The financial statement comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 403(b) Thrift Plan of Community Action Program Belknap and Merrimack Counties, Inc.'s 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of December 31, 2021, stating that the certified investment information, as described in **Note 5** to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Community Action Program Belknap and Merrimack Counties, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Community Action Program Belknap and Merrimack Counties, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued. Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Community Action Program Belknap and Merrimack Counties, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Community Action Program Belknap and Merrimack Counties, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain other matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 403(b) Thrift Plan of Community Action Program Belknap and Merrimack Counties, Inc. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1. DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan of Community Action Program Belknap and Merrimack Counties, Inc. formerly; Community Action Program Belknap-Merrimack Counties, Inc. 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which became effective March 12, 1994, is a defined contribution plan covering all eligible employees of Community Action Program, Belknap-Merrimack Counties, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee oversees governance of the Plan, the appropriateness of the Plan's investment offerings and monitors the investment performance.

Previously Excluded Assets

During the year ended December 31, 2019, the Plan Sponsor uncovered, what it thought was an older contract held with Capital Group American Funds. For the year ended December 31, 2017 the beginning net assets available for benefits were increased to reflect the then fair market value. Upon investigating the origination of the balances, the Plan Sponsor determined that the funds were not in fact part of plan assets, but rather belonged directly to the Organization. Accordingly, the opening net assets for the year ended December 31, 2020 have been adjusted down by \$125,912.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation up to the maximum annual limit provided by the Internal Revenue Service, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan provides a matching contribution equal to 100% of the first 5% of a participant's contribution. Contributions are subject to certain limitations as defined in the plan document. Total matching contributions to the Plan for 2021 and 2020, were \$201,800 and \$212,434, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses) and is charged with an allocation of administrative expenses, depending on the participant's choice of investments. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

PROGRAM BELKNAP AND MERRIMACK COUNTIES, INC.**

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

Vesting

Participants are immediately vested in their account including matching contributions.

Forfeitures

At December 31, 2021 and 2020, there were no forfeited non-vested accounts. The Plan Sponsor intends to utilize these funds in the form of a discretionary contribution to the Plan participants.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions to one or more of the investment options offered by the Plan. Participants may change their investment options and make transfers between investments at any time via Mutual of America Life Insurance Company automated system, with Human Resources, or by phone.

Plan Loans

The Plan allows for participant loans based on a participant's vested account balance. These loans are issued and held directly by Mutual of America and are collateralized by the Participant's account balance in the Plan. Generally, a participant's outstanding loans may not exceed 50% of a participant's account balance or \$50,000 and are secured by the remaining balance in the participant's account. During 2020 and under the CARES Act, the maximum allowable loan was increased to \$100,000 for loans taken from March 27, 2020 until September 23, 2020. Additionally, under the Act qualified individuals were allowed to request a one-year delay in repayment of their loan.

Under the Plan agreement the loan requests processed are directly paid to the participant, and the participant's funds equal to the amount of the loan are transferred into the interest accumulation account as security. Participants will pay interest at a rate of 4% on all outstanding loan balances to Mutual of America and earn the then prevailing rate on the interest accumulated account, approximately 1%. For the year ended December 31, 2021 and 2020 the Plan loans totaled \$105,113 and \$154,602, respectively, with maturity dates ranging from May 2022 through August 2031.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount, a direct transfer to another qualified retirement account, or a combination of the two, equal to the participant's vested interest in his or her account; or periodic installments over a designated period. Benefit payments are recorded when paid.

**403(b) THRIFT PLAN OF COMMUNITY ACTION
PROGRAM BELKNAP AND MERRIMACK COUNTIES, INC.**

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

Upon termination of service, a participant, unless electing otherwise, will begin receiving payments as soon as practical based on the preceding valuation date. Employees with a balance of \$1,000 or greater have the right to keep their retirement account in the Plan or elect to have the benefits paid in a lump sum. Participants with a balance of less than \$1,000 automatically receive a lump sum payment as soon as feasible following separation. Benefit payments are recorded when paid.

In-Service Withdrawal

An employee is permitted to take a distribution while being an active participant in the Plan once the age of 59 ½ is attained. Such distributions will not be subject to a 10% excise tax but may be subject to income taxes.

Hardship Withdrawal

An employee may take a distribution from the Plan if a heavy financial burden, as defined by the Plan, can be demonstrated to the Plan Trustee. If such a distribution is made, the employee cannot make elective deferrals for six months from the date of the distribution. Hardship distributions require written request and are limited to the participant's elective deferrals and are generally subject to income tax, and may be subject to a 10% excise tax.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Plan Records

The Plan may have excluded certain annuity and custodial accounts issued to former and current employees prior to 2009. As permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans the investment income and distributions related to such accounts may also be excluded from the accompanying statements of changes in net assets available for benefits. Under accounting principles generally accepted in the United States of America, these accounts and related income and distributions should be included in the accompanying financial statements. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable.

**403(b) THRIFT PLAN OF COMMUNITY ACTION
PROGRAM BELKNAP AND MERRIMACK COUNTIES, INC.**

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets during the reporting period. Actual results could differ from those estimates. See **Note 3** for discussion of fair value measurements.

Cash and cash equivalents

Cash and cash equivalents are almost entirely comprised of Mutual of America Life Insurance Company's Interest Accumulation account. This investment does not carry front-end or back-end charges, nor is the interest dependent on a certain holding period. Withdrawals may be made at any time by the participants.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see **Note 3**). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participant's account and amounts reported in the statements of net assets available for benefits.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

**403(b) THRIFT PLAN OF COMMUNITY ACTION
PROGRAM BELKNAP AND MERRIMACK COUNTIES, INC.**

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability; and,
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no material changes in the methodology used at December 31, 2021 and 2020.

Mutual Funds (Level 1): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Mutual Funds (Level 2): Valued at the closing price as reported by the fund. The level 2 mutual funds are internally managed by the asset custodian Mutual of America Life Insurance Company and are valued based on the NAV of the underlying assets, which are generally traded in active markets.

**403(b) THRIFT PLAN OF COMMUNITY ACTION
PROGRAM BELKNAP AND MERRIMACK COUNTIES, INC.**

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

The preceding method described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total investments at fair value	\$ <u>425,681</u>	\$ <u>9,800,401</u>	\$ <u>-</u>	\$ <u>10,226,082</u>

NOTE 4. INFORMATION CERTIFIED BY THE PLAN'S ASSET CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the asset custodian, Mutual of America Life Insurance Company, has certified the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment activity, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

PROGRAM BELKNAP AND MERRIMACK COUNTIES, INC.**

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

- The schedule of investments (held at end of year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the supplemental schedule.

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, the Internal Revenue Code governing termination of employee benefit plans and a 60-day written notification to the Plan Trustee.

NOTE 6. ADMINISTRATIVE EXPENSES

The Company provides certain administrative and accounting services to the Plan at no cost, and pays for the cost of the Plan audit. For the years ended December 31, 2021 and 2020, administrative expenses in the statements of changes in net assets available for benefits consist of loan and withdrawal fees and other investment expenses charged by the asset custodian.

NOTE 7. TAX STATUS

The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
