REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees
rewardStyle 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of rewardStyle 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2021 and assets (held at end of year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedules, we evaluated whether the 2021 supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the rewardStyle 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan’s prototype Plan document and related adoption agreement for a more comprehensive description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of rewardStyle, Inc. dba LTK (the “Company” or “Employer”). The Plan is designed to comply with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), and the Internal Revenue Code (“IRC”).

Delaware Charter Guarantee & Trust Company (d/b/a Principal Trust Company (“Principal Trust”) served as custodian during the year ended December 31, 2021, and Principal Trust along with Principal Life Insurance Company (“Principal Life”) served as custodians for the year ended December 31, 2020 (together “Principal”) and are responsible for the custody and management of the Plan’s assets at the direction of the plan administrator. Principal Life Insurance Company is the Plan’s recordkeeper and is responsible for maintaining participants’ accounts and executing participant-initiated transactions.

Eligibility

All employees of the Company who have completed 30 days of service and have attained the age of 21 are eligible to participate in the Plan.

Contributions

Each year, participants may contribute a portion of their pretax annual compensation, up to the limits permitted under the IRC, as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC. Participants are also permitted to make Roth after-tax contributions which, when combined with participant deferrals, may not exceed the IRC limit.

The Company makes matching contributions equal to 100% of participants’ elective deferrals up to 4% of the participant’s eligible compensation.

Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or defined contribution plans into the Plan.

Vesting

Participants are immediately vested in their contributions and Employer matching contributions, plus actual earnings thereon.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Employer’s matching contributions, and an allocation of investment earnings and charged with an allocation of investment losses and certain administrative expenses. Allocations of investment earnings or losses are based on a participant’s account balance in each investment option as a percentage of the total participants’ account balances.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds and a guaranteed interest account as investment options for participants.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of a) \$50,000 less the highest outstanding loan balance of loans during a year ending on the day before the new loan is made or b) the greater of \$10,000, less the balance of outstanding loans or 50% of their vested account balance, less the balance of outstanding loans. Note terms require repayment over a period not to exceed five years unless the loan is related to the purchase of a principal residence. Notes are secured by the vested balance in the participant's account and bear interest at prevailing market rates as determined by the plan administrator. Principal and interest are paid ratably through semi-monthly payroll deductions. A participant may only have one note receivable outstanding at any time.

Payment of Benefits

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Upon a participant's termination of service due to death, disability, or retirement, the participant or designated beneficiary may take a distribution from the Plan in the form of a lump sum payment. Cash out provision of the Plan allows the Plan, upon termination of employment, to distribute vested account balances of less than \$5,000 without the participant's consent. Account balances exceeding \$1,000 may be distributed to an Individual Retirement Account for the benefit of the participant. Account balances less than \$1,000 may be distributed as a lump sum distribution.

In-service distributions are permitted for participants that attain age of 59½. The Plan also allows for hardship distributions for participants meeting Plan criteria for such distributions, from their salary deferral accounts.

Administrative Expenses

Administrative expenses cover the routine expenses of services of lawyers, accountants, third party administrators, and other advisors. The Plan requires that certain expenses related to the Plan be paid directly by the Employer, but permits certain expenses incurred to administer the Plan to be paid from Plan assets. The expenses paid by the Employer are excluded from the accompanying financial statements. Transaction fees for certain participant-initiated transactions are charged to the specific account of the participant initiating any such transaction.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Financial Statement Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities, changes therein, and associated disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for the Plan's investment in the guaranteed interest account ("GIA"), a fully-benefit-responsive investment contract, which is stated at contract value. See Note 3 for a description of fair value measurements. See Note 4 for additional information on the fully benefit-responsive investment contract.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Delinquent notes receivable are reclassified as distributions. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefit payments are recorded when paid.

Subsequent Events

Management of the Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

Effective May 1, 2022, the Plan was amended to change its name to LTK 401(k) Plan. Additionally, the Plan administrative and trust services were moved to Fidelity Workplace Services LLC and Fidelity Management Trust Company (Fidelity), respectively. All participant balances were rolled over into equivalent funds at Fidelity.

