Report of Independent Auditors

Plan Administrator

Opinion

We have audited the financial statements of Danaher Corporation & Subsidiaries Retirement and Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes (collectively referred to as the "financial statements")..

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Danaher Corporation & Subsidiaries Retirement and Savings Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Danaher Corporation & Subsidiaries Retirement and Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Danaher Corporation & Subsidiaries Retirement and Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Building a better working world

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Danaher Corporation & Subsidiaries Retirement and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Danaher Corporation & Subsidiaries Retirement and Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Danaher Corporation & Subsidiaries Retirement and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Danaher Corporation & Subsidiaries Retirement and Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1. DESCRIPTION OF THE PLAN

General

The Danaher Corporation & Subsidiaries Retirement & Savings Plan (the "Plan") is a defined contribution plan established for eligible full-time and part-time union U.S.-based employees, or employees outside of the U.S. as expatriates paid through U.S. payroll, of Danaher Corporation and its subsidiaries (the "Company"), effective December 1, 1986. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Danaher Corporation is the plan sponsor (the "Plan Sponsor"). Plan participants should refer to the formal legal documents of the Plan and the Summary Plan Description for a more complete description of the Plan's provisions and a full explanation of all limitations, adjustments and special cases in the Plan. Significant provisions related to contributions, benefit payments and investments are provided below.

The Plan is administered through the trustee, Fidelity Management Trust Company ("Fidelity" or the "Plan Administrator"). Effective July 1, 2013, all of the Plan assets, totaling $80.4 million as of that date, were transferred into the Danaher Corporation & Subsidiaries Retirement & Savings Plan and Danaher Corporation & Subsidiaries Savings Plan Master Trust (the "Master Trust"), a master trust established by the Company and administered by Fidelity. The Master Trust establishes a single trust to hold and invest assets of the Plan and other eligible tax-qualified defined contribution plans maintained by the Plan Sponsor. Refer to Note 3 for additional information regarding the Master Trust.

In April 2020, the Plan adopted several provisions from the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, specifically, allowing CARES Act related distributions and loan deferments throughout the remainder of 2020. The CARES Act allowed Plan participants to withdraw up to $100,000 due to adverse financial consequences from COVID-19. CARES Act loan deferments allowed impacted participants to delay their 401(k) loan repayments through the remainder of 2020, with loans being re-amortized, and loan repayments restarting in 2021.

Plan Merger

On December 31, 2021, the Plan merged into the Danaher Corporation & Subsidiaries Savings Plan. The merger resulted in assets and liabilities transferred out of the Plan of approximately $42.1 million.

Contributions

Eligible participants may contribute up to 75% of their compensation (subject to annual maximums). Employee contributions and the earnings or losses thereon are fully vested at all times. Employees are eligible for Company contributions upon completion of one year of service, per the terms of the applicable collective bargaining agreement. For more details on specific union groups, refer to the formal legal documents of the Plan.

The Company's unilateral and matching contributions are determined at the discretion of the Plan Sponsor unless otherwise required by the terms of the collective bargaining agreement applicable to each participant. Generally, participants become fully vested with respect to the employer contributions upon completion of three years of service, attainment of age 65, death, complete disability or as required pursuant to the terms of the applicable collective bargaining agreement.

Benefit Payments

Participants who attain normal retirement age shall be entitled to payment of the balance in their account. Participants who remain employed after attainment of normal retirement age shall continue to participate under the same terms and conditions as applied prior to reaching normal retirement age. Participants are required to begin receiving distributions no later than the April 1 following the later of the year in which they retire from the Company or the year in which the participant reaches the age of 70.5.

The beneficiary or beneficiaries of deceased participants shall be entitled to payment of the participants' account balance within a reasonable period of time after the participants' death.

Upon participants' termination of employment for reasons other than as specified above, participants are entitled to payment of their vested account balance. If the vested value of the participants' account is $1,000 or less, payment will automatically be made in a single lump sum. If the vested value of the participants' balance is greater than $1,000 and does not exceed $5,000, the Plan Administrator will automatically roll over the balance to a separate Fidelity IRA. If the vested value of the participant's account is more than $5,000, the participant must contact the Plan Administrator to request a distribution.

Eligible participants may request a withdrawal of all or a portion of their vested account while still working for the Company in accordance with procedures established by the Plan Administrator, subject to certain limitations and tax penalties. Different withdrawal rules apply to different Plan accounts as well as the terms of the participant's collective bargaining agreement.

Notes Receivable from Participants

Eligible participants may receive a loan from the Plan in accordance with the policy established by the Plan Sponsor and per the terms of their collective bargaining agreement. Any such loan or loans shall not exceed the lesser of 50% of the participant's vested account balance or $50,000 reduced by the participant's highest outstanding loan balance from the Plan during the one-year period ending on the day before the loan is made. The Plan Administrator shall establish the maximum maturity period that will be permitted to prevent the loan from being treated as a distribution. Plan provisions require that all loans must be paid back within 60 months. The Plan Administrator may require loan payments to be made through payroll deductions.

