INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator,
Bensco of Louisiana, L.L.C. 401(k) Plan,
New Orleans, Louisiana.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Bensco of Louisiana, L.L.C. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional

omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 and schedule of delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates

directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2020 financial statements of Bensco of Louisiana, L.L.C. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS**BENSCO OF LOUISIANA, L.L.C. 401(K) PLAN**

December 31, 2021 and 2020

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Bensco of Louisiana, L.L.C. 401(k) Plan (the "Plan") are prepared on the accrual basis of accounting.

Investment Valuation and Recognition of Income: Investments are reported at fair value, except for the fully benefit-responsive guaranteed interest contract (funds held in insurance company general account), which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the custodian and insurance company. See Note J for a discussion of fair value measurements.

Realized gains and losses are recorded on a trade-date basis using adjusted basis (beginning of year market value) on the first-in, first-out method. Security transaction expenses are considered in computing realized gains and losses on investments. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Gains and losses (realized and unrealized) are reported in net appreciation in fair value of investments.

Notes Receivable from Participants: Notes receivable from participants are stated at their unpaid principal balance plus any accrued but unpaid interest. An allowance was not considered necessary at either year end. Interest on notes receivable is recorded on the accrual basis. If a participant ceases to make loan payments and the plan administrator deems the participant note to be in default, the loan balance is reduced and a benefit payment to the participant is recorded.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to March 15, 2022 and 2021, respectively.

Payment of Benefits: Benefits are recorded when paid.

NOTE A - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses of the Plan: The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor, as allowed for in the plan document. Expenses paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

The Plan has a revenue sharing arrangement with Empower under which Empower deposits recordkeeping revenue it receives from certain investments to an expense sharing account. Funds in this account are used to offset Plan expenses. During the year ended December 31, 2021, the Plan's administrative expenses totaled \$75,257, net of revenue sharing credits of \$35,905.

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities as of the date of financial statements. Actual results could differ from those estimates.

Subsequent Events: The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.

NOTE B - DESCRIPTION OF PLAN

The following description of the Bensco of Louisiana, L.L.C. 401(k) Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and covers substantially all employees of Bensco of Louisiana, L.L.C. ("Employer" and "Plan Sponsor") and adopting employers (together, the "Employers") who are age twenty-one or older and have one year of service. The Plan was restated effective May 19, 2021.

The following affiliates of the Plan Sponsor are adopting employers:

- Best Chevrolet, Inc.
- Benson Motor Company
- T&G Motors, LLC dba Cadillac of New Orleans

NOTE B - DESCRIPTION OF PLAN (Continued)

Contributions: Participants may contribute up to 100% of pretax and after tax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions ("rollovers") from other qualified plans. Participants direct their contributions into various investment options offered by the Plan. The Plan includes an automatic deferral provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated fund until changed by the participant. The automatic deferral percentage will increase by 1% per year up to a maximum of 10% of compensation, unless the participant elects a different deferral rate or elects not to defer. For any plan year, the Employers may elect to contribute matching contributions, and/or profit sharing contributions, the amounts of which are determined by the Board of Directors. Matching contributions are allocated based on each eligible participant's contributions. For the year ended December 31, 2021, the Employers contributed \$200,838 to match 75% of each eligible participant's deferrals up to a maximum of \$1,500 per participant. Profit sharing contributions are allocated based on each participant's compensation. The Employers did not make a profit sharing contribution for 2021. Participants also direct the investment of any matching and profit sharing contributions. Contributions are subject to certain IRS limitations.

Participant Accounts: Each participant's account is credited with his or her contributions and Employers' matching contributions, as well as allocations of the Employers' profit sharing contributions and plan earnings and charged with an allocation of plan losses and administrative expenses that are paid by the Plan. Allocations are based on participant contributions, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are 100% vested at all times in their deferral contributions plus actual earnings thereon. Vesting in the Employers' contribution portion of their accounts, plus actual earnings thereon, is based on years of service and a graded vesting schedule. A participant is 100% vested after six years of credited service, in the event of death or disability, or at age 55.

Forfeitures: Forfeitures are retained in the Plan and will be used to reduce matching or profit-sharing contributions or to pay administrative expenses. Forfeited non-vested accounts totaled \$9,807 and \$22,237 as of December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, forfeitures of \$8,000 were used to pay administrative expenses and forfeitures of \$12,867 were applied to reduce the 2021 matching contribution.

NOTE B - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. These limits were increased to \$100,000 and 100% of a participant's vested account balance for the period from March 27, 2020 to September 22, 2020 as permitted by the provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). Loan terms may have various repayment terms and lengths. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the plan administrator. Principal and interest is repaid through payroll deductions.

Payment of Benefits: On termination of service a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments over a period of time, as detailed in the Plan. Hardship withdrawals and in-service distributions are available, subject to certain limitations.

NOTE C - INVESTMENTS CERTIFIED BY THIRD PARTY

Certain information related to investments and notes receivable from participants as of December 31, 2021 and 2020, and the related investment earnings and interest on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company ("Great-West Life") and Great-West Trust Company, LLC ("Great-West Trust"), the trustee, as permitted by Department of Labor CFR 2520.103-5, and were not audited by the independent auditor.

NOTE D - GUARANTEED INTEREST CONTRACT

The Plan holds a group fixed deferred annuity contract issued by Great-West Life which provides for guaranteed interest on invested balances. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Great-West Life is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, which may not be less than 0%, and prevailing market conditions. The interest crediting rate is reset quarterly. The average yield was 0.90% and 1.04% for 2021 and 2020, respectively.

NOTE D - GUARANTEED INTEREST CONTRACT (Continued)

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West Life, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations, which may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer, such as full or partial plan termination or termination of the contract. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with the issuer are probable of occurring. Termination of this agreement by either party is effective 90 days following receipt of the termination notice unless the parties agree to another day.

NOTE E - RISKS AND UNCERTAINTIES

The Plan provides for various investments in mutual funds and a guaranteed interest contract. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in all of their accounts.

NOTE G - INCOME TAX STATUS

The Plan was restated effective May 19, 2021 with the adoption of a non-standardized pre-approved plan. On June 30, 2020, the IRS stated that the pre-approved plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). Prior to the restatement, the Plan operated using a prototype plan with an opinion letter dated March 31, 2014. The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator and the Plan's tax counsel believe that the Plan has been designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE G - INCOME TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan holds a group annuity contract offered by Great-West Life and certain mutual funds offered by Great-West Funds, Inc., an affiliate of Great-West Life. Great-West Trust, a subsidiary of Great-West Life, is the Plan's trustee and Great-West Life is the record-keeper for the Plan. Therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan has a revenue sharing arrangement with Great-West Trust, as described in Expenses of the Plan in Note A.

Excess contributions payable as of December 31, 2021	<u>35,817</u>
Change in net assets available for benefits per Form 5500	<u>\$ 1,527,717</u>

NOTE J - FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE J - FAIR VALUE MEASUREMENTS (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The mutual funds held by the Plan are valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds and are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There has been no changes in the methodology used as of December 31, 2021 and 2020.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, investments measured at fair value:

	Fair Value Measurements			Totals
	Level 1	Level 2	Level 3	
December 31, 2021				
Mutual funds	<u>\$ 13,809,711</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,809,711</u>
