Chief Financial Officer
Jamul Casino 401(k) Plan
14145 Campo Road
Jamul, CA 91935

We are pleased to serve as the independent auditors for Jamul Casino 401(k) Plan (the “Plan” or “Client”) for the year ended December 31, 2021, in connection with its annual reporting obligation under the Employee Retirement Income Security Act of 1974 (“ERISA”). This letter, together with the attached Terms and Conditions – Attest Engagements, confirms the terms of our engagement, and is collectively referred to herein as the “Letter” or the “Engagement Letter”.

Audit Scope and Objectives

Except as described below, we will audit the financial statements of the Plan, an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the disclosures (collectively, the “financial statements”). We will also report on the supplemental schedules of the Plan as of and for the year ended December 31, 2021. The following supplementary information accompanying the financial statements, as applicable, will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures:

1. Assets (Held at End of Year) and Assets (Acquired and Disposed of Within Year)
2. Loans or Fixed Income Obligations in Default or Classified as Uncollectible
3. Leases in Default or Classified as Uncollectible
4. Reportable Transactions
5. Nonexempt Transactions
6. Delinquent Participant Contributions

These financial statements and supplementary schedules are required to be included in the Plan’s Form 5500 filing with the Employee Benefits Security Administration (“EBSA”) of the Department of Labor (“DOL”).

Except as described in the following paragraph, the objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor’s report that includes our opinion about whether the Plan’s financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (“GAAP”). Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (“GAAS”) will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they could influence the judgment of a reasonable user made based on the financial statements.

Management has determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by the Custodian or Trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 20 CFR 2520.103-5. Our audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described above, we will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary, except that assets and related transactions certified by the Custodian/Trustee will not be tested. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

An audit includes an evaluation of the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as an evaluation of the overall presentation of the financial statements, including the disclosures, to assess and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. To express an opinion, we are required to plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS, except as previously noted. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential and will include prohibited transactions in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

In the conduct of our audit, we will obtain an understanding of the Plan and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control-related matters that are required to be communicated under professional standards.

In performing our audit, we will consider and conclude whether, based on the audit evidence obtained, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Procedures we will perform as a part of our audit will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of investments, except those certified to by the Custodian/Trustee, and certain other assets and liabilities by correspondence with financial institutions and other third parties. We may also request written representations from the Plan's attorneys as part of the engagement, and they may submit an invoice for responding to this inquiry.

In addition, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Service ("IRS") requirements for tax exempt status and ERISA plan qualification requirements. However, you should understand our audit is not specifically designed for and should not be relied upon to disclose matters affecting plan qualifications or compliance with ERISA and IRS requirements. If during the audit we become aware of any instances of any such matters or ways in which management practices can be improved, we will communicate them to you.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that management acknowledges and understands its responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; for establishing an accounting and financial reporting process for determining appropriate value measurements; and for the preparation and fair presentation of the financial statements in conformity with GAAP. Management is also responsible for making drafts of financial statements, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). Management is also responsible for providing us with (1) access to all information of which it is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties, parties in interest, and all related-party and party-in-interest relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence.

Management is responsible for maintaining a current plan instrument, including all plan amendments, and for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants. Management is also responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with the applicable financial reporting framework. Management is also responsible for providing to us, prior to the dating of our report, a draft of the Plan's Form 5500 that is substantially complete. At the conclusion of our audit, we will require certain written representations from management about the financial statements and related matters.

Management's responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud and for informing us about all known or suspected fraud affecting the Plan involving (1) Plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management is responsible for informing us of their knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, regulators, or others. In addition, management is responsible for identifying and ensuring that the Plan complies with applicable laws and regulations.

Management is responsible for the fair presentation of the supplemental schedules and the form and content of the supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Management agrees to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

We cannot perform management functions or make management decisions on behalf of the Plan. However, we may provide advice and recommendations to assist management in performing its functions and fulfilling its responsibilities. We may advise management about appropriate accounting principles and their application, but the responsibility for the financial statements remains with management.