As described above, CARES Act related loan deferments allowed impacted participants to delay their 401(k) loan repayments through 2020, with loans being re-amortized, and loan repayments restarting in 2021.

Participant Accounts

Each participant account is credited with the participant's contributions, any employer matching and unilateral contributions and an allocation of Plan earnings or losses, and is charged quarterly with administrative expense and recordkeeping fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Plan Sponsor.

A revenue credit program became effective July 1, 2013. When recordkeeping revenue earned in connection with plan services exceeds agreed-upon compensation, the Plan Sponsor can deposit excess revenue, regardless of source, in an unallocated account. The excess revenue credit is reimbursed to participants invested in the single fund providing revenue credit. The calculated revenue credit is funded quarterly in arrears by the Plan Administrator.

Unallocated Accounts

As of December 31, 2021 there were no unallocated non-vested accounts, including forfeited amounts, and no forfeitures were used to reduce Company contributions during 2021. As of December 31, 2020, unallocated non-vested accounts, including forfeited amounts, totaled $17,001.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and judgments that affect the reported amounts of assets, liabilities and changes therein, and the related disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Notes Receivable from Participants

Notes receivable from eligible participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been

recorded as of December 31, 2021 or 2020. If participants cease to make loan repayments and have reached a distributable event, the loan balance is reduced and a benefit payment is recorded.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The income of each fund is reinvested in that fund.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3. MASTER TRUST

As discussed in Note 1, effective July 1, 2013, the Company established a Master Trust whereby investments are now held collectively for certain defined contribution plans maintained by the Plan Sponsor. Each participating plan's interest in the investment funds of the Master Trust is based on account balances of the participants and their elected funds.

The Master Trust assets are allocated among the participating plans by assigning to each plan those transactions (primarily contributions, benefit payments and plan-specific expenses) that can be specifically identified and by allocating among all plans, in proportion to the fair value of the assets assigned to each plan, income and expenses resulting from the collective investment of the assets of the Master Trust. The Plan's interest in the Master Trust's net investment income presented in the Statement of Changes in Net Assets Available for Benefits consists of the realized and unrealized gains and the earnings on those investments. On December 31, 2021, the Plan merged into the Danaher Corporation & Subsidiaries Savings Plan. Following the merger, the Plan had no interest in the net assets of the Master Trust. As of December 31, 2020, the Plan's interest in the net assets of the Master Trust was less than 1%.

The following summarizes the value of the net assets of the Master Trust as of December 31 ($ in millions):

	Plan's Interest in Master Trust		Master Trust	
	2021	2020	2021	2020
Money market funds	$ —	$ —	$ 8.9	$ 7.1
Unitized stock funds	—	3.3	1,011.9	783.6
Mutual funds	—	0.7	88.8	145.2
Separately managed funds:				
Cash and cash equivalents	—	—	0.1	0.3
Money market funds	—	0.1	19.3	11.0
Common stock	—	8.7	1,225.3	1,083.2
Mutual funds	—	0.6	106.5	77.3
Securitized instruments	—	0.2	25.2	19.3
Debt instruments	—	0.2	38.5	28.4
Common collective trusts	—	22.5	4,315.1	3,743.6
Self-directed brokerage account	—	—	274.0	227.9
Total net assets in Master Trust	$ —	$ 36.3	$ 7,113.6	$ 6,126.9

Refer to Note 4 for the table that sets forth by level, within the fair value hierarchy, the Master Trust net investments as of December 31, 2021 and 2020.

The net investment income (loss) of the Master Trust (including gains and losses on investments bought and sold, as well as held) for the year ended December 31, 2021 was as follows ($ in millions):

Net appreciation of the fair value of investments	$ 1,100.1
Interest and dividend income	15.5
Total investment income (loss) of the Master Trust	$ 1,115.6

NOTE 4. FAIR VALUE MEASUREMENTS

Accounting standards define fair value based on an exit price model, establish a framework for measuring fair value where the assets and liabilities are required to be carried at fair value and provide for certain disclosures related to the valuation methods used within a valuation hierarchy as established within the accounting standards. This hierarchy prioritizes the inputs into three broad levels as follows. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2 inputs are quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets in markets that are not active, or other observable characteristics for the asset or liability, including interest rates, yield curves and credit risks, or inputs that are derived principally from, or corroborated by, observable market data through correlation. Level 3 inputs are unobservable inputs based on the Plan's assumptions. A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

The fair values of the Master Trust's investments as of December 31, 2021, by asset category, were as follows ($ in millions):

