Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of KML Law Group, P.C. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of KML Law Group, P.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KML Law Group, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KML Law Group, P.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KML Law Group, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of KML Law Group, P.C. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of Plan

The following brief description of the KML Law Group, P.C., 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all of the employees of KML Law Group, P.C. (the Company and the plan sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The plan trustee is responsible for oversight of the Plan. The plan trustee also determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Subsequent to year end and effective January 1, 2022, the Plan was amended and restated to incorporate regulatory changes.

Eligibility

All of the employees of the Company, except nonresident aliens, who have completed one year of service are eligible to enroll in the Plan. New participants may enroll on the first day of the plan year or the first day of the seventh month of the plan year upon meeting the service requirements.

Contributions

Each year participants may contribute up to 100% of their pretax annual compensation or after-tax annual compensation, as defined by the Plan, not to exceed the limits of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions and their allocated employer contributions into various investment options offered by the Plan. In addition, the Plan contains a permitted disparity provision under which the Company may elect to make its profit sharing contribution. Additional profit sharing and safe harbor amounts may be contributed at the option of the Company's board of directors. The plan exercised its option to make a discretionary profit sharing contribution on behalf of all highly compensated employees for the plan year ended December 31, 2021. In 2021, the Plan exercised its option to make a 3% safe harbor contribution on behalf of all non-highly compensated employees who were participants during the plan year ended December 31, 2021. Highly compensated employees were not provided a safe harbor contribution at the discretion of the Company. The employer contributions amounted to \$116,756 for the year ended December 31, 2021. \$111,406 of the contribution was funded in 2022 and is recorded in employer contribution receivable in the accompanying statements of net assets.

(1) Description of Plan, Continued

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings, and charged with an allocation of administrative expenses. Allocations of the Company's contributions are based on the participant's compensation and allocations of administrative expenses are based on the participant's account balance or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and employer safe harbor contributions plus actual earnings thereon. Vesting in the Company's profit sharing contribution portion of their accounts is based on continuous years of service. A participant becomes fully vested upon the completion of six years of credited service, with Company contributions first being vested after two years of credited service. A credited year of service is defined by the Plan as any calendar year in which an employee completes a minimum of one thousand hours of compensated service with the Company.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or longer for a loan used to acquire a principal residence. The loans are secured by the balance in the participants' account and bear interest at the rate of 1% above the prime rate, as defined. A participant may only have two loans outstanding at a time. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts total \$73,825 and \$63,758, respectively. These accounts may be used to reduce future employer contributions or pay administrative expenses. Forfeitures were not used to reduce the employer safe harbor contribution or to pay administrative expenses in 2021.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investment contracts held by a defined contribution plan are required to be reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan trustee determines the Plan's valuation policies utilizing information provided by the investment advisers, the custodians, and the trustee. See Note 4 for discussion of fair value measurements. Investments in life insurance policies are valued at the policy account value as stated by the insurance company. These assets are held in variable life insurance policies and are invested in pooled separate accounts. The value of the interest in these policies is the cash surrender value of the policies based on the underlying investments.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

KML LAW GROUP, P.C. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

(2) Summary of Significant Accounting Policies, Continued

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

(3) Financial Information Certified by the Custodians and Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Great-West Life & Annuity Insurance Company (GWLA) and GWLA through a power of attorney on behalf of Massachusetts Mutual Life Insurance Company (MassMutual) (Mass Mutual collectively with GWLA, "the Custodians"), and by Great-West Trust Company, LLC (GWTC), the trustee, except for comparing such information certified by the Custodians and the trustee to information included in the Plan's financial statements and supplemental schedule. MassMutual held the Plan's investment assets and executed investment transactions as of December 31, 2020, and for the period January 1, 2021 to November 4, 2021. GWLA and GWTC held the Plan's investment assets and executed investment transactions as of December 31, 2021 and for the period November 5, 2021 to December 31, 2021. The Custodians and the trustee certified the following information as complete and accurate:

- Investments at fair value at December 31, 2021 and 2020.
- Investments at contract value at December 31, 2021 and 2020, except for cash surrender value of life insurance contracts.
- Notes receivable from participants at December 31, 2021 and 2020.
- Net appreciation in value of investments for the year ended December 31, 2021, except for net appreciation of cash surrender value of life insurance contracts.
- Interest and dividends for the year ended December 31, 2021.