NOTE 3 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Such fair value is a market-based measurement, not an entity-specific measurement. U.S. GAAP establishes a three-level valuation hierarchy based upon observable and unobservable inputs. The hierarchy gives the highest priority to Level 1 measurements and the lowest priority to Level 3 measurements. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions.

The fair value hierarchy consists of three level of inputs that may be used to measure fair value as follows:

Level 1 - Quoted prices in active markets for identical assets or liabilities;

rewardStyle 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Level 2 - Observable inputs other than Level 1 prices such as quoted market prices for similar assets or liabilities, quoted prices for identical or similar assets in markets that are not active, or inputs other than quoted prices that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

In instances where the determination of fair value measurement is based on inputs from the different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The following is a description of valuation methodologies used for fair value measurement of investments:

Mutual funds: Valued at quoted prices in active markets, based on the number of shares held by the Plan and are classified within Level 1 of the valuation hierarchy.

The methods used to value investments may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 9,963,036</u>	<u>\$</u>	<u>\$</u>	<u>\$ 9,963,036</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 6,400,202</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,400,202</u>

NOTE 4 - GROUP ANNUITY CONTRACT

The Plan has a Group Annuity Contract (the "contract") with Principal under which Principal maintains certain participant directed contributions in the GIA which is commingled with the general assets of Principal. The GIA is considered a fully benefit-responsive guaranteed interest contract and is reported at contract value on the Plan's financial statements. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The GIA can be terminated by Principal if the total value of the investments or the annual contribution amounts fall below minimum levels as stated in the contract.

rewardStyle 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Certain events might limit the ability of the Plan to transact at contract value with the account issuer. The plan administrator believes that occurrence of such events which would limit the Plan's ability to transact at contract value with participants is not probable.

NOTE 5 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

The plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of ERISA. Accordingly, as permitted under such an election, the plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the Plan's investment information, and related activity, certified by Principal Trust for 2021 and Principal Trust and Principal Life for 2020 (together, the "Custodians") as accurate and complete, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedules.

The Custodians have certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate as of December 31, 2021 and 2020 and for the year ended December 31, 2021:

	2021	2020
Investments:		
Investments, at fair value	\$ 9,963,036	\$ 6,400,202
Investments, at contract value	201,355	246,436
	<u>\$ 10,164,391</u>	<u>\$ 6,646,638</u>
Investment income:		
Net appreciation in fair value of investments	\$ 1,022,260	
Interest and dividends	168,483	
	<u>\$ 1,190,743</u>	

The Custodians have certified Schedule H, line 4i - schedule of assets (held at end of year), except for notes receivable from participants, as of December 31, 2021, included in the accompanying supplemental schedules.

NOTE 6 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined by ERISA as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. As such, transactions conducted by the Custodians, recordkeeper and their affiliates, as well as the Company, on behalf of the Plan, qualify as party-in-interest transactions.

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management, shareholder services, and sub-transfer agency fees are paid through fund level revenue-sharing arrangements. These fees reduce fund earnings thereby impacting Plan earnings applied to participants' accounts.

The Plan's agreement with the Custodians allows the Custodians to earn compensation in the form of short-term interest ("float") on certain items before they are invested, allocated or applied in accordance with the Plan's instructions.

rewardStyle 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

During the Plan years ended December 31, 2021 and 2020, the Company inadvertently failed to deposit \$53,253 and \$108, respectively, of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL) regulations. The DOL considers late deposits to be non-exempt prohibited transactions. Lost earnings for the 2021 and 2020 late deposits were remitted to the Plan in 2021 and 2020, respectively. The lost earnings and excise tax payments were made from the Company's assets and not from assets of the Plan.

NOTE 7 - INCOME TAX STATUS

The Plan adopted a prototype non-standardized plan through Principal Life Insurance Company, which received an opinion letter from the Internal Revenue Service("IRS") dated March 31, 2014. The letter states that the prototype plan document satisfies the applicable provisions of the IRC. The Plan has been amended since receiving the opinion letter. The plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or other applicable taxing authorities. The plan administrator has analyzed the tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan. In the event of termination of the Plan, the net assets of the Plan will be distributed in compliance with the applicable provisions of ERISA.
