DECEMBER 31, 2021 and 2020

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators and Trustees of

Windels Marx Lane & Mittendorf, LLP Profit Sharing 401(K) Plan

New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Windels Marx Lane & Mittendorf, LLP Profit Sharing 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Windels Marx Lane & Mittendorf, LLP Profit Sharing 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Windels Marx Lane & Mittendorf, LLP Profit Sharing 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Windels Marx Lane & Mittendorf, LLP Profit Sharing 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Windels Marx Lane & Mittendorf, LLP Profit Sharing 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used

to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Windels Marx Lane & Mittendorf, LLP Profit Sharing 401(K) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated February 11, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WINDELS MARX LANE & MITTENDORF, LLP
PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of the Plan

The following description of the Windels Marx Lane & Mittendorf, LLP (the “Company”) Profit Sharing 401(K) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering partners and substantially all full time employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Internal Revenue Code of 1986, as amended.

Eligibility

The provisions of the Plan provide that, in general, any person employed by the Company on a full time basis as an employee, will be eligible to participate in the Plan. However, leased employees are not eligible to participate in the Plan. Eligible employees may begin participation in the Plan after completion of six months of eligibility service and their attainment of age 21. Eligibility service is defined as the employee having completed at least 500 hours of service within six months of date of hire or within six months of subsequent Plan entry date. Once participation commences, participants are permitted to make elective contributions. A participant must be credited with more than 500 hours of service and be employed on the last day of the Plan year in order to be eligible for a Profit Sharing contribution.

Contributions

Employee Contributions

Participants are permitted to make elective contributions of the lesser of \$19,500 for the years ended December 31, 2021 and 2020 or 100% of a participant’s compensation.

Effective November 2, 2020, the Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated fund until changed by the participant.

Participants who attain age 50 by the end of the Plan year may make additional pre-tax “catch-up” contributions of up to \$6,500 for the years ended December 31, 2021 and 2020.

Employer Contributions – Discretionary

For each plan year, the Company may contribute to the Plan for eligible associate attorneys on its legal staff and special counsel, an amount equal to the lower of 3% (three percent) of eligible compensation, or the highest percentage allowed on behalf of any key employee, as defined, whichever is lower. The Company contribution to the Windels Marx Lane & Mittendorf, LLP Retirement Plan & Trust shall be used to satisfy the above minimum contribution requirements of this Plan for each participant who participates under this Plan and the Retirement Plan & Trust. The Company elected not to make an Employer Contribution in 2021 or 2020.

Participant Accounts

Each participant's account is credited with the participant's voluntary contribution, the Company's contribution, as well as allocations of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses, if any, that are paid by the Plan. Allocations are based on participant earnings, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their employee contributions plus actual earnings thereon. Vesting in the Company contributions funded and accrued and earnings thereon is 100% vested after three years of credited service or after attainment of one of the accelerated vesting events, which consists of age 65, death or disability.

Forfeited Accounts

Forfeitures of nonvested Company contributions are used to fund future Company contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$184 and \$165, respectively. No forfeitures were applied in 2021 or 2020.

Investment Options

Upon enrollment in the Plan, participants are offered a variety of investment options in a selection of mutual funds and common/collective trust funds.

The selection of mutual funds and common/collective trust funds offered range from fixed-income, equity, money market and a blend of fixed-income and equity portfolios. The selection of investment options are made at the direction of the participant.

Notes Receivable from Participants and In-Service Withdrawals

Participants may borrow, in certain situations, from their accounts a minimum of \$1,000 up to maximum of \$50,000 or 50% of their account balance, whichever is less. Loans are considered investments of the account of the participant to whom the loan is granted. Loan terms range from 1-5 years or up to 10 years for the purchase of a principal residence of the participant. A borrower shall secure a loan with an irrevocable pledge and assignment of an amount equal to the amount of the loan up to 50% of the borrower's vested account balance under the Plan, determined as of the date the loan is granted. The Company will not permit the borrower to secure a loan with any other collateral, including a mortgage. The loan interest rate is set at one (1%) percent above The Wall Street Journal prime rate. Principal and interest is paid ratably

through semi-monthly payroll deductions. Participants are limited to two outstanding loans at any time.

