Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Benefits Committee of
Norton Rose Fulbright US LLP 401(k) and Profit Sharing Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Norton Rose Fulbright US LLP 401(k) and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section.

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Norton Rose Fulbright US LLP 401(k) and Profit Sharing Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution.

In their report dated October 11, 2021, they indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The Norton Rose Fulbright US LLP 401(k) and Profit Sharing Plan (Plan), formerly the Fulbright & Jaworski L.L.P. 401(k) and Profit Sharing Plan, is a defined contribution plan maintained for participating attorney and non-attorney personnel of Norton Rose Fulbright US LLP (Firm) to provide employees with retirement benefits. The Plan was formed June 1, 1985 and amended and restated effective October 20, 2014. Effective as of the close of business on December 31, 2017, the Retirement Plan of Chadbourne & Parke LLP and the Retirement Plan of Chadbourne & Parke LLP Plan 2 were merged into the Plan. The Plan was amended effective January 1, 2018, following the merger with the Chadbourne & Parke LLP plans and was most recently amended effective March 30, 2020. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Eligibility: Each employee is eligible to participate in the Plan beginning on the first day of the calendar month following completion of one hour of service. An hour of service is each hour for which a participant is paid or entitle to payment by the Firm for the performance of duties. Generally, once a participant becomes a participant in the Plan, they continue as a participant until they leave employment. Under the profit sharing component of the Plan, if a participant was hired on or after January 1, 2002, the participant becomes eligible to receive profit sharing contributions on January 1 or July 1 following the later of the date that the participant completes one year of service or attains age 21.

Contributions: Each year, attorney and non-attorney personnel may elect to contribute up to 100% of considered compensation into the Plan not to exceed the annual Internal Revenue Service (IRS) limits. Each year, attorney and non-attorney personnel may elect to contribute up to 15% and 50%, respectively, of considered compensation into the Plan not to exceed the annual IRS limits. A participant may elect to have all or a portion of the participant's elective deferrals to be Roth elective deferrals when contributed to the Plan. Roth elective deferrals are subject to federal income taxes in the year of deferral and are not subject to federal income taxes when distributed. Participants who have attained or will attain age 50 by the end of the calendar year may make additional catch-up contributions. Rollovers are also permitted from distributions received from other qualified defined contribution or defined benefit plans.

For each non-attorney participant, the Firm contributes a matching contribution of 50% of any participant contribution made up to a maximum of 6% of \$35,000 of considered compensation, not to exceed \$1,050. The Firm does not make matching contributions for attorneys.

For each non-attorney participant, the Firm contributes a profit sharing contribution in an amount equal to 5% of considered compensation for the Plan year.

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's discretionary non-elective contributions (b) Plan earnings, and (c) forfeitures of discretionary profit-sharing contributions and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Investment Options: Participants direct the investment of their entire interest in the Plan into various investment options offered by the Plan. The Plan offers interest-bearing cash, mutual funds, a self-directed brokerage account, collective trust funds, and a stable value fund as investment options. Participants may redirect future contributions or exchange existing balances among available investment securities at any time.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting: Participants are immediately vested in their contributions and rollovers plus actual earnings or losses thereon. Vesting in the Firm's contribution portion of their accounts plus actual earnings or losses thereon is based on completed years of active service. A participant is fully vested in the Firm matching contributions after five years of credited service. A participant is fully vested in their profit sharing contributions after three years of credited service.

Notes Receivable From Participants: Participants may borrow from their vested account balance not less than \$500 up to a maximum of the lesser of one-half of their total vested account balance or \$50,000, reduced by the highest outstanding loan balance in the participant's account during the prior 12-month period. The vested account balance will be used as collateral for a loan. Loans bear a reasonable interest rate. Principal and interest are paid ratably through after-tax payroll deductions. The repayment period will not be longer than five years unless the loan is used to buy a principal residence.

Payment of Benefits: Upon termination of employment, normal retirement, disability, or death, a participant or designated beneficiary is entitled to receive the vested benefits credited to their account. Distributions will normally be made or begin within one year after the employment is terminated. However, if the value of a participant's account is more than \$5,000, a participant must consent before an immediate distribution is made. If a participant does not consent to an immediate distribution, the money will stay in the Plan until the earlier of: a) death or any time after retirement or b) consent of distribution. The entire vested interest must be paid or begin to be paid by April following the later of the year a participant retires or the year a participant attains age 70½.

Active participants may make withdrawals from their account only if they have a qualifying hardship. Participants have a qualifying hardship if participants have an immediate and heavy financial need and a withdrawal is required in order to satisfy the need. In addition, participants eligible for retirement (age 65 or age 60, plus five years of service) may withdraw 100% of all their accounts.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Plan Termination: Although the Firm intends to maintain the Plan indefinitely, the Firm reserves the right to terminate the Plan at any time. Upon termination, no further contributions will be made to the Plan and all amounts credited to participant's accounts will become 100% vested.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Firm. Expenses that are paid by the Firm are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Forfeited Accounts: If a participant terminates employment before being full vested, then the non-vested portion of the terminated participant's account balance remains in the Plan and is called a forfeiture. Forfeitures may be used to pay administrative expenses or to reduce employer contributions. At December 31, 2021 and 2020, forfeited accounts totaled \$75,511 and \$104,801, respectively. During 2021, forfeitures of \$46,721 were used to pay administrative expenses and \$169,656 were used to reduce Firm contributions.

Subsequent Events: The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

(Continued)

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Company to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Other income represents revenue sharing amounts contributed by certain investment funds that may be used to pay qualified Plan expenses and are recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Delinquent participant loans are recorded as distributions based on the terms of the plan document.

Payment of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity, credit and risks related to global events. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 – CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements).

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Interest-Bearing Cash: Valued using pricing models maximizing the use of observable inputs for similar securities.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Self-Directed Brokerage Account: The underlying investments, which consist primarily of interest-bearing cash accounts and individual corporate common stocks, are valued at the closing price reported on the open market and are classified within level 1 of the valuation hierarchy.

Collective Trust Funds: The fair values of participation units held in the collective trusts are based on the net asset values per unit as reported by the fund managers. The collective trust provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement. However, in unusual market conditions, in accordance with the Declaration of Trust, the trustee may in its sole discretion, impose restrictions on issues and redemptions of units.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 8,766,092	\$ -	\$ -	\$ 8,766,092

Collective trust funds measured at NAV as practical expedient				<u>313,556,971</u>
Total investments at fair value				<u>\$ 882,978,253</u>

There were no assets or liabilities measured at fair value on a non-recurring basis at December 31, 2021 and 2020. There were no transfers between levels for 2021 and 2020.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Certain Plan investments managed by the trustee and notes receivable from participants also reflect party-in-interest transactions.

NOTE 6 – TAX STATUS

The Internal Revenue Service issued an opinion letter dated September 25, 2014, indicating that the non-standardized pre-approved profit-sharing plan adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.
