## **Independent Auditors' Report**

To the Plan Administrator of the  
Lane Supply, Inc 401(k) Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Lane Supply, Inc. 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- The information in the 2021 Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the 2021 Financial Statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 Financial Statements.

In preparing the 2021 Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2021 Financial Statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the 2021 Financial Statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 Financial Statements.
- Conclude, whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

## Other Matters

### *2021 Supplemental Schedules Required by ERISA*

The supplemental schedule of assets (held at year end) as of December 31, 2021, is presented for the purpose of additional analysis and is not a required part of the 2021 Financial Statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 Financial Statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### 1. Description of Plan

#### ***General***

Lane Supply, Inc 401(k) Profit Sharing Plan (Plan) is a defined contribution plan that has been established to provide retirement benefits to eligible employees of Lane Supply, Inc. (Company).

The Plan was established April 1, 1994 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following descriptions provide only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act allows for certain provisions to participants impacted by COVID-19 such as in-service distributions up to \$100,000, loan borrowings up to \$100,000, and suspension of loan payments and required minimum distributions. In accordance with the CARES Act, the Plan has until December 31, 2022 to formally amend the plan documents

#### ***Contributions***

Qualified employees may contribute pretax annual compensation up to the maximum percentage allowable under the Internal Revenue Code (IRC). In addition, any participant, with the Plan administrator's written consent, may contribute to the trust, other than as a voluntary contribution, if the contribution is a "rollover contribution" from another qualified plan. During 2021, the Company made discretionary matching contributions totaling 25% of the first 5% of compensation, as defined by the Plan, that a participant contributed to the Plan.

#### ***Participant Accounts***

Qualified employees 21 years old and older are eligible to become participants in the Plan after six months of employment with the Company. Separate accounts are established for each participant. Participants' accounts are credited with the participants' contributions and allocation of contributions by the Company and Plan earnings.

#### ***Vesting***

Participants vest in the Company contributions in accordance with the following table:

| <u>Year of Vesting Service</u> | <u>Percentage</u> |
|--------------------------------|-------------------|
| After 2 years of service       | 20%               |
| 3 years                        | 40%               |

### **Notes to Financial Statements**

---

#### ***Benefits Paid to Participants***

Distribution of a participant's vested account is available upon the participant's retirement, death, disability, termination of employment or attainment of age 59½. Distributions are available to satisfy a financial hardship meeting the requirements of the IRC.

#### ***Forfeitures***

Forfeitures of unvested Company contributions can be used to offset the Company match or to reduce the Plan administrative costs. Forfeitures available for use at December 31, 2021 and 2020 totaled \$381 and \$0, respectively. During the year ended December 31, 2021, the Plan used \$4,518 in forfeitures to offset Plan expenses or Company contributions.

#### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of participants' accounts are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of mutual funds.

#### ***Plan Termination***

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to provisions of ERISA. In the event of Plan termination, employees become fully vested in their accounts.

## **2. Summary of Significant Accounting Policies**

#### ***Basis of Accounting***

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### ***Estimates and Assumptions***

Management uses estimates and assumptions in preparing financial statements in accordance with GAAP. Those estimates and assumptions affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities. Actual results could vary from the estimates used in preparing the accompanying financial statements.

## **Lane Supply, Inc 401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

---

#### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The Plan presents the net change in fair value of investments, which consists of realized gains or losses, unrealized appreciation (depreciation), and any income or capital gain distributions from such investments, in the accompanying statement of changes in net assets available for benefits.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Payment of Benefits***

Benefits to participants are recorded when paid.

#### ***Risks and Uncertainties***

The Plan provides for various investment options in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

### **3. Fair Value Measurements**

Under the Fair Value Measurements and Disclosures topic of the Codification, ASC 820, disclosures are required about how fair value is determined for assets and liabilities and a hierarchy for which these assets and liabilities must be grouped is established, based on significant levels of inputs as follows:

- Level 1    quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2    quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; and model-derived valuations in which all significant inputs are observable in active markets.
- Level 3    valuations derived from valuation techniques in which one or more significant inputs are unobservable.

## Lane Supply, Inc 401(k) Profit Sharing Plan

### Notes to Financial Statements

---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

#### ***Mutual Funds***

Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV is a quoted price in an active market.

#### ***Collective Trust***

The Plan holds an investment in the Invesco Stable Value Retirement Trust (Trust), which invests in bank, insurance company and other financial institution investment contracts. The Trust holds portfolios of securities (debt securities or units of collective trusts) with wrap contracts (Wrap) associated with the portfolios. Wraps are issued by third parties and invests in cash equivalents represented by shares in money market funds. A Wrap is a contract with an insurance company or bank, which absorbs any gains or losses caused by market fluctuations. The Wrap allows investors to hold their investments at the original principal balance plus accrued interest plus deposits and less withdrawals, resulting in stable rates of return. The fair value of the units of this investment is based on the fair value of the underlying investments, and a NAV can be calculated for this Trust. These investments do contain several redemption restrictions.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The investments held by the Plan as of December 31, 2021 and 2020 are measured using Level 1 inputs. The following table sets forth the Plan's assets, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

|                                          | 2021                       | 2020                       |
|------------------------------------------|----------------------------|----------------------------|
| Investments at fair value - mutual funds | \$ 4,658,588               | \$ 3,841,029               |
| Collective trust measured at NAV*        | 579,863                    | 520,468                    |
| <b>Total investments</b>                 | <b><u>\$ 5,238,451</u></b> | <b><u>\$ 4,361,497</u></b> |

### Notes to Financial Statements

---

\*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

#### 4. Financial Information Certified by the Plan's Trustee (Unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by Ascensus Trust Company, the trustee and a party-in-interest as defined by ERISA, as of December 31, 2021 and 2020 and for the year ended December 31, 2021, except for comparing such information certified by the agent acting on behalf of the trustee to information included in the Plan's financial statements and supplemental schedule.

This information consists of the following:

|                                               | 2021                | 2020                |
|-----------------------------------------------|---------------------|---------------------|
| Mutual funds                                  | \$ 4,658,588        | \$ 3,841,029        |
| Collective trust                              | 579,863             | 520,468             |
|                                               | <u>\$ 5,238,451</u> | <u>\$ 4,361,497</u> |
| Interest and dividends                        | <u>\$ 77,248</u>    |                     |
| Net appreciation in fair value of investments | <u>\$ 686,210</u>   |                     |

#### 5. Tax Status of the Plan

The prototype plan sponsor has received an opinion letter from the Internal Revenue Service dated March 31, 2014, stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the IRC and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the IRC. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

## **Lane Supply, Inc 401(k) Profit Sharing Plan**

### **Notes to Financial Statements**

---

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's Annual Return/Report of Employee Benefit Plan is subject to examination by the IRS for three year from the date of filing.

#### **6. Related Party and Party in Interest**

The trustee qualifies as a party-in-interest to the Plan. Some fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing rather than by direct payment.

#### **7. Subsequent Events**

Plan management has evaluated subsequent events through the date the financial statements were available to be issued and concluded that no additional disclosures are required.
