Mount Airy #1, LLC Retirement Savings Plan
Mt. Pocono, Pennsylvania

Scope of Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Mount Airy #1, LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Mount Airy #1, LLC Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mount Airy #1, LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mount Airy #1, LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mount Airy #1, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or

is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Mount Airy #1, LLC Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MOUNT AIRY #1, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

NOTE 1 Description of Plan

The following description of the Mount Airy #1, LLC Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was created on February 1, 2008 and is a participant-directed defined contribution plan covering most regular employees of the Company who elect to participate and who have met certain requirements as to length of service and age, as defined. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA), as amended. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Owner Managing Trustee.

Plan Sponsor

Mount Airy #1 LLC, d/b/a Mount Airy Casino Resort (the Company) is a casino and resort in the Pocono Mountains of Northeastern Pennsylvania.

Change in trustee

Ascensus, Inc., as agent for Ascensus Trust Company (Ascensus) (the predecessor trustee) was the trustee of the Plan's assets as of December 31, 2020 and for the period January 1, 2021 through January 13, 2021.

As of January 14, 2021, John Hancock Trust Company, LLC (John Hancock) (the successor trustee) was appointed the trustee of the plan.

The trustees held and managed the Plan assets subject to the direction of the Plan trustees and Plan participants, for the respective time periods as discussed above.

Employee Contributions

Each plan year, participants may elect to make pre-tax elective deferrals in amounts ranging from 1% to 100% of eligible earnings, in increments of 1%. Participants direct the investment of their contribution into various investment options offered by the Plan. Each participant's contribution is allocated to available investment options according to the percentages specified by the participants. Employee contributions were limited to \$19,500 in 2021. Employees who attained the age of fifty (50) by the end of the year had the option to take a catch-up contribution of \$6,500 in 2021. Contributions are subject to certain IRS limitations.

Employer contributions

The Company has the ability to make a discretionary matching contribution equal to a percentage of participant's elective deferrals. In 2021, the match was based on 25% of employee contributions, up to 6%. In addition, the Company may make a profit-sharing contribution to the Plan each year. The eligibility requirement to receive the profit-sharing contribution is specified in the Plan document. The Company will determine the percentage amount of contribution on a yearly basis. There were no discretionary profit-sharing contributions in 2021. The Company contributed \$313,553 to the plan in 2021.

YEAR ENDED DECEMBER 31, 2021

(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

Rollover contributions

Participants may make rollover contributions to the Plan from an eligible account, as defined in the Plan document.

Participant accounts

Each participant's account is credited with the participant's contributions, including rollovers, and Company matching contributions, as well as allocations of the Plan earnings and discretionary profit-sharing contributions, if any, made by the Company. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their elective deferral, rollover and voluntary after-tax contributions plus actual earnings thereon. The following vesting schedule, based on a participant's years of service, applies to employer matching contributions and discretionary profit-sharing contributions:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of benefits

During employment, a participant may make withdrawals of amounts applicable to employee and vested employer contributions, subject to certain restrictions, as defined under the Plan. Participants are entitled to withdraw funds, exempt from excise tax, upon attaining age 59 ½ or for financial hardship before that age. Participants may qualify for financial hardship withdrawals if they have an immediate and substantial financial need, as defined by the Plan document.

All benefits could be paid to participants upon termination of service due to death, disability, retirement or other reasons, as defined, in the form of a lump sum payment or in installments. If a terminated participant has a vested account balance of less than \$1,000, the entire balance is automatically distributed to the participant. If a terminated participant has a vested account balance of \$1,000 or greater but less than \$5,000, the Company may rollover the entire balance into an Individual Retirement Account in the participant's name. A terminated participant with a vested balance in excess of \$5,000 may choose to leave his or her account balance in the Plan until age 70 ½.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50 percent of their vested account balance or \$50,000. See Note 10 for adopted

CARES Act provisions. The loans are secured by the participants' vested account balance. The loans bear interest equal to the prime rate as published in *The Wall Street Journal* at the time the loan is taken, plus one (1%) percentage point, and are stated at unpaid principal balance plus accrued interest. Principal and interest are paid ratably through payroll deductions.