	Quoted Prices in Active Market (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Money market funds	$ 8.9	$ —	$ —	$ 8.9
Unitized stock funds	1,011.9	—	—	1,011.9
Mutual funds	88.8	—	—	88.8
Separately managed funds:				
Cash and cash equivalents	0.1	—	—	0.1
Money market funds	19.3	—	—	19.3
Common stock	1,225.3	—	—	1,225.3
Mutual funds	106.5	—	—	106.5
Securitized instruments	—	25.2	—	25.2
Debt instruments	—	38.5	—	38.5
Common collective trusts	—	4,315.1	—	4,315.1
Self-directed brokerage account	274.0	—	—	274.0
Total investments in Master Trust, at fair value	$ 2,734.8	$ 4,378.8	$ —	$ 7,113.6

The fair values of the Master Trust's investments as of December 31, 2020, by asset category, were as follows ($ in millions):

	Quoted Prices in Active Market (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Money market funds	$ 7.1	$ —	$ —	$ 7.1
Unitized stock funds	783.6	—	—	783.6
Mutual funds	145.2	—	—	145.2
Separately managed funds:				
Cash and cash equivalents	0.3	—	—	0.3
Money market funds	11.0	—	—	11.0
Common stock	1,083.2	—	—	1,083.2
Mutual funds	77.3	—	—	77.3
Securitized instruments	—	19.3	—	19.3
Debt instruments	—	28.4	—	28.4
Common collective trusts	—	3,743.6	—	3,743.6
Self-directed brokerage account	227.9	—	—	227.9
Total investments in Master Trust, at fair value	$ 2,335.6	$ 3,791.3	$ —	$ 6,126.9

Refer to Note 3 for additional disclosures regarding the Master Trust.

Following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Money market funds and mutual funds are valued at the quoted closing price reported on the active market on which the individual securities are traded.

Unitized stock funds consist of shares of the Company's stock and nominal cash balance and are valued based on the quoted market price of the Company's common stock and the cost of short-term money market investments.

The *separately managed funds* consist of common stock, money market funds, mutual funds and other investments, which are valued at the last reported sales price on the last business day of the year, and uninvested cash, which is recorded at carrying value as maturities are less than three months. Securitized instruments and debt instruments that are not traded on an active market are valued at quoted prices reported by investment brokers and dealers based on the underlying terms of the security and comparison to similar securities traded on an active market.

The *common collective trusts* are valued based on the Plan's interest, represented by investment units, in the underlying investments held within the trust that are traded in an active market by the trustee. The fair value of these common collective trusts consists of underlying investments in common stock, debt instruments and other securities and are presented in Level 2 of the fair value hierarchy table.

The *self-directed brokerage* consists of common stock, mutual funds and other investments, which are valued at the last reported sales price on the last business day of the year, and uninvested cash, which is recorded at carrying value as maturities are less than three months.

The methods described above may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with the methods used by other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5. TAX STATUS OF THE PLAN

The Plan received a determination letter from the Internal Revenue Service ("IRS") dated April 28, 2014, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of this determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. If an operational issue is discovered, the Plan Sponsor has indicated that it will take any necessary steps to bring the Plan's operations into compliance with the Code.

Accounting standards require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of the Plan for any tax periods in progress.

NOTE 6. RELATED PARTY TRANSACTIONS AND PARTIES IN INTEREST TRANSACTIONS

Certain investments are held in shares of mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these qualify as party in interest transactions.

Additionally, as of December 31, 2021 and 2020, the Master Trust invested in 3.1 million and 3.5 million shares, respectively, of Danaher Corporation common stock as part of the Danaher Corporation Stock Fund ("Danaher Common Stock"). During the year ended December 31, 2021, the Master Trust received $2.8 million of cash dividends on shares of Danaher Common Stock.

NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Notes receivable from participants in the accompanying financial statements include all loans in the Plan as of the end of the year. The participant loans in the Form 5500 only include loans that are active or deemed loans with post-default payments remitted during the year. The difference between these two amounts represents a reconciling item.

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31 to the Form 5500 ($ in thousands):

	2021	2020
Net assets available for benefits per the financial statements	$ —	$ 37,070.5
Loans with no post-default payment activity that are deemed distributions	—	(12.2)
Net assets available for benefits per the Form 5500	$ —	$ 37,058.3

The following is a reconciliation of the net increase in assets available for benefits prior to plan transfers per the financial statements to net income per the Form 5500 for the year ended December 31, 2021 ($ in thousands):

Net increase in assets available for benefits prior to plan transfers per the financial statements	$ 5,044.7
Interest payments on loans deemed distributed that have had no post-default payment activity	(0.8)
Net income (loss) per the Form 5500	$ 5,043.9
