RSM US LLP

Plan Administrator and Audit Committee
Crescent Electric Supply Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Crescent Electric Supply Company 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, schedule of delinquent participant contributions and schedule of assets (held at end of year), as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Crescent Electric Supply Company 401(k) Plan

Notes to Financial Statements

Note 1. Plan Description

The following brief description of Crescent Electric Supply Company 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Crescent Electric Supply Company and subsidiaries (Sponsor) who have reached the age of 21 and completed 90 days of service. Eligible employees are automatically enrolled in the Plan with a deferral amount of 2% of their eligible compensation, unless the employee elects otherwise. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Principal Financial Group acquired Wells Fargo & Company's Institutional Retirement & Trust business effective July 1, 2019. Due to this acquisition, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company became the Plan trustee and third-party administrator in May 2021.

Participant accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Sponsor contribution, (b) Plan earnings and (c) administrative fees. Allocations are based on employee contributions, account balances or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions: Participants may elect to contribute up to 100% of their annual compensation, as defined in the Plan. Participants may elect to contribute to a Roth 401(k) that would allow the participant to make after-tax contributions. Such contributions are subject to the provisions of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions).

Discretionary contributions, if any, are determined annually at the discretion of the Board of Directors of the Sponsor. The Sponsor has elected to match the employee contribution for 2021. The matching contribution is the greater of (1) 100% of the pretax employee deferral up to 4% of eligible compensation limited to \$1,200 per employee per Plan year or (2) 50% of the pretax employee deferrals up to 3% of compensation. Participating employees must be employed at December 31 and have worked at least 1,000 hours during the Plan year or have reached normal retirement age, death or became disabled to be eligible to receive discretionary contributions.

Investment options: Upon enrollment and at any time, participants may direct that their contributions be invested in one or more of a variety of investment options as more fully described in the Plan's literature. Participants may change their investment options at any time. If a participant does not make investment selections, their contributions will be deposited into a Wells Fargo Bank, N.A. Target Date fund that coincides with the date the participant reaches 62 years of age.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance upon approval of the Plan Administrator. These transactions are treated as transfers between the investment fund and the participant note receivable fund. Notes are secured by the balance in the participant's account and bear interest as determined by the Plan Administrator based on the prevailing market interest rates (5.25% to 10.25% as of December 31, 2021) and are fixed over the life of the loan. Loans must be repaid in no more than five years unless the loan is used to acquire or construct a principal residence. The repayment terms for home loans may not exceed 30 years. Principal and interest payments must be made under a level amortization schedule through regular payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest.

Crescent Electric Supply Company 401(k) Plan

Notes to Financial Statements

Note 1. Plan Description (Continued)

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Effective January 1, 2019, the Sponsor matching contributions plus actual earnings thereon are 100% vested for all active participants. For participants who terminated before January 1, 2019, vesting of the Sponsor matching contributions plus actual earnings thereon was based on years of service with the employer and were 100% vested after six years of credited service. A year of service was credited after completing 1,000 or more hours of service. Upon normal retirement age (62 years), death or disability, the participant automatically became 100% vested.

Forfeitures: Forfeitures may be used to pay Plan expenses or used to reduce the Sponsor's contribution. As of December 31, 2021 and 2020, there were \$81,111 and \$67,872, respectively, of forfeitures available. During 2021, forfeitures of \$67,866 were applied to reduce the Sponsor's contribution.

Payment of benefits: On termination of service due to death, disability or retirement, the distribution of a participant's benefit shall be made in accordance with one or more of the following methods:

- Lump-sum payment
- Payment in a series of annual or more frequent installments over a stated period of time

If the value of the participant's vested account balance does not exceed \$1,000, the entire account balance shall be payable in a single sum upon termination of service. In-service distributions are allowed for active participants age 59½ and older. Participants are also allowed to withdraw benefits in the event of financial hardship. Hardship withdrawals are limited to the participant's elective contributions and earnings thereon.

Other: During 2020, the Plan allowed participants to take advantage of the provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) to help provide financial stability and relief for eligible participants. The CARES Act provisions that were implemented allowed for special coronavirus-related distributions, an increase in Plan loan amounts, deferral of loan payments and waiver of 2020 required minimum distributions.