In general, participants can receive in-service withdrawals from all contribution accounts once they have reached the age of 59 ½ or for hardship purposes. The minimum withdrawal is \$1,000 and may not exceed their vested account balance.

Payment of Benefits

Employees with one or more years of service are entitled to an annual payment of benefits beginning at normal retirement age 65 or no later than age 70 1/2, based on the value of the participant's vested interest in their account. Employees may elect to receive their pension benefits as a lump-sum distribution upon retirement or termination. If employees terminate before rendering three years of service, they forfeit the right to receive the Company's contribution and earnings portion of their accumulated Plan benefits. Employees will receive the value of their accumulated Plan benefits as a lump sum distribution upon retirement or termination if the value of their account is less than \$1,000.

Cares Act

As a result of the Coronavirus Aid, Relief and Economic Security Act (the "Cares Act") enacted on March 27, 2020, the plan administrator implemented new CARES ACT options including withdrawal provisions, loans and temporary waiver of required minimum distributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when they are incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based upon the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Professional Fees

The legal, accounting, and auditing fees have been absorbed by the Company.

Subsequent Events

Subsequent events have been evaluated as of October 14, 2022, the date the financial statements were available to be issued.

3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels.

- Level 1 inputs consist of quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access and have the highest priority.
- Level 2 inputs consist of quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 inputs are unobservable and significant and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Fund: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth, by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2021 and 2020.

4. Financial Information Certified by Trustee (Unaudited)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to be complete and accurate by Wells Fargo Bank, N.A. and T. Rowe Price Trust Company, the trustee and custodians, as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 53,444,445	\$43,488,227
Common/collective trust funds	<u>8,043,389</u>	<u>8,836,756</u>
Total Investments	<u>\$ 61,487,834</u>	<u>\$52,324,983</u>
Notes receivable from participants	<u>\$ 168,765</u>	<u>\$ 150,662</u>

During 2021, the Plan's investments (including gains and losses on investments bought and sold as well as held during the year) appreciated in value by \$5,774,950.

During 2021, the Plan earned \$3,383,874 in dividends and \$8,509 in interest.

5. Related Party Transactions and Party in Interest Transactions

January 1, 2020 through November 1, 2020, certain Plan investments were managed by Wells Fargo Bank, N.A. which pay management fees to Wells Fargo. Wells Fargo Bank, N.A. was the trustee of the Plan through November 1, 2020 and, therefore, these transactions qualify as party-in-interest transactions.

Effective November 2, 2020, Plan investments were managed by T. Rowe Price Trust Company which pay management fees to T. Rowe Price. T. Rowe Price Trust Company became the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees treated as paid by the Plan for the trustee services, asset fees and administrative fees amounted to \$39,403 for the year ended December 31, 2021.

Mr. Michael M. Moriarty, Mr. Robert A. Schwartz and Mr. Edward E. Shea, (subsequently deceased) are/were members of the Employee Benefits Committee of the Plan, and act for the Plan Administrator.

6. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

In the event the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

- a. Upon termination or partial termination of the Plan, the amount credited to the account of each affected Participant shall become fully vested, and shall not thereafter be subject to forfeit.
- b. Upon any such termination all assets remaining in the Trust Fund, after payment of any expenses shall be distributed to the Participants in accordance with the value of such Participants' accounts as of the date of such termination.

7. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated September 15, 2005, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan (which is based on a prototype plan of Wells Fargo Bank, N.A. which has received the determination letter from the Internal Revenue Service) is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore they believe that the Plan is qualified and the related trust is tax-exempt. As of November 2, 2020, the Plan was amended and restated based on a prototype Plan of T. Rowe Price Retirement Plan Services, Inc. which has received determination letter dated August 19, 2020 from the Internal Revenue Service. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore they believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2018.

8. Other Income

The Plan received Revenue Sharing Income, net of miscellaneous expenses, in the amount of \$54,058 which is a refund of certain fees from various mutual funds for the year ended December 31, 2021.

9. Reclassifications

Certain balances in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements. These reclassifications have not had any impact on net income.

10. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

11. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$62,541,891	\$53,304,395
