally be allocated among the accounts of all Participants in the Plan. These expenses will be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of Participants in the Plan.

NOTE B - Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

NOTE B - Summary of Significant Accounting Policies (continued)

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are valued based on the quoted market price on the last day of the year or on contract value. The difference between current market value and cost of the investment is reflected in the statement of changes in net assets available for plan benefits by investment fund as net unrealized appreciation or depreciation in market value of investments. Where there is no readily available last traded or current bid prices, fair value estimation procedures used in determining asset values might cause differences from the values that would exist in a ready market due to the potential subjectivity in the estimates. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds – Mutual funds are investment vehicles stated at fair value based on quoted market prices reported by the Trustee.

Investments and Investment Options - Each participant has the right to direct his or her contributions and the Company's matching contributions, once remitted, among the investment funds offered by the Plan. Descriptions of the Plan's investment fund options are included in the summary plan description provided to all eligible employees.

Participants may direct their investment contributions to the following investment funds: American Century 2055, JH Multi-Index 2060 Preservation, JH Multi-Index 2055 Preservation, JH Multi-Index 2050 Preservation, JH Multi-Index 2045 Preservation, JH Multi-Index 2040 Preservation, JH Multi-Index 2035 Preservation, JH Multi-Index 2030 Preservation, JH Multi-Index 2025 Preservation, JH Multi-Index Income Preservation, JH Multi-Index Aggressive Lifestyle, JH Multi-Index Growth Lifestyle, JH Multi-Index Balanced Lifestyle, JH Multi-Index Moderate Lifestyle, JH Multi-Index Conservative Lifestyle, Blue Chip Growth Fund, Cohen & Steers Real Estate, Ivy Small Cap Core Fund, Mid Cap Index Fund, Oakmark International Fund, Small Cap Index Fund, T. Rowe Price New Era Fund, Vanguard Explorer Fund, Vanguard Small Cap Value Index, 500 Index Fund, Capital World Growth & Income, Columbia Contrarian Core Fund, New Perspective Fund, Templeton World, Blackrock Global Allocation, JPMorgan Core Bond Fund, Lord Abbett Bond Debenture, Western Asset Core Bond Fund, Lod Abbett Short Duration Inc, Money Market Fund.

Risks and Uncertainties - The Plan provides for various investment options in mutual funds and other investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of certain investment securities, it is reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

On March 11, 2020, the World Health Organization characterized coronavirus (COVID-19) as a pandemic, and on March 13, the President of the United States declared a national emergency relating

NOTE B - Summary of Significant Accounting Policies (continued)

to the disease. In addition to the President's declaration, state and local authorities have recommended social distancing and have imposed quarantine and isolation measures on large portions of the population, including mandatory business closures. These measures are designed to protect the overall public health, however, are expected to have material adverse impacts on domestic and foreign economies and may result in the United States entering a period of recession.

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.

Payment of Benefits - Benefits are recorded when paid.

Recently Issued Accounting Pronouncements - In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update 2018-13, "*Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*." The new standard modifies the disclosure requirements on fair value measurements in Topic 820, Fair Value Measurement, including adjustments to Level 3 fair value measurement disclosures as well as the removal of disclosures around Level 1 and Level 2 transfers. This update is effective for the fiscal year beginning January 1, 2020 with early adoption permitted. The amendments to the guidance will be applied on a prospective or retrospective basis, in accordance with the requirements of the new standard. Plan management plans to adopt this standard on January 1, 2020 and does not expect a material impact upon adoption.

NOTE C – Fair Value Measurements

FASB Accounting Standard Codification Topic 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10 are described below:

- Level 1 – quoted market prices in active markets for identical assets or liabilities
- Level 2 – Observable inputs other than Level 1 prices, such as quoted market prices for similar assets or liabilities or other inputs that are observable or can be corroborated by market data. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

NOTE C – Fair Value Measurements (continued)

The asset or liability's level within the fair value hierarchy is based on the lowest level of any significant input used to measure its fair value. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

The Plan employs the following approaches in valuing its investments:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3
Mutual funds	\$ 3,086,738	\$ 0-	\$ -0-
Investments at fair value	\$ 3,086,738	\$ -0-	\$ -0-
			Total
			\$ 3,086,738

Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Mutual funds	\$ 4,241,041	\$ 0-	\$ -0-
Investments at fair value	\$ 4,241,041	\$ -0-	\$ -0-
			Total
			\$ 4,241,041

NOTE D – Tax Status

The Plan obtained its latest opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expect to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently

NOTE D – Tax Status (continued)

no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE E – Investments Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee on the cash basis of accounting.

	2021	2020
Investments, at fair value		
Cash	\$ 18,230	\$ 43,960
Mutual funds	4,241,041	3,086,738
Contributions		
Employer	649,060	825,437
Employee	313,380	363,504
Employee- Rollover	100,000	29,578
Expenses	44,396	31,085
Participant distributions	\$ 287,374	\$ 149,314

NOTE F - Administration of Plan Assets

The Plan's assets, which consist principally of investments in mutual funds that are held by the Trustee of the Plan.

Company contributions are held and managed by the Trustee, which invests cash that is received, makes distributions to participants, and executes participant-directed investments.

Officers or employees of the Company perform certain administrative functions. No such officer or employee receives compensation from the Plan. Most administrative expenses for the investment, custodial, administrative fees and appraisals were paid directly by the Plan.

NOTE G – Plan Termination

Although the Company has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time, subject to Plan provisions. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE H – Related-Party Transaction and Party in Interest Transactions

ERISA defines a party-in-interest to include fiduciaries or employees of the Plan, any person who provides service to the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relative of such persons.

Certain Plan investments are funds managed by the Trustee. These transactions related to the Trustee, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Fees incurred by the Plan for the investment management services are included in investment income, as they are paid through revenue sharing, rather than a direct payment. Certain administrative functions are performed by officers or employees of the Company and its affiliates. No such officer or employee receives compensation from the Plan.

NOTE I – Reconciliation of Financial Statements to Form 5500

Form 5500 agrees to the financial statements.

NOTE J – Subsequent Events

As a result of the spread of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, resulting in a substantial decline in the value of the investments. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time. The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act).

In preparing these financial statements, The Plan has evaluated events and transactions for potential recognition or disclosure through October 7, 2022, the date the financial statements were available to be issued. As a result of that evaluation, there were no subsequent events that required recognition or disclosure.
