CYBERPOINT INTERNATIONAL, LLC 401(K) PLAN

**Financial Statements – Modified Cash Basis
Together with Independent Auditors' Report**

**As of December 31, 2021 and 2020 and
For the Year Ended December 31, 2021**

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
CyberPoint International, LLC 401(k) Plan and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the CyberPoint International, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with the modified cash basis of accounting. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CYBERPOINT INTERNATIONAL, LLC 401(K) PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

1. PLAN DESCRIPTION

The following description of the CyberPoint International, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which was established by CyberPoint International, LLC effective January 1, 2010. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was amended effective August 1, 2013 to change the sponsoring employer from CyberPoint International, LLC to .ag LLC (the Company). In addition, effective August 1, 2013, CyberPoint International, LLC and LifeJourney USA, LLC, subsidiaries of the Company, adopted the Plan as participating companies. Effective January 1, 2015, LifeJourney USA, LLC was removed as an adopting employer. Effective January 1, 2021 the Plan was amended and restated to reflect the cessation of Pivot Point Risk Analytics, LLC as a participating employer in the Plan as well as to reflect statutory and regulatory changes as permitted by the Internal revenue Service (IRS). The Plan was most recently amended effective January 1, 2022 to reflect Arctonyx, LLC as a participating employer in the Plan.

Eligibility

Employees may enter the Plan immediately on their employment commencement date. Seasonal employees and interns, non-resident aliens with no U.S. source income, employees subject to a collective bargaining agreement that does not provide for Plan participation, and leased employees are not eligible to participate in the Plan.

Participant Contributions

Participants may contribute up to 100% of their annual compensation as defined by the Plan agreement. Participant contributions are subject to Internal Revenue Code (the Code) limits, which totaled \$19,500 for the year ended December 31, 2021. Participants may also contribute Roth elective contributions. A participant's Roth elective contributions are allocated to a separate account maintained for such contributions. Roth contributions are treated as elective contributions for all purposes under the Plan. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$6,500 for the year ended December 31, 2021. Participants are permitted to make rollover contributions from other qualified plans into the Plan.

Company Contributions

The Plan has elected to operate as a 401(k) safe harbor plan in order to satisfy certain non-discrimination testing requirements for the Plan year ended December 31, 2021. The Company made a non-elective contribution for each eligible participant equal to (or up to) 3% of the participant's compensation on a bi-monthly basis. Safe harbor contributions to the Plan totaled \$348,175 for the year ended December 31, 2021.

CYBERPOINT INTERNATIONAL, LLC 401(K) PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

1. PLAN DESCRIPTION – cont’d.

Company Contributions – cont’d.

The Company may make discretionary non-safe harbor employer match contributions to the Plan as determined by management on a quarterly basis. Participants must be employed on the last day of the Plan year quarter to receive such a contribution. Discretionary non-safe harbor employer match contributions totaling \$350,964 were made to the Plan during the year ended December 31, 2021.

Participant Accounts

Each participant’s account is participant-directed and is credited with the participant’s contributions and Company contributions. Any earnings, losses, and administrative expenses are allocated to participant accounts based upon the balance in each of the participant’s accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions and Company contributions plus earnings thereon.

Forfeitures

Forfeitures may be used to pay administrative expenses or to reduce future Company contributions. Forfeitures become available to the Plan as of the earlier of the last day of the Plan year in which a former employee incurs five consecutive one-year breaks in service or a distribution of the participant’s entire vested account balance occurs. Forfeitures available to the Plan to pay administrative expenses or reduce Company contributions totaled \$983 and \$518 as of December 31, 2021 and 2020, respectively. No forfeitures were used to pay administrative expenses or reduce Company contributions for the year ended December 31, 2021.

Payment of Benefits

Upon termination of service, attainment of age 59 ½, death or disability, a participant or their beneficiary, in the event of death, is entitled to a distribution of their vested account balance. Distributions will be made in a lump-sum equal to the value of the participant’s vested interest in their account or in the case of required minimum distributions, as installment payments. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Upon termination of service, participants with vested account balances of less than \$5,000 will receive a lump sum distribution. Certain income taxes and penalties may apply to distributions taken prior to age 59 ½. Distributions are subject to the applicable provisions of the Plan agreement. As of December 31, 2021 and 2020, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan, but had not received such distributions prior to year-end.