NOTE 2 Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Risk and uncertainties

The Plan provides for various investment options in various combinations of investment funds. Investment funds are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially effect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Management continues to evaluate the impact of the COVID-19 pandemic and has concluded that while it is reasonably possible that the virus could have a negative effect on the Plan's financial position and results of its operations and Plan investments, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Investment valuation and income recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 6 for discussion of fair value measurements.

MOUNT AIRY #1, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021 (WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

Purchases and sales of securities are recorded on a trade-date-basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract issued by John Hancock as trustee totaling \$234,623 for 2021. John Hancock maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer, but may not be less than 1.00%. The credit rate is reviewed on a semi-annual basis for resetting. The fixed income guaranteed option contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by John Hancock, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value with John Hancock.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

The Plan administrator does not believe that any events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2021
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

Payment of benefits

Benefits are recorded when paid.

Forfeited accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$142,337 and \$93,493, respectively. These accounts may be utilized for certain administrative expenses or to reduce future employer contributions. In 2021, \$10,600 was used to pay administrative expenses of the Plan.

NOTE 3 Expenses

Certain expenses of maintaining the Plan are paid by the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Investment advisory and management fees are also included in administrative expenses. Administrative expenses paid by the Plan amounted to \$85,222 for the year ended December 31, 2021.

NOTE 4 Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Trust Company, LLC and Ascensus, Inc., as agent for Ascensus Trust Company, the trustees of the Plan. See Note 1 for change in trustees.

NOTE 5 Participant contributions

As of and for the year ended December 31, 2021, the employer remitted to the third-party administrator all participant contributions to the plan in a timely manner.

NOTE 6 Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs used in determining valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

MOUNT AIRY #1, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value common collective trust fund: Valued at the net asset value, as reported by the trustee, based on the number of units held by the Plan. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The redemption frequency of this fund is daily, and there are no redemption restrictions or unfunded commitments relating to the Plan's investment in the fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

MOUNT AIRY #1, LLC RETIREMENT SAVINGS PLAN

(a) An investment measured at fair value using the net asset value per share expedient has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on net asset value (NAV) per share as of December 31, 2020.

	Fair value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective trust fund	\$ 379,801	N/A	Daily	(b)

(b) If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 7 Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all interests of participants will become 100% vested in their employer contributions.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021 (WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

NOTE 8 Related party and party in interest transactions

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The following transactions represent party in interest transactions to the Plan.

- Mutual funds and guaranteed interest fund: Investment options include John Hancock mutual funds and a guaranteed interest fund. The fair value and contract value of these investments was \$11,333,976 and \$234,623, respectively, at December 31, 2021.
- Notes receivable from participants: The Plan accepts and services loans to Plan participants as described in Note 1. Notes receivable from participants totaled \$585,214 and \$474,856 as of December 31, 2021 and 2020, respectively.
- Administrative fees: Administrative fees, including amounts paid to the plan administrators and trustees, were \$85,222 for the year ended December 31, 2021. The Company may pay certain fees and expenses of the Plan.

Plan investments were managed by the trustees (See Notes 1 and 4) as defined by the Plan and, therefore, these transactions qualify as party in interest transactions.

The aforementioned trustees provided certain administrative services to the Plan pursuant to service agreements between the Company and the trustees and the trustees' respective agents. The trustees received revenue from mutual fund service providers for services they provided to the funds. This revenue was used to offset certain amounts owed to the trustees for their administrative services to the Plan.

Certain administrative functions are performed by officers or employees of the Company with no compensation from the Plan.

These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 9 Tax status

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Plan management is required to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

NOTE 10 CARES Act

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act included several relief provisions available to tax qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000
- Increase the available loan amount as described in Note 1 to the lesser of \$100,000 or 100% of the participant's vested account balance
- Defer loan payments, if applicable, up to one year
- Suspension of required minimum distributions for 2020

NOTE 11 Subsequent events

The Plan has evaluated subsequent events through October 14, 2022, which is the date these financial statements were available to be issued.
