The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (continued)

Opinion on the 2021 Financial Statements (continued)

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of H.G. Fenton Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H.G. Fenton Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of H.G. Fenton Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H.G. Fenton Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT
(continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

Other Matters (continued)

2021 Supplemental Schedule Required by ERISA (continued)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of H.G. Fenton Company 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

H.G. Fenton Company 401(k) Plan
Notes to Financial Statements
Years Ended December 31, 2021 and 2020

Note 1. DESCRIPTION OF THE PLAN

The following description of the H.G. Fenton Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering substantially all employees of H.G. Fenton Company (the Company). The Plan has a negative election provision wherein employees are automatically enrolled in the Plan on the first day of the pay period following the 35th day of employment at a 3% withholding rate unless they notify the Plan of their intention not to participate or elect a different percentage. For participants who are automatically enrolled, and do not proactively removed themselves from the Plan's Auto Increase Program, the Plan provides for an increase in the automatic deferral amount by 1% for each year of participation until it reaches 6%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a portion of annual compensation, up to limits specified in the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (Rollover Contributions). The Company will match 50% of each participant's contribution up to 6% of the participant's compensation. The Company may also make discretionary profit sharing contributions which are allocated based on participants' eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contributions, an allocation of any contributions by the Company, and earnings or losses those contributions may accumulate. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, a participant may direct his or her contributions to various registered investment companies or a money market account provided by Fidelity Management Trust Company. Participants may change their investment options at any time.

Notes to Financial Statements
(Continued)
Years Ended December 31, 2021 and 2020

Note 1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately 100% vested in their contributions and related actual earnings. Vesting in the Company's contribution portion of participant accounts and related actual earnings is based on years of continuous service. Generally, a participant is 25% vested after 2 years, 50% vested after 3 years, 75% vested after 4 years and 100% vested after 5 years of service. A period of service is determined based on whole years of service. Only whole years of service with the Company will be counted in computing the years of service for vesting purposes.

Forfeitures

Forfeitures of non-vested Company contributions are used to reduce the Company's contributions or for other miscellaneous fees under the Plan. The total forfeitures in 2021 and 2020 were \$324,586 and \$135,327, respectively. Forfeitures of \$132,006 and \$33,267 were used to reduce Company contributions in 2021 and 2020, respectively. Forfeitures of \$91,605 and \$100,228 were used to pay certain Plan expenses in 2021 and 2020, respectively.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as a distribution based upon the terms of the plan document. Participants may borrow a maximum of the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding loan in the participant's account during the prior twelve month period. Notes receivable from participants bear a reasonable rate of interest determined by the plan administrator based on prevailing interest rates by a person in the business of lending money for loans which would be made under similar circumstances (which is considered to be prime + 1% for 2021 and 2020). The interest rate is fixed for the duration of the loan. Additionally, all loans are secured by the participant's vested interest in the Plan. Loans to participants must be repaid within 5 years or 15 years if the loan qualifies as a home loan, as defined by the Plan. Interest rates on outstanding participant loans range from 4.25% to 6.50% at December 31, 2021 and 2020.

Notes to Financial Statements
(Continued)
Years Ended December 31, 2021 and 2020

Note 1. DESCRIPTION OF THE PLAN (continued)

Payment of Benefits

Upon termination of service, normal retirement, disability or death, the participant will receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may also be eligible to request a distribution from their salary deferral account balance in the event of undue financial hardship subject to certain conditions and limitations as defined in the Plan.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account balance.

Coronavirus Aid, Relief, and Economic Security Act (CARES Act)

In 2020, the Plan adopted the expanded distribution and loan options available to qualified individuals, as defined, under Section 2202 of the CARES Act. The provisions allow for (i) coronavirus-related distributions of up to \$100,000 to qualified individuals through December 31, 2020, which are exempt from the normal 10% early withdrawal penalty, (ii) increases to the maximum loan amount available to qualified individuals for loans made through September 22, 2020 (to the lesser of \$100,000 or 100% of the participant's vested account balance), and (iii) loan repayment deferrals of up to one year for certain loans outstanding to qualified individuals.

Note 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared based upon the accrual method of accounting.

Investments

All of the Plan's investments are unsecured and held by a trustee-administered trust fund. Shares of registered investment companies and money market accounts are stated at aggregate fair value based on the information contained in the annual report of the trustee, which represents the net asset value of shares held by the Plan at year end. Investments in a pooled separate account are stated at the net asset value as reported by the trustee.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Certain administrative expenses of the Plan were paid by the Company for the years ended December 31, 2021 and 2020.

Years Ended December 31, 2021 and 2020

Note 3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. Generally accepted accounting principles establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Fair values are based on publicly quoted prices in active markets for identical assets. The fair value of investments in registered investment companies and money market accounts is based on the publicly quoted net asset value of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

Fair values are based on observable inputs other than publicly quoted prices in active markets for identical assets that reflect assumptions market participants would use to price the asset based on market data obtained from sources independent of the Plan. The fair value of investments in a pooled separate account is based on pricing data provided by an outside valuation service provider.

Level 3 Fair Value Measurements

Fair values are based on unobservable inputs used for valuing the asset.

Fair Value Measurements as of December 31, 2021 using:

	Fair Value	Level 1	Level 2	Level 3
Investments in shares of registered investment companies	\$42,407,629	\$42,407,629	\$ -	\$ -
Investments in a pooled separate account	3,461,632	-	3,461,632	-

Note 5. PARTY-IN-INTEREST

Certain expenses of the Plan are paid by the Company. The Company is the sponsor of the Plan and, therefore, these transactions qualify as party-in-interest. The most significant of these costs paid by the Company are the salaries for the employees responsible for plan administration and fees paid to a third party administrator.

Fidelity Management Trust Company, as trustee and investment manager for the Plan's assets, disburses benefit payments and executes all investment transactions. As a result, all investment transactions involving investments sponsored by Fidelity Management Trust Company qualify as party-in-interest transactions.

Note 6. INFORMATION SUPPLIED BY PLAN TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company for the years ended December 31, 2021 and 2020.

	2021	2020

Note 7. EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants totaling \$58,908 for contributions in excess of amounts allowed by the IRC at December 31, 2021 are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants during 2022. Amounts payable to participants totaling \$53,056 for contributions in excess of amounts allowed by the IRC at December 31, 2020 are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions to the applicable participants during 2021.

Notes to Financial Statements
(Continued)
Years Ended December 31, 2021 and 2020

Note 8. **FEDERAL INCOME TAX STATUS**

The Plan is operated under the terms of a standardized prototype plan. The prototype plan received a determination letter from the Internal Revenue Service dated June 30, 2020, indicating that the plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The prototype plan has been amended since receipt of the determination letter. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for an uncertain position if it is not more likely than not that the position would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Note 9. **SUBSEQUENT EVENTS**

Subsequent events were evaluated for accrual and disclosure through October 12, 2022, which is the date the 2021 financial statements were available to be issued.