KML LAW GROUP, P.C. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

(3) Financial Information Certified by the Custodians and Trustee, Continued

- Interest income on notes receivable from participants for the year ended December 31, 2021.
- Schedule H, Line 4i - Schedule of Assets (Held at End of Year), except for cash surrender value of life insurance contracts.

(4) Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

KML LAW GROUP, P.C. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

(4) Fair Value Measurements, Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are an open end mutual funds that are registered with the Securities and Exchange Commission. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 7,006,518	\$ -	\$ -	\$ 7,006,518
Investments measured at NAV				
as a practical expedient				79,174
Investments at fair value				<u>\$ 7,085,692</u>

Description	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 8,747,927	\$ -	\$ -	\$ 8,747,927
Investments at fair value				<u>\$ 8,747,927</u>

Certain investments that are measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statements of net assets available for benefits.

KML LAW GROUP, P.C. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

(4) Fair Value Measurements, Continued

The following table summarizes investments measured at fair value based on the NAV per share as a practical expedient as of December 31:

Common Collective Trusts:	Fair Value at December 31,		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2021	2020			
BlackRock Russell 2000 Index NL Class C	\$ 8,731	\$ -	None	Daily	Not defined
BlackRock Russell 2000 Growth Index R	5,989	-	None	Daily	Not defined
State Street Global Advisors Russell Small Cap Value Index Non-Lending Class C	64,454	-	None	Daily	Not defined
	<u>\$ 79,174</u>	<u>\$ -</u>			

There were no significant transfers among investment levels during the years ended December 31, 2021 and 2020.

(5) Guaranteed Interest Account

The Plan has a fully benefit-responsive guaranteed investment contract with GWLA totaling \$574,052 at December 31, 2021. GWLA maintains the contributions in a general account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Interest rate guarantees of the GWLA investment contract are backed by assets held by the GWLA general account. Credited rates are set based on yields earned each quarter. The average yield earned by the Plan for 2021 is 1.15%. For 2021, the minimum annual interest rate was set at 0.00%.

Subsequent renewal rates are based on the investment performance of the general account at the time of renewal. Credited rates are guaranteed for the duration of the guaranteed period, and do not vary with the subsequent performance of assets of the general account which back these guarantees.

KML LAW GROUP, P.C. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

(5) Guaranteed Interest Account, Continued

Certain events may limit the ability of the plan sponsor and/or plan participants to transact at contract value with GWLA. Examples of these events would include (but would not be limited to) premature termination of this contract and termination of the Plan. In these events, the contract value could be reduced by any applicable surrender charges upon distribution of the contract's funds. The plan administrator does not believe that any events, which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

The Plan had a fully benefit-responsive guaranteed investment contract with MassMutual totaling \$492,823 at December 31, 2020. MassMutual maintained the contributions in a general account. The account was credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. Interest rate guarantees of the MassMutual investment contract were backed by assets held by the MassMutual general account. Credited rates were set based on yields earned each quarter. The average yield earned by the Plan for 2020 was 1.91%. For 2020, the minimum annual interest rate was set at 1.35%.

(6) Related Party Transactions and Party-In-Interest Transactions

The Plan invests in a guaranteed investment contract managed by GWLA, registered investment companies advised by GWTC, common collective trusts advised by GWTC, and life insurance contracts. The Custodians and trustee of the Plan transaction's qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investments. Fees paid by the Plan for participant initiated transactions and recordkeeping services amounted to \$38,725 for the year ended December 31, 2021. The Company pays directly any other fees related to the Plan's operations.

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

KML LAW GROUP, P.C. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements December 31, 2021 and 2020

(8) Tax Status

On March 31, 2014, the Internal Revenue Service (IRS) stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Subsequent to year end, the plan document was amended and restated using a non-standardized pre-approved plan document sponsored by MandMarblestone PC (Mand). The IRS has determined and informed Mand by a letter dated June 30, 2020, that the plan document is designed in accordance with the applicable section of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) Risk and Uncertainties

The Plan invests in various investments. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(10) Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	2021	2020
Net assets available for benefits per the financial statements	\$ 7,960,171	\$ 9,624,056
Employer contribution receivable per the financial statements	(111,406)	(176,586)
Other receivable per the Form 5500	2,533	2,533
Net assets available for benefits per the Form 5500	<u>\$ 7,851,298</u>	<u>\$ 9,450,003</u>