Reporting

We will issue a written report upon completion of our audit of the Plan's financial statements. Our report will be addressed to the Administrator of the Plan. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to further modify our report, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report or, if necessary, withdraw from this engagement. If our report

will include other modifications, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the engagement, we may decline to issue a report or withdraw from this engagement.

If the Plan intends to reproduce or publish these financial statements or any portion thereof, whether in paper or electronic form subsequent to anticipated year-end filings and make reference to our firm name in connection therewith, management agrees to provide us with proofs in sufficient time for our review and written approval before printing. If in our professional judgment the circumstances require, we may withhold our approval. The Plan agrees to compensate Wipfli LLP ("Wipfli") for the time associated with such review.

Client acknowledges and agrees that any advice, recommendations, information, or work product provided to Client by Wipfli in connection with this engagement is for the sole use of Client and may not be relied upon by any third party. Wipfli has no liability or responsibility to any third parties as a result of this engagement.

Management Assistance

Assistance to be supplied by Plan personnel, including the preparation of schedules and analysis of accounts, will be discussed with Management. Timely completion of this work will facilitate the completion of our engagement.

We will schedule the engagement based in part on deadlines, working conditions, and the availability of your key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. If, for whatever reason, your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in fees over our original fee estimate.

Engagement Administration

Holly Kohl will be your audit engagement partner. Grant Eve will be your relationship executive.

Professional and certain regulatory standards require us to be independent in both fact and appearance. Any discussions that you have with Wipfli personnel regarding employment could pose a threat to our independence. Therefore, we request that you inform us immediately prior to any such discussions so that we can implement appropriate safeguards to maintain our independence.

Other Services

We will prepare (or assist in preparing) the Plan's financial statements in conformity with GAAP based on information provided by plan management, but the responsibility for the financial statements remains with management.

Management agrees to assume all management responsibilities for these services: oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

As you have instructed, our engagement does not include preparation of the Plan's Form 5500. Statement on Auditing Standards No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*, requires us to obtain and read the draft Form 5500 to identify material inconsistencies, if any, with the audited financial statements before we date our report. We will, therefore, not issue our auditor's report until the draft Form 5500 has been provided for our review.

Fees

Our fees for this engagement will be billed as work progresses, and progress billings may be submitted. Based upon our discussions with representatives of the Plan, the fee for this engagement will be \$17,500. In addition, expenses for items such as travel, telephone, postage, clerical time, printing, and reproduction of financial statements are billed for reimbursement as incurred. Our fee has been determined based on our understanding obtained through discussions with you regarding your preparation for the engagement and your current business operations. To the extent we encounter circumstances outside of our expectations that warrant additional procedures and time, we will communicate that fact and advise you of options and the additional fees necessary to complete the engagement. We expect payment of our billings within 30 days after submission.

Our fees for the services described below are based upon the value of the services performed and the time required by the individuals assigned to the engagement. Our fee estimate and completion of our work are based upon the following criteria:

1. Anticipated cooperation from Client personnel
2. Timely responses to our inquiries
3. Timely completion and delivery of client assistance requests
4. Timely communication of all significant accounting and financial reporting matters
5. The assumption that unexpected circumstances will not be encountered during the engagement.

If any of the aforementioned criteria are not met, then the fees may increase. Interim billings will be submitted as work progresses and as expenses are incurred.

Our fees include the assumption that management of the Plan will have the ability to access any prior period information that we feel necessary. Any information that cannot be obtained may cause us to be unable to issue an ERISA Section 103(a)(3)(C) report, with or without further modification, on the financial statements of the Plan as of and for the year ended December 31, 2021. If we encounter any such difficulties, we will promptly notify management.

Conclusion and Approval to Proceed

If the terms of this Engagement Letter are acceptable to you and the services outlined are in accordance with your requirements, please return a signed copy of this Letter to us.

We look forward to our continued association with you and the Plan's staff and appreciate the opportunity to serve you. Please do not hesitate to call us if you have any questions about the work we are to perform or any other aspect of the services we can provide.