Note 2. Summary of Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Accounting estimates: The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amount of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Valuation of investment and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Crescent Electric Supply Company 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Accounting Policies (Continued)

Administrative expenses: Certain costs related to the administration and operation of the Plan (primarily custodian fees) are paid from the assets of the Plan as provided in the Plan document. However, costs arising from the Plan Administrator, Sponsor executives and legal and audit fees are paid by the Sponsor and, accordingly, are not reflected in the accompanying financial statements of the Plan.

Payment of benefits: Benefit payments to participants are recorded when paid.

Subsequent events: The Plan Administrator has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by Plan Trustees

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by Wells Fargo Bank, N.A. and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustees of the Plan. The Plan Administrator has obtained certifications from the trustees that information provided to the Plan Administrator by the trustees related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information included throughout the financial statements and the ERISA-required supplemental schedules related to the following assets:

	2021	2020
Investments at fair value:		
Mutual funds	\$ 121,165,385	\$ 114,030,286
Common collective trust funds	34,418,310	29,432,067
Notes receivable from participants	2,065,961	2,377,891
	<u>\$ 157,649,656</u>	<u>\$ 145,840,244</u>

Wells Fargo Bank, N.A. and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company also certified to the completeness and accuracy of \$17,904,058 of net appreciation in fair value of investments, \$1,365,129 of interest and dividends related to the aforementioned investments and \$131,028 of interest on notes receivable from participants for the year ended December 31, 2021.

Crescent Electric Supply Company 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: These investments are reported at fair value based on closing prices reported on the active market on which the mutual funds are traded.

Common collective trust funds: These investments are valued at the net asset value (NAV) of shares held by the Plan in the collective trusts at year-end as determined by Wells Fargo Bank, N.A. based on the market value of its underlying investments. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Crescent Electric Supply Company 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 121,165,385	\$ -	\$ -	\$ 121,165,385
Total assets in the fair value hierarchy	<u>\$ 121,165,385</u>	<u>\$ -</u>	<u>\$ -</u>	121,165,385
Investments measured at NAV (a)				34,418,310
Total investments at fair value				<u>\$ 155,583,695</u>
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 114,030,286	\$ -	\$ -	\$ 114,030,286
Total assets in the fair value hierarchy	<u>\$ 114,030,286</u>	<u>\$ -</u>	<u>\$ -</u>	114,030,286
Investments measured at NAV (a)				29,432,067
Total investments at fair value				<u>\$ 143,462,353</u>

(a) In accordance with the Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table sets forth additional disclosures of Plan investments whose fair value is estimated using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Common collective trust funds	<u>\$ 34,418,310</u>	<u>\$ 29,432,067</u>	-	Daily	Daily

Changes in fair value levels: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value to another. In such instances, the transfer is reported as of the actual date of the event or change in circumstances that caused the transfer.

The Sponsor evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no significant transfers in or out of Levels 1, 2 or 3.

Crescent Electric Supply Company 401(k) Plan

Notes to Financial Statements

Note 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 6. Plan Termination

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their Sponsor's contributions.

Note 7. Income Tax Status

The Plan adopted a volume submitter plan sponsored by Wells Fargo Bank, N.A. The volume submitter plan provider has received an advisory letter from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan has been amended and restated since the volume submitter plan received the advisory letter. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2021 and 2020, per the Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 160,449,132	\$ 148,363,105
Difference in:		
Investments	2,065,961	2,377,891
Receivables—notes receivable from participants	(2,065,961)	(2,377,891)
Certain deemed distributions of participant loans	(110,791)	(110,791)
Net assets per the Form 5500	<u>\$ 160,338,341</u>	<u>\$ 148,252,314</u>

Note 9. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and common collective trust funds managed by the trustees; therefore, transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$19,024 for the year ended December 31, 2021.

Crescent Electric Supply Company 401(k) Plan

Notes to Financial Statements

Note 10. Prohibited Transactions

During 2021, the Plan Sponsor inadvertently failed to deposit \$284,710 of participant deferrals within the required time frame as stated by the DOL regulations. The Plan Sponsor intends to reimburse the Plan for lost interest. The Plan Sponsor intends to file Form 5330 and intends to pay the applicable excise tax in 2022. The excise tax payments will be made from the Plan Sponsor's assets and not from assets of the Plan.
