INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants,
Kelmar Associates, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Kelmar Associates, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Kelmar Associates, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kelmar Associates, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kelmar Associates, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kelmar Associates, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Kelmar Associates, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

Organization

Kelmar Associates, LLC 401(k) Plan (the "Plan") is sponsored by Kelmar Associates, LLC (the "Company") for the benefit of the Company's employees and members. The Company acts as Plan administrator. Fidelity Management Trust Company serves as trustee of the Plan and holds the Plan's investment assets and executes investment transactions. Fidelity Workplace Services LLC provides recordkeeping services for the Plan.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all Company employees and members meeting the eligibility requirements of the Plan, excluding nonresident aliens, resident of Puerto Rico, independent contractors, collective bargaining employees, interns and temporary employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). A summary description of the Plan is available from the Plan administrator.

Eligibility

All employees and members who have attained the age of 21 and completed one month of service are eligible to participate in the Plan. Employees who have met the requirements for eligibility can enter the Plan on the first day of each month.

Contributions

Participants may contribute a percentage of up to 75% of compensation on a pre-tax basis to the Plan, subject to certain Internal Revenue Code limitations (\$19,500 in 2021). The Plan also allows participants to contribute on an after-tax basis to a Roth 401(k) account, not to exceed limits set by the Internal Revenue Code. Additionally, participants who have attained age 50 are eligible to make catch-up contributions (\$6,500 in 2021), as defined. Rollover contributions are permitted into the Plan in accordance with IRC regulations and Plan provisions. Newly eligible participants employed by the Company on or after February 1, 2017 are automatically enrolled in the Plan at a contribution rate of 4%, unless the employee opts out of participation.

The Company may, in its sole discretion, make matching contributions and/or profit-sharing contributions to the Plan. For the year ended December 31, 2021, the Company made employer matching contributions of \$669,408.

Participant Accounts

Each participant's account is credited with the participant's contribution, matching contribution (if any), and an allocation of Plan earnings. If applicable, profit sharing contributions are allocated to participants' accounts based on employee classification groups. The participant's account is reduced by withdrawals, losses on investments and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Kelmar Associates, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Vesting

Participants' contributions are immediately vested. Vesting in the Company's discretionary contributions is based on years of continuous service in accordance with the following schedule:

<u>Years of Service (as defined)</u>	<u>Vested Percentage</u>
Fewer than 2 years	0%
2 but fewer than 3 years	20%
3 but fewer than 4 years	40%
4 but fewer than 5 years	60%
5 but fewer than 6 years	80%
6 years or more	100%

A participant becomes 100% vested regardless of years of service upon attainment of normal retirement age, upon retirement due to disability, or upon death.

Forfeitures

At December 31, 2021 and 2020, forfeited account balances totaled \$71,802 and \$68,938, respectively. Forfeitures are available to reduce Company contributions and/or pay administrative expenses of the Plan. For the year ended December 31, 2021, the Company used \$18,566 of the forfeited account balances to reduce Company contributions or pay administrative expenses of the Plan.

Distributions and Withdrawals

Distributions from the Plan are made to participants who have attained their normal retirement age (age 65), become disabled, die or otherwise terminate employment. Distributions are made in the form of lump sum payments. In certain instances, prior to termination, participants may withdraw account balances to defray financial obligations, subject to approval by the Plan administrator.

Notes Receivable from Participants

Participants may borrow funds from the Plan up to 50% (but not more than \$50,000) of their vested account balances, with a minimum loan amount of \$1,000. Loans to participants are secured by participants' vested balances in the Plan. The loans bear a reasonable rate of interest and are repaid over a specified period of time not to exceed 5 years (maximum of 10 years if the loan is for the purpose of acquiring a principal residence). Loans at December 31, 2021 bear interest at 4.25% to 6.50% and mature on various dates through 2025.

Investment Options

Participants direct the investment of their contribution into their choice of investment options offered by the Plan. Sponsor contributions are invested as directed by the participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting under accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

The Plan's investments are invested as directed by the Plan participants.

