# INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Wardlaw Companies 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of Wardlaw Companies 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wardlaw Companies 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wardlaw Companies 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wardlaw Companies 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wardlaw Companies 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Wardlaw Companies 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTE 1 - DESCRIPTION OF PLAN

The following description of the Wardlaw Companies 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### GENERAL

The Plan is a defined contribution plan covering employees of Wardlaw Claims Services, LLC, WCS Services, LLC and Wardlaw Consulting Services, Inc. (the Companies), who have attained age eighteen and completed six months of service. Employees of the Companies are eligible to participate in the Plan on the first day of the first month and seventh month of the Plan year following the completion of eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (ERISA).

### CONTRIBUTIONS

Participants may elect to contribute up to 100% of compensation as defined by the Plan with a limit as defined by ERISA. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified plans (rollovers). Participants are also permitted to make Roth 401(k) deferrals. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have deferral set at 3 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. The Companies may make a discretionary matching contribution. In addition, the Companies may also make a discretionary profit sharing contribution. During the year ended December 31, 2021, no matching or profit-sharing contributions were made.

### PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, the Companies' matching contributions and an allocation of the Companies' profit sharing contributions. Allocations of plan earnings and administrative expenses are based on participant account balances as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' matching and profit sharing portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

| Years of Service | % Vested |
|---|---|
| 1 | 0% |
| 2 | 20% |
| 3 | 40% |
| 4 | 60% |
| 5 | 80% |
| 6 | 100% |

### PAYMENT OF BENEFITS

On termination of service due to death, disability, normal retirement age, and other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. Hardship distributions are not permitted. In-service distributions are permitted from vested accounts based on certain plan provisions. Participants can elect to receive their distributions either in cash or as a direct rollover to another tax-qualified plan.

## NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

FORFEITED ACCOUNTS

Forfeitures may be used to pay administrative fees or reduce employer contributions. There were no forfeited non-vested accounts at December 31, 2021 and 2020.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

The Company, at its sole discretion, may pay the administrative expenses (i.e., trustee fees, fund fees, recordkeeping fees and other similar expenses) of the Plan. If such expenses are not paid by the Plan sponsor, they are paid out of Plan assets. Certain expenses are incurred at the participant level and are charged against the respective participant accounts. Investment related expenses are included in net investment appreciation.

PLAN MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Plan Management has evaluated subsequent events through October 6, 2022, which is the date the financial statements were available to be issued.

## NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lower priority to unobservable inputs (level 3).

## NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

| | |
|---|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include:<br>• Quoted prices for similar assets or liabilities in active markets;<br>• Quoted prices for identical or similar assets or liabilities in inactive markets;<br>• Inputs other than quoted prices that are observable for the asset or liability;<br>• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.<br>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

*Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 1899:

**Fair Value Measurements at December 31, 2021**

| | Level 1 | Total |
|---|---|---|
| Mutual funds | $ 597,507 | $ 597,507 |
| Total investments at fair value | $ 597,507 | $ 597,507 |

**Fair Value Measurements at December 31, 2020**

| | Level 1 | Total |
|---|---|---|
| Mutual funds | $ 213,441 | $ 213,441 |
| Total investments at fair value | $ 213,441 | $ 213,441 |

## NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedules as of December 31, 2021 and 2020, and for the year ended December 31, 2021, was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

## NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE - CONTINUED

| | 2021 | 2020 |
|---|---|---|
| Investments at fair value: | | |
| Mutual funds | $ 597,507 | $ 213,441 |
| Investment income | $ 56,943 | |

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedules.

## NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Capital Bank and Trust Company and all investment options are provided by American Funds. Capital Bank and Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments.

## NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

## NOTE 7 - TAX STATUS

The Plan Sponsor has adopted a volume submitter plan which received a favorable opinion letter from the Internal Revenue Service (IRS) that the form of the plan is acceptable under Section 401(a) of the Internal Revenue Code (IRC). The Plan Administrator and tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

## NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ending December 31, 2020, employee contributions totaling $7,897 were deposited late to the Plan. The lost earnings were remitted by the Company following the DOL guidelines for late deposits.