CYBERPOINT INTERNATIONAL, LLC 401(K) PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

1. PLAN DESCRIPTION – cont’d.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000 and each participant may not have more than two notes outstanding at a given time. Notes are collateralized by the participant’s vested account balance. Notes bear interest at rates commensurate with those offered by financial institutions at the time of the note’s issuance. Interest and principal repayments are made ratably through payroll deductions. The maximum term for notes is 5 years unless the loan qualifies as a primary residence purchase. Primary residence notes must be repaid within 20 years.

Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid with assets of the Plan unless the Company, at its discretion, elects to pay them. During the year ended December 31, 2021, the Company paid a portion of the administrative expenses related to the Plan. Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net appreciation in fair value of investments.

ERISA Expense Account

Investment related expenses, as defined in the Plan Service Agreement, charged in excess of the Annual Revenue Requirement are remitted back to the Plan and are held in an unallocated ERISA Expense account. Amounts held in the unallocated ERISA Expense account, as applicable, may be applied to pay administrative expenses or allocated to Plan participants on either a pro-rata or per-capita basis. During the year ended December 31, 2021, \$14,765 was applied to pay Plan expenses. There were no amounts allocated from the ERISA Expense account pro-rata to participant accounts for the year ended December 31, 2021. As of December 31, 2021 and 2020, amounts held in the ERISA Expense account totaled \$0 and \$24, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan’s financial statements are prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Accordingly, certain additions are not recorded until the cash is collected and certain deductions are not recorded until the obligation is disbursed.

CYBERPOINT INTERNATIONAL, LLC 401(K) PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur and materially affect participant account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s realized and unrealized gains and losses on investments bought and sold during the year as well as held at year end.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

CYBERPOINT INTERNATIONAL, LLC 401(K) PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 18,510,568	\$ -	\$ -	\$ 18,510,568
Total investments, at fair value	\$ 18,510,568	\$ -	\$ -	\$ 18,510,568

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total

Total investments, at fair value	\$ 14,222,904	\$ -	\$ -	\$ 14,222,904

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through October 13, 2022, the date the financial statements were available to be issued, and determined there were no material subsequent events that required disclosure, except as disclosed in Note 1.

3. INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule, including assets held at December 31, 2021 and 2020, interest and dividend income and net appreciation in the fair value of investments for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company, the Custodian and Trustee of the Plan.

4. PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's investments are managed by Reliance Trust Company, the Custodian and Trustee of the Plan. The Plan loans funds to its participants according to the applicable provisions of the Plan document. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

CYBERPOINT INTERNATIONAL, LLC 401(K) PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds an investment in the MassMutual Retirement Services Fund, a fully benefit-responsive investment contract with Massachusetts Mutual Life Insurance Company (MassMutual).

Effective January 4, 2021, Empower Retirement acquired MassMutual's retirement business. Through this transaction, business written by MassMutual is reinsured by Great-West Life and Annuity Insurance Company (GWL&A) and in New York by Great-West Life and Annuity Insurance Company of New York. Empower Retirement refers to the products and services offered by GWL&A and its subsidiaries.

The contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent. Such interest rates are reviewed on a semiannual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

1. The Plan's failure to qualify under Section 401(k) of the Code.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of subsidiary) that significantly affect the Plan's normal operations

No events are probable or occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with its participants.

CYBERPOINT INTERNATIONAL, LLC 401(K) PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT – cont'd.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

The fully benefit-responsive contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

6. INCOME TAX STATUS

The Plan operates under a volume submitter plan, which received a favorable opinion letter on June 30, 2020. The Plan has been amended since receiving the favorable opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Given the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2021 and 2020.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions to the Plan and terminate the Plan subject to the provisions of ERISA.