Kelmar Associates, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Investments in mutual funds are stated at fair value based on the latest available market prices. Investment in the stable value collective trust fund, composed primarily of fully benefit-responsive investment contracts, is stated at contract value. Any unrealized appreciation or depreciation in fair value of investments is reflected in the statement of changes in net assets available for benefits. Fair value measurements of investments are discussed in Note 3.

Participants invested in the stable value collective trust fund are allowed to initiate transactions at contract value. Contract value represents contributions made to the fund, plus earnings, less withdrawals. The stable value collective trust fund invests traditional stable value investment contracts. Certain events, such as a complete or partial Plan termination, a change in laws or regulations or divestitures or spin offs could limit the ability of the Plan participants to transact at contract value, whereby amounts may be settled at market value, which could be less than contract value. No events are probable of occurring that might influence the ability of the Plan participants to transact at contract value.

Purchases and sales of securities are reported on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Certain expense of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the administrative costs. Certain investments related expenses are included in the net appreciation of fair value of investments and are not readily determinable.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. FAIR VALUE OF MEASUREMENTS OF INVESTMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Observable inputs based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Kelmar Associates, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Level 2 – Inputs for assets or liabilities, other than quoted prices included in Level 1, which are either directly or indirectly observable as of the measurement date. Inputs include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; and inputs derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Unobservable inputs where there is little or no market activity for the assets or liabilities. These inputs reflect Plan management's assumptions of the data market participants would use in pricing an asset or liability, based on the best information available in the circumstances.

Following is a description of the valuation methodologies used for Plan assets measured at fair value at December 31, 2021 and 2020. There have been no changes in methodologies used for the periods presented in these financial statements.

Mutual Funds - Shares of mutual funds are valued at quoted market prices, which represent the net asset value ("NAV") of the shares held by the Plan at year end.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

2021			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 23,505,143	\$ -	\$ -
			Total
			\$ 23,505,143

2020			
	Level 1	Level 2	Level 3
Mutual Funds	\$ 18,565,203	\$ -	\$ -
			Total
			\$ 18,565,203

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Fidelity Management Trust Company, the trustee, except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2021.

Schedule H, part IV, line 4i – schedule of assets (held at end of year) as of December 31, 2021 and the following information as of December 31, 2021 and 2020 and for the year ended December 31, 2021 was prepared from reports certified by the trustee:

	<u>2021</u>	<u>2020</u>
Investments		
Mutual funds, at fair value	\$ 23,505,143	\$ 18,565,203
Stable value collective trust fund, at contract value	3,005,213	3,153,091
Notes receivable from participants	236,664	327,935
Net appreciation in fair value of investments	1,338,086	
Interest and dividend income	1,606,353	
Interest income on notes receivable from participants	14,091	

5. INCOME TAX STATUS

The Plan adopted a prototype plan offered by Fidelity Management & Research Company. By letter dated June 30, 2020, the Internal Revenue Service has determined that the Prototype Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter, however Plan management believes the Plan is designed and is being operated in compliance with the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the tax authorities; however, there are currently no audits for any tax periods in progress. Furthermore, there are no tax related interest or penalties included in the accompanying financial statements.

6. RELATED PARTY/ PARTY-IN-INTEREST TRANSACTIONS

For the year ended December 31, 2021, the Plan paid Fidelity Workplace Services LLC, an affiliate of the trustee, \$39,378 for recordkeeping services. Certain Plan investments include mutual funds and a stable value collective trust fund managed by Fidelity Management & Research Company, an affiliate of the trustee. Transactions of such investments are considered party-in-interest transactions as defined by ERISA but are exempt from the prohibited transaction rules. Participants are a party-in-interest to the Plan and the notes receivable to participants are exempt party-in-interest transactions pursuant to Section 408(b)(1) of ERISA.

7. RISKS AND UNCERTAINTIES

The Plan provides for various investment options which are exposed to various risks such as interest rate, market, and credit risk. Due to such risks, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Kelmar Associates, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

8. PLAN TERMINATION

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100 percent vested and nonforfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination, which has not been applied to reduce Company contributions, shall be allocated on a pro rata basis to the participants' accounts.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500, SCHEDULE H

The following is a reconciliation of amounts per the financial statements to Form 5500, Schedule H as of December 31, 2021 and 2020 and for the year ended December 31, 2021:
