INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants,
C.H. Powell 401(k) Incentive Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of C.H. Powell 401(k) Incentive Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of C.H. Powell 401(k) Incentive Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in the modified cash basis of accounting described in Note 2 and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of C.H. Powell 401(k) Incentive Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about C.H. Powell 401(k) Incentive Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule h, part IV, line 4i - schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of C.H. Powell 401(k) Incentive Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

Organization

The C.H. Powell 401(k) Incentive Savings Plan (the "Plan") is sponsored by C.H. Powell Company (the "Company") for the benefit of the Company's employees. The Company acts as Plan administrator. The assets of the Plan are under the control of the Plan's Trustees, appointed by the Company. Fidelity Management Trust Company holds the Plan's investment assets and executes investment transactions. Fidelity Workplace Services LLC provides recordkeeping services for the Plan.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees meeting the eligibility requirements of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). A summary description of the Plan is available from the Company.

Eligibility

All employees who have attained the age of 20½ are eligible to participate in the Plan regardless of length of service. Once employees meet the eligibility requirement, they can enroll in the Plan at any time.

Contributions

Participants may contribute any percentage up to 90% of compensation to the Plan, subject to certain annual limitations set by the Internal Revenue Service ("IRS") (\$19,500 in 2021). Additionally, participants who have attained age 50 are eligible to make catch-up contributions, as defined. The Company may, in its sole discretion, match a portion of the participants' contributions (\$6,500 in 2021) and make discretionary nonelective contributions to the Plan. All new participants are automatically enrolled in the Plan at a contribution rate of 5%, unless the participant opts not to participate. During 2021, the Company had matching contributions equal to 40% of the first 7% of participants' contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and an allocation of Plan earnings (losses). The participant's account is reduced by withdrawals, an allocation of expenses, losses on investments, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants' contributions are immediately vested. Vesting in the Company's contributions is based on years of continuous service in accordance with the following schedule:

<u>Period of Service</u>	<u>Percentage Vested Nonelective Contributions</u>	<u>Percentage Vested Matching Contributions</u>
Fewer than 2 years	0%	0%

Notes to Financial Statements
December 31, 2021 and 2020

Forfeitures

At December 31, 2021 and 2020, forfeited account balances totaled \$179 and \$532, respectively. Forfeitures are available to reduce Company contributions. For the year ended December 31, 2021, Company contributions were reduced by \$3,957 from forfeited nonvested accounts.

Distributions and Withdrawals

Distributions from the Plan are made to participants who have attained their normal retirement age (age 65), become disabled, die, or otherwise terminate employment. Distributions are made in the form of lump-sum payments or in installments under a systematic installment plan. In certain instances, prior to termination, participants may withdraw account balances to defray financial obligations, subject to approval by the Plan administrator.

Notes Receivable from Participants

Participants may borrow funds from the Plan up to 50% (but not more than \$50,000) of their vested account balances, subject to certain limitations. Loans to participants are secured by participants' vested balances in the Plan. Loans must be fully repaid within five years (extended term are available if the loan is for the purchase of acquiring a primary residency) The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1%. At December 31, 2021, the interest rate on the outstanding loans ranged from 4.25% to 11.5%. Principal and interest are paid ratably through payroll reductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the modified cash basis of accounting. Under that basis, certain revenues and the related assets are recognized when received rather than when earned. That basis differs from accounting principles generally accepted in the United States of America primarily because the Plan has not recognized receivables for participant and employer contributions.

Investment Valuation and Income Recognition

Investments in mutual funds are stated at fair value based on the latest available market prices. Any unrealized appreciation or depreciation in fair value of investments is reflected in the statement of changes in net assets available for benefits. The Plan's investments are invested as directed by the Plan's participants. Fair value measurements of investments are discussed in Note 3.

Purchases and sales of securities are reported on a trade-date basis. Dividend and interest income is recognized when received.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Certain expense of maintaining the Plan is paid by the Plan, unless otherwise paid by the Plan sponsor. Expenses that are paid by the Plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the administrative costs. Certain investment-related expenses are included in the net appreciation in fair value of investments and are not readily determinable.

C.H. Powell 401(k) Incentive Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. FAIR VALUE MEASUREMENTS OF INVESTMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value hierarchy has been established that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 - Observable inputs based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs for assets or liabilities, other than quoted prices included in Level 1, which are either directly or indirectly observable as of the measurement date. Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, and inputs derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Unobservable inputs where there is little or no market activity for the assets or liabilities. These inputs reflect Plan management's assumptions of the data market participants would use in pricing an asset or liability, based on the best information available in the circumstances.

The following is a description of the valuation methodology used for Plan assets measured at fair value at December 31, 2021 and 2020. There have been no changes in the methodology used for the periods presented in these financial statements.

Mutual Funds – Shares of mutual funds are valued at quoted market prices, which represent the net asset value (NAV) of the shares held by the Plan at year-end.

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,145,693	\$ -	\$ -	\$ 15,145,693
Total Investments, at fair value	\$ 15,145,693	\$ -	\$ -	\$ 15,145,693

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. TAX STATUS OF THE PLAN

The Plan adopted a prototype plan offered by Fidelity Management & Research Company. By letter dated June 30, 2020, the IRS has determined that the prototype plan and related trust are designed in accordance with the appropriate sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter; however, Plan management believes the Plan is designed and is being operated in compliance with the IRC. Therefore, no provision for income taxes has been included in the accompanying financial statements.

Plan management evaluates tax positions taken by the Plan and discloses any uncertain tax positions that more likely than not would not be sustained upon examination by the tax authorities. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by the tax authorities; however, there are currently no audits for any tax periods in progress. Furthermore, there is no related interest or penalties included in the financial statements presented.

5. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Fidelity Management Trust Company, the trustee, except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2021 and 2020.

Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and the following information as of December 31, 2021 and 2020 and for the year ended December 31, 2021 were prepared from reports certified by the trustee:

	2021	2020
Investments at fair value		
Mutual funds	\$ 15,145,693	\$ 13,633,070
Notes receivable from participants	\$ 419,021	\$ 324,775
Net appreciation in fair value of investments	\$ 1,351,732	\$ 1,202,214
Interest and dividend income	\$ 340,869	\$ 409,312
Interest income on notes receivable from participants	\$ 20,706	\$ 22,516

6. RELATED PARTY TRANSACTIONS

For the year ended December 31, 2021, the Plan paid Fidelity Workplace Services LLC, an affiliate of the trustee, \$47,924 for recordkeeping services. Certain Plan investments are shares of mutual funds managed by Fidelity Management & Research Company, an affiliate of the trustee. Additionally, the Plan has notes receivable outstanding due from Plan participants. These transactions are considered party-in-interest transactions as defined by ERISA but are exempt from the prohibited transaction rules.

7. RISKS AND UNCERTAINTIES

The Plan provides for investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to such risks, it is at least reasonably possible that changes in market values, interest rates, or other factors in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes to Financial Statements
December 31, 2021 and 2020

8. PLAN TERMINATION

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and nonforfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination, which has not been applied to reduce Company contributions, shall be allocated on a pro rata basis to the participants' accounts.

9. SUBSEQUENT EVENTS

The Plan sponsor has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of October 14, 2022, which is the date the financial statements were available to be issued. Based on this evaluation, the Plan sponsor has determined that no subsequent events have occurred requiring adjustment to or disclosure in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants,
C.H. Powell 401(k) Incentive Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of C.H. Powell 401(k) Incentive Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of C.H. Powell 401(k) Incentive Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in the modified cash basis of accounting described in Note 2 and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of C.H. Powell 401(k) Incentive Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about C.H. Powell 401(k) Incentive Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule h, part IV, line 4i - schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of C.H. Powell 401(k) Incentive Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

Organization

The C.H. Powell 401(k) Incentive Savings Plan (the "Plan") is sponsored by C.H. Powell Company (the "Company") for the benefit of the Company's employees. The Company acts as Plan administrator. The assets of the Plan are under the control of the Plan's Trustees, appointed by the Company. Fidelity Management Trust Company holds the Plan's investment assets and executes investment transactions. Fidelity Workplace Services LLC provides recordkeeping services for the Plan.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees meeting the eligibility requirements of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). A summary description of the Plan is available from the Company.

Eligibility

All employees who have attained the age of 20½ are eligible to participate in the Plan regardless of length of service. Once employees meet the eligibility requirement, they can enroll in the Plan at any time.

Contributions

Participants may contribute any percentage up to 90% of compensation to the Plan, subject to certain annual limitations set by the Internal Revenue Service ("IRS") (\$19,500 in 2021). Additionally, participants who have attained age 50 are eligible to make catch-up contributions, as defined. The Company may, in its sole discretion, match a portion of the participants' contributions (\$6,500 in 2021) and make discretionary nonelective contributions to the Plan. All new participants are automatically enrolled in the Plan at a contribution rate of 5%, unless the participant opts not to participate. During 2021, the Company had matching contributions equal to 40% of the first 7% of participants' contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and an allocation of Plan earnings (losses). The participant's account is reduced by withdrawals, an allocation of expenses, losses on investments, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants' contributions are immediately vested. Vesting in the Company's contributions is based on years of continuous service in accordance with the following schedule:

<u>Period of Service</u>	<u>Percentage Vested Nonelective Contributions</u>	<u>Percentage Vested Matching Contributions</u>
Fewer than 2 years	0%	0%
2 but fewer than 3 years	20%	50%
3 but fewer than 4 years	40%	100%
4 but fewer than 5 years	60%	100%
5 but fewer than 6 years	80%	100%
6 years or more	100%	100%

C.H. Powell 401(k) Incentive Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020

Forfeitures

At December 31, 2021 and 2020, forfeited account balances totaled \$179 and \$532, respectively. Forfeitures are available to reduce Company contributions. For the year ended December 31, 2021, Company contributions were reduced by \$3,957 from forfeited nonvested accounts.

Distributions and Withdrawals

Distributions from the Plan are made to participants who have attained their normal retirement age (age 65), become disabled, die, or otherwise terminate employment. Distributions are made in the form of lump-sum payments or in installments under a systematic installment plan. In certain instances, prior to termination, participants may withdraw account balances to defray financial obligations, subject to approval by the Plan administrator.

Notes Receivable from Participants

Participants may borrow funds from the Plan up to 50% (but not more than \$50,000) of their vested account balances, subject to certain limitations. Loans to participants are secured by participants' vested balances in the Plan. Loans must be fully repaid within five years (extended term are available if the loan is for the purchase of acquiring a primary residency) The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1%. At December 31, 2021, the interest rate on the outstanding loans ranged from 4.25% to 11.5%. Principal and interest are paid ratably through payroll reductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the modified cash basis of accounting. Under that basis, certain revenues and the related assets are recognized when received rather than when earned. That basis differs from accounting principles generally accepted in the United States of America primarily because the Plan has not recognized receivables for participant and employer contributions.

Investment Valuation and Income Recognition

Investments in mutual funds are stated at fair value based on the latest available market prices. Any unrealized appreciation or depreciation in fair value of investments is reflected in the statement of changes in net assets available for benefits. The Plan's investments are invested as directed by the Plan's participants. Fair value measurements of investments are discussed in Note 3.

Purchases and sales of securities are reported on a trade-date basis. Dividend and interest income is recognized when received.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Certain expense of maintaining the Plan is paid by the Plan, unless otherwise paid by the Plan sponsor. Expenses that are paid by the Plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the administrative costs. Certain investment-related expenses are included in the net appreciation in fair value of investments and are not readily determinable.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. FAIR VALUE MEASUREMENTS OF INVESTMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value hierarchy has been established that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 - Observable inputs based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs for assets or liabilities, other than quoted prices included in Level 1, which are either directly or indirectly observable as of the measurement date. Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, and inputs derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Unobservable inputs where there is little or no market activity for the assets or liabilities. These inputs reflect Plan management's assumptions of the data market participants would use in pricing an asset or liability, based on the best information available in the circumstances.

The following is a description of the valuation methodology used for Plan assets measured at fair value at December 31, 2021 and 2020. There have been no changes in the methodology used for the periods presented in these financial statements.

Mutual Funds – Shares of mutual funds are valued at quoted market prices, which represent the net asset value (NAV) of the shares held by the Plan at year-end.

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,145,693	\$ -	\$ -	\$ 15,145,693
Total Investments, at fair value	\$ 15,145,693	\$ -	\$ -	\$ 15,145,693

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. TAX STATUS OF THE PLAN

The Plan adopted a prototype plan offered by Fidelity Management & Research Company. By letter dated June 30, 2020, the IRS has determined that the prototype plan and related trust are designed in accordance with the appropriate sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter; however, Plan management believes the Plan is designed and is being operated in compliance with the IRC. Therefore, no provision for income taxes has been included in the accompanying financial statements.

Plan management evaluates tax positions taken by the Plan and discloses any uncertain tax positions that more likely than not would not be sustained upon examination by the tax authorities. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by the tax authorities; however, there are currently no audits for any tax periods in progress. Furthermore, there is no related interest or penalties included in the financial statements presented.

5. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Fidelity Management Trust Company, the trustee, except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2021 and 2020.

Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and the following information as of December 31, 2021 and 2020 and for the year ended December 31, 2021 were prepared from reports certified by the trustee:

	<u>2021</u>	<u>2020</u>
Investments at fair value		
Mutual funds	\$ 15,145,693	\$ 13,633,070
Notes receivable from participants	\$ 419,021	\$ 324,775
Net appreciation in fair value of investments	\$ 1,351,732	\$ 1,202,214
Interest and dividend income	\$ 340,869	\$ 409,312
Interest income on notes receivable from participants	\$ 20,706	\$ 22,516

6. RELATED PARTY TRANSACTIONS

For the year ended December 31, 2021, the Plan paid Fidelity Workplace Services LLC, an affiliate of the trustee, \$47,924 for recordkeeping services. Certain Plan investments are shares of mutual funds managed by Fidelity Management & Research Company, an affiliate of the trustee. Additionally, the Plan has notes receivable outstanding due from Plan participants. These transactions are considered party-in-interest transactions as defined by ERISA but are exempt from the prohibited transaction rules.

7. RISKS AND UNCERTAINTIES

The Plan provides for investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to such risks, it is at least reasonably possible that changes in market values, interest rates, or other factors in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. PLAN TERMINATION

The Company intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and nonforfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination, which has not been applied to reduce Company contributions, shall be allocated on a pro rata basis to the participants' accounts.

9. SUBSEQUENT EVENTS

The Plan sponsor has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of October 14, 2022, which is the date the financial statements were available to be issued. Based on this evaluation, the Plan sponsor has determined that no subsequent events have occurred requiring adjustment to or disclosure in the financial statements.
